•Wall Magazine 2019-20 •On the topic 'Budget 2019-20' •Created by first year students of B.Com department •Published on 26.07.2019

The idea of wall magazine firstly conceived by the department head Shanavas.S.M in the academic year 2016-17. Usually the wall magazines create by first year students of B.Com degree of the concerned academic year. This is the fourth consecutive year that the wall magazine has been held. This year, a group of 5 students among first year students of B.Com dept. were made in charge of publication of wall magazine. Contributions of all students in terms of idea, pictures, their article, cartoons.....etc., were accepted to ensure the participation of every student. Lubana Mahmood, Zaheem Iqbal, Riza Parvez, Mehrin Musthafa and Sumayyath. P are the first year students who were in the wall magazine coordinator team. They chose the topic for wall magazine which had the contemporary relevant. Wall magazine was about the budget 2019-20. It was published on 26th July 2019. Wall magazine 2019-20 was inaugurated by staff association secretary Salam sir (Dept. of English). Head of the dept. Shanavas S.M, Suhara, Haseena and Ramseena (Dept. Faculties) spoke on the inaugural session. The magazine was enriched by the creative articles by the students. The imagination, creativity and initiative of students contributed the success of wall magazine. The main aim of this program was to create a lesson learning opportunity for the students by assigning end to end responsibility. It was entirely a student's managed program to collect material, create meaningful things around it and display it artistically as a wall magazine.

TEACHER'S DAY CELEBRATION

05

SEPTEMBER 2020

Conducted by the students of Commerce department for their beloved teachers. **"A good teacher is similar to a candle that consumes itself to light up others paths"** Students of PG department conducted a program on teacher's day for honoring the efforts of the teachers taken to teach all the students the value of life with academic knowledge. Teachers are the guides who show the ways to the students to reach their goal.

They can inspire hope, ignite imagination and instill the love of learning. Fostimos was conducted to appreciate the special contribution made by the teachers towards education and in the life of the students. The program was colorful as the all teachers share their experiences they had, when they were students. On the occasion of the program, the teachers remembered their teachers. This program was an emotional experience to the teachers because they have an emotional attachment with their teachers. They keep a great relationship with their teachers. From this experience, the students understood the role of a teacher in a student's life. Students presented small gift as a token of love to the teachers. The program ended up with cake cutting. The teachers were happy for spending their valuable time with their
