

## ESTRELLA 22

The physics department of Sir Syed College organized an exhibition titled "**Estrella' 22**" on 10<sup>th</sup>, 11<sup>th</sup> & 12<sup>th</sup> March 2022. An intercollegiate competition and exhibition was conducted as part of the program. The outbreak of Covid-19 pandemic has seriously affected the economic and social status of the society. The series of lockdowns has led to the closure of educational institutions and led to the rise of online classes. Online classes have adversely affected the mental health of students and made them lack of interest in science subjects. The main objective of this program is to bring them out of the social confinement created by the epidemic and to develop interest in science and technology.

Kannur District Collector Chandrasekhar IAS inaugurated the program on March 10 at 9 am at the seminar hall. Adv.P. Mahmood, Manager, Sir Syed College presided over the programme. The Principal of the college, Dr. Ismail Olayikkara delivered the welcome speech. The CDMEA Secretary Mr. Mahmood Allamkulam, The Director of Student Services, Kannur University, Dr. Nafeesa Baby T.P, The IQAC Coordinator, Dr Tajo Abraham, The Staff Association secretary, Dr. Fazal E., felicitated the programme., and Dr.Binumol kuriakose, head, department of physics delivered vote of thanks.

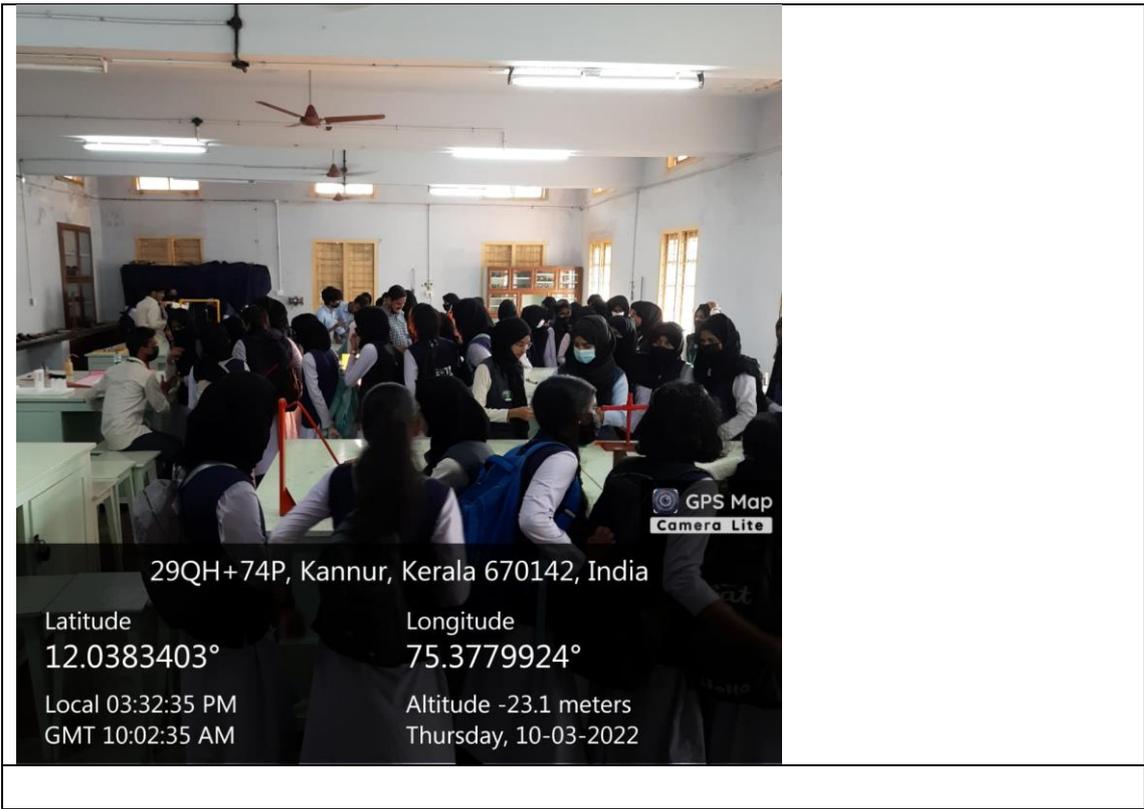

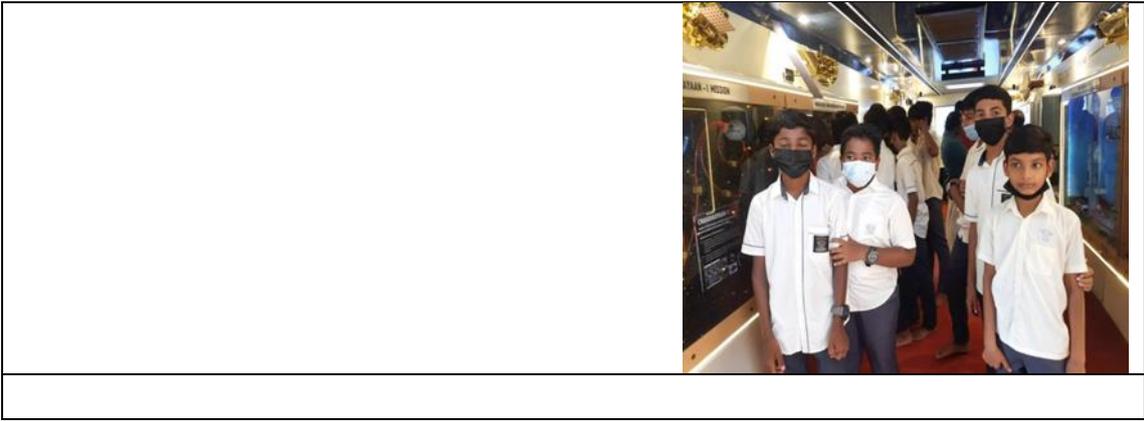

The main attraction of the program was "Space on wheels" of the Vikram Sarabhai Space Centre, Trivandrum. Students of the different colleges and schools familiarize with the work of Indian Space Research Organization through this exhibition. The college manager Adv. Mahmood unveiled the exhibition for the public. 'Space on Wheels' of ISRO was first visited by CDMEA Secretary Mahmood Allamkulam.

There were several intercollegiate competition held as a part of this mega science expo like, Experimental exhibition competition, treasure hunt, painting competition, essay writing, quiz competition, photography competition, tableau completion and mehndi competition. We have received great response from students and public to the exhibition and different programmes.

As part of this exhibition, we conducted a seminar on 'Technical aspects of rocket propulsion and job opportunities in VSSC'. VSSC scientist Dr. Suresh led the seminar and answered the queries of the students on different aspects of the subject.

The closing ceremony started with the Alumni and the parent teacher student meeting. Mr Navas Mannan, Assistant Professor, Department of Malayalam, Sir Syed College, handled a session on "Weaving with Words". One of the alumni of the college, Dr. Athira's violin performance filled the hearts of the audience with joy. At the last Dwani Folk Music Band performed 'Kottum pattum' and it was a different experience for the audience. The event was a huge success with excellent participation and great response from the public and students.
