Insight'22 (Students' Interaction with Young Scholars-One of the pregame in HiScaM Project)

Date of Program: **22-01-2022 Saturday at 10:00 AM**

Venue: **Google Meet**

Total Number of Students Participated: **170**

Insight'22(HiSCaM) organised by **Department of Mathematics & Department of Statistics of Sir Syed College** was conducted on **22nd January 2022 at 10 am through google meet**. The main objective of the programme was to make the young scholars who have attained education from various premium and privileged institutions of the country share their thoughts and knowledge to the students of Sir Syed College.

The programme was commenced by the welcome speech of the Head of the Department of Statistics, **Mrs. Mashuda Kouser G D**. The inaugural ceremony of Insight'22 was accomplished by **Mr. P RAJEEVAN**(District Employment Officer Kozhikode & The Manager, Career Development Centre (CDC), Perambra). Substantial Felicitation talks were given by **Dr.Tajo Abraham**(Coordinator, IQAC), **Mr. Shanavas S.M**(Convener, Academic Committee), **Mr.Sirajudheen M.P**(Asst. Professor &Head of Dept. of Mathematics).

During the Inaugural speech Mr. P Rajeevan talked about the opportunities and scope for the students studying in the field of Mathematics and Statistics. He himself being a mentor and guide, briefed the advantages of getting admitted in Premier Universities. The programme was executed successfully under the guidance of Mr. P Rajeevan.

The programme was all about an interactive session with young scholars, who studied or are studying in the Premier Universities. This interactive session begun by **Mr. Ranjith Mohan** (Manager, Department of Statistics and Information Management, RBI Mumbai) followed by **Mr. Albin Mathew**(Research scholar , Department of Mathematics, Central University of Kerala), **Mr. Aashish Chandra** (Research Scholar , Dept. Of IIT Kanpur) , **Ms. Ashifa. A** (Msc. Mathematics and Computing, IIT Bhilai) , **Mr. Mohammed Ashfaque K**(Msc. Mathematics, Aligarh Muslim University) , **Ms. Priya Kaveri V** (Msc. Mathematics, IIT Madras), **Ms. Nusaibath TP**(Msc. Mathematics, IIT Madras) , **Ms. Athulya Dominik** (Msc. Statistics, Pondicherry University), **Ms. Thajunnisa TK** (Msc. Statistics, Kerala University).

Young scholars shared their experiences and struggles they had to face in achieving their goals. They even shared the strategies and tricks to crack competitive exams. The opportunities one get in Premier Universities are divine and also there is a great opportunity to explore their talent. Ultimately, these young scholars encouraged and motivated the students of Sir Syed College to aspire seats in premium institutions and secure good positions in the society. The interactive session became a successful one as the students enquired their doubts and questions related to competitive exams and all.

The program was concluded with the Vote of Thanks by **Mr. Mansoor N.K** (Assistant Professor, Department of Statistics). The Insight'22 was overwhelmed by the presence of almost 171 students and their perceptive interaction along with the presence of other staffs of the departments
