Vision

To provide insight into the anecdotes of the past for raising the realities of present so as to enable the students to learn a meaningful life as responsible citizens.

Mission

The department aims to transmit the invaluable lessons of history in a most liberal and innovative way by giving an added emphasis to moral and cultural values. The expected outcome of the overall teaching and learning process is to equip the students with a deeper understanding of the societal problems to make them adaptable to the complexities of a plural society.

About

We are delighted to present the annual report of our department titled as **Acta Diurna** for the Academic year 2024-2025. This year, the department has continued to foster a vibrant environment for learning and discovery. Through several activities and programs, we have deepened our understanding of the past while encouraging diverse perspectives. This report highlights our major programs, result analysis, students achievements and many more. I extend m heartfelt gratitude to our faculty members and students for their continuous support and commitment.
