

## Gender Equity Policy

Sir Syed College, Taliparamba

### Preamble

Sir Syed College, Taliparamba, is committed to nurture an inclusive and equitable educational environment that supports the academic and personal growth of all students, with a particular emphasis on promoting gender equity and empowering girls, especially those from minority and economically deprived communities. This policy outlines the college's commitment to gender equity and the strategies to be implemented to achieve this goal.

### Objectives:

- To ensure equal access to educational opportunities for all students, regardless of gender.
- To promote a safe, respectful, and inclusive campus environment.
- To encourage and support the academic and personal development of female students.
- To address and eliminate gender-based discrimination and harassment.
- To raise awareness and educate the college community about gender equity and inclusivity.

## Policy Statements

### Equal Access to Education:

- The college will ensure that all students have equal access to educational programs, resources, and facilities.
- Scholarships and financial aid will be provided to economically deprived students to support their education.

### **Safe and Inclusive Environment:**

- The college will maintain a zero-tolerance policy towards gender-based violence, harassment, and discrimination.
- A Gender Equity Cell will be established to address complaints related to gender discrimination and harassment.
- Regular workshops and seminars on gender sensitization and awareness will be conducted for students, faculty, and staff.

### **Support for Female Students:**

- Special initiatives and programs will be designed to encourage the enrollment and retention of female students.
- Counseling and mentorship programs (JEEVANI) will be available to support the academic and personal growth of female students.
- Career guidance and skill development programs will be tailored to enhance the employability and professional skills of female students.

### **Curriculum and Pedagogy:**

- The college will integrate gender studies and related topics into the curriculum to promote understanding and awareness.
- Teaching methods and materials will be regularly reviewed to ensure they are inclusive and free from gender bias.

### **Leadership and Participation:**

- Female students will be encouraged to take on leadership roles in student organizations and college activities.
- The college will promote equal participation of female students in sports, cultural events, and extracurricular activities.

### **Community Engagement:**

- The college will engage with the local community to raise awareness about the importance of girls' education and gender equity.

- Outreach programs will be conducted to support and empower girls in the surrounding community.

### **Implementation and Monitoring:**

- The Principal will oversee the implementation of the Gender Equity Policy.
- A Gender Equity Committee will be formed, consisting of faculty, staff, and student representatives, to monitor and evaluate the effectiveness of the policy.
- Annual reports on the progress of gender equity initiatives will be prepared and reviewed.
- This Gender Equity Policy will be widely communicated and made readily available to all college members through the college website, orientation materials, and other appropriate means.

### **Inclusive Education for Vidyangan, Thrid Gender and Other Minorities:**

- All students, regardless of their abilities or backgrounds, will be treated with respect and provided equal access to educational opportunities.
- The college premises, curriculum, and materials will be designed to accommodate the needs of students with disabilities and other minority groups, ensuring accessibility for all.
- All students, including those identifying as the third gender, will be treated with respect and dignity.
- Sir Syed College, Taliparamba will not discriminate in the admission process on the basis of disability, gender identity, or minority status
- The college will establish a support system for students with disabilities to ensure they have equal opportunities for academic success; Such as extended exam time, accessible course materials, and adapted teaching methods, will be provided based on individual needs.
- SSC, Taliparamba will make physical adjustments to ensure campus facilities are accessible to individuals with physical disabilities. Signage, pathways, and amenities will be designed to facilitate ease of navigation for everyone.

## Grievance Redressal

- A grievance redressal mechanism will be established to address any complaints or issues related to discrimination or lack of accommodations, including those related to gender identity.

Sir Syed College, Taliparamba, reaffirms its commitment to gender equity and the empowerment of female students. This policy serves as a guiding document to ensure that the college remains a supportive and inclusive environment for all students, fostering their academic and personal development.

## GREEN CAMPUS POLICY

Sir Syed College, Taliparamba

### Preamble

Sir Syed College, Taliparamba is committed to creating a sustainable and environmentally responsible campus for the benefit of our students, staff, and the community. This Green Campus Policy outlines our dedication to promoting sustainability, reducing our environmental footprint, and fostering a culture of eco-consciousness within the college community.

### Objectives:

#### 1. Reduce Energy Consumption

- Implement energy-efficient technologies.
- Encourage the use of natural lighting and ventilation.
- Promote responsible energy use among students and staff.

#### 1. Water Conservation

- Promote water conservation through efficient water management systems.
- Encourage the responsible use of water by students and staff.
- Promote rainwater harvesting where applicable.

#### 2. Waste Reduction and Recycling

- Reduce waste through effective waste segregation and recycling programs.
- Encourage the use of reusable and eco-friendly products on campus.
- Implement a composting program for organic waste.

#### 3. Biodiversity and Green Spaces

- Create and maintain green spaces on campus.
- Promote the preservation of local flora and fauna.
- Educate the college community on the importance of biodiversity.

#### 4. Sustainable Transportation

- Encourage the use of public transportation, carpooling, and biking.
- Provide safe and secure bicycle parking facilities.

- Promote walking as a sustainable means of commuting.

## **5. Environmental Education**

- Integrate environmental topics into the curriculum.
- Organize workshops, seminars, and awareness campaigns.
- Support and promote student-led environmental initiatives.

**Implementation:** To achieve our objectives, the college will undertake the following measures.

### **Energy Efficiency**

- Conduct energy audits to identify areas for improvement.
- Upgrade lighting and HVAC systems for energy efficiency.
- Encourage students and staff to turn off lights and electronic devices when not in use.

### **Water Conservation**

- Install water-efficient fixtures.
- Monitor water usage and fix leaks promptly.
- Educate the college community on responsible water usage.

### **Waste Reduction and Recycling**

- Implement a comprehensive recycling program.
- Place recycling bins in strategic locations across the campus.
- Conduct awareness campaigns on the importance of waste reduction and recycling.

### **Biodiversity and Green Spaces**

- Develop and maintain green areas with native plants.
- Create wildlife-friendly habitats.
- Organize tree-planting and cleanup events.

### **Environmental Education**

- Incorporate sustainability and environmental topics into the curriculum.
- Host regular seminars and workshops on environmental issues.

## GREEN ACTIVITIES REPORT 2023 - 2024

***SWACHH BARATH SWACHH SIR SYED***  
***CLEAN SIR SYED GREEN SIR SYED***

**1. Plastic free campus announcement**

The College PTA, Green Protocol Monitoring Cell, and Clean the Campus Forum together have decided to initiate a project aimed at improving our college environment friendliness and making our campus a Zero Waste Campus. In the first phase, the Clean the Campus Forum, along with the College PTA and the Municipality, has successfully implemented a project for the collection and disposal of waste on campus on a monthly basis, which has been running successfully for the past two years.

In the second phase, starting from the week of August 14, 2023, all events and activities happening on campus, both big and small, and including yoga sessions, have been strictly prohibited from using paper/plastic glasses. For this purpose, the Green Protocol Monitoring Cell has already procured steel glasses as per the requirement of the PTA.

The distribution of steel glasses has been undertaken by the Botany Department. From now on, in all activities and events organized by departments, clubs, the Student Union, or associations, the usage of steel glasses alone will be allowed, as part of our college's efforts towards environmental friendliness and creating a Zero Waste Campus.

## 2. International Biodiversity Day Celebration

In connection with the International Biodiversity Day Celebration Dr. Sreeja P, Assistant Professor of Botany, Sir Syed College conducted an awareness class on mangrove restoration at Kavvayi lake, Kannur District on 22<sup>nd</sup> May 2023. The programme was inaugurated by Mrs. KV Lalitha, Chaiperson, Payyannur Municipality.

### **3. The Greenery Project Commences at Sir Syed College**

Sir Syed College initiated the Greenery Project on World Environment Day. The project began by planting various trees in the main area of the college campus. The aim of the project, which included creating a bio-space for conducting eco-friendly activities for students, was to promote environmental consciousness. Trees were planted both in the botanical garden and in various locations across the college campus. The program concluded with the Environment Day celebration on June 5th. Dr. Khalil Chovva, a prominent environmental activist, inaugurated the event by planting a tree. The event was attended by E. M. Kareem Chelery, President of the Muslim League, Adv. P. Mahmood, President of C. D. M. I. A., and Mahmood Allankulam, General Secretary of C. D. M. I. A. Additionally, Dr. Ismail Olaikkar, the college principal, and Olaikkar Ennulayikkar were also present, participating in the tree planting initiative.

#### **4. Vithidal Utsavam**

NCC Cadets of Sir Syed College participated in the sowing of seeds' Vithidal Utsavam' at Ezhome, Kappad along with farmers.

#### **5. World Environment Day Celebration and Inauguration of Certificate course**

Department of Zoology in association with Biodiversity club of Sir Syed College and MVR snakepark & Zoo Parassinikkadavu organized an awareness class on snake biodiversity at MVR snake park. Smt. Hemalatha M, I.P.S. Kannur District Rural SP

inaugurated the programme. Dr. Vanaja T, North Zone Associate Director of Research, Kerala Agricultural University was the chief guest and Dr. Dileep Kumar R, Chief Scientific Officer, MVR Institute of Life science and Research studies handled the class. As a part of this programme a certificate course on Herpetology was launched specially for Zoology and Forestry students of

Sir Syed college. Saplings of fruit trees were distributed to all the participants of the programme.

#### **6. National Moth Week Celebration**

A National Moth Week Celebration was conducted by the Department of Forestry from 22<sup>nd</sup> July to 30<sup>th</sup> July 2023. The keynote speaker of the programme was Sri. Unnikrishnan, MSc Zoology student at University of Madras. He is the author of a book entitled 'A beginners field guide to moths of

Malabar'. He delivered a lecture on the topic 'Moths: Illuminating the Nocturnal Wonders of Nature'.

#### **7. Kurumathoor Panchayat Biodiversity Register renovation**

The inauguration of the second phase of the Kurumathoor Panchayat Biodiversity Register took place today at Karimban in the presidency of the panchayat president and Kerala State Biodiversity Board member, Mr. K.V. Govindan. The event, coordinated with the assistance of Sir Syed College Botanical Garden, Suvarajyam,

and Forestry, is progressing smoothly. During the ceremony, CDMEA Secretary Mr. Mahmood Allankulam, Coordinator Mr. Joshy J, and Dr. Abdul Salam addressed the attendees. Forty students participated in the training program in the botanical division.

## **8. International mangrove forest Day Celebrated**

The Kannur Candle Project, conducted under the leadership of the Wildlife Trust of India and the SBIF Foundation, organized the Candle Day celebration in collaboration with Sir Syed College. The celebration was inaugurated by Mr. Mahmood, the manager of Sir Syed College

## **9. Plant Biodiversity Register Updation**

Department of Botany, Sir Syed College in association with the Kerala Biodiversity Board conducted a Plant Biodiversity Register (PBR) updation survey at Velipara, Kurumathur Panchayath, Kannur on 01<sup>st</sup> July 2023. The program was inaugurated by KV Govindan, Member, Biodiversity Board, Kerala.

#### 10. Awareness Program on MONSOON & HEALTH was conducted:

To promote health awareness during the monsoon season, the Zoology Department joined hands with the National Health Mission (NHM) and the National Ayush Mission (NAM) to organize a special awareness program on August 1, 2023. The event, which aimed to educate participants on the potential health risks associated with the monsoon, featured a lecture by Dr. Deepthi V Nair, a Specialist Medical Officer from NAM.

#### 11. World Mosquito Day August 20, Mosquito born disease awareness program:

On August 21, 2023, an awareness program in commemoration of World Mosquito Day was organized in collaboration with the Kannur District Medical Office (Health). The event featured a quiz competition and exhibition aimed at raising awareness about mosquito-borne diseases. Smt. Murshida Kongay, Chairperson of

Taliparamba Municipality, inaugurated the program, which was presided over by Nabeesa Beevi, Chairperson of Health in Taliparamba municipality. Several distinguished guests, including Dr. Shini, District VBDC Officer, and Dr. K T Rekha, District Deputy Medical Officer, graced the occasion. The event was a collaborative effort to educate the community about the importance of mosquito control and disease prevention.

## **12. Sir Syed College Staff Association Hosts Khadi Exhibition:**

Sir Syed College Staff Association, in collaboration with the Payyannur Khadi Board, organized an exhibition of Khadi Products on 22<sup>nd</sup> August 2023. The event marked its inauguration with the first sale to Adv. P Mahamood, the Manager of Sir Syed College, by Mr. Balan, President of the Payyannur Khadi Board, in the presence of Mahamood Allamkulam, General Secretary of CDMEA, Dr.

Ismail Olayikkara, Principal of Sir Syed College, Mr. Santhosh, Secretary of the Khadi Board Payyannur, and enthusiastic faculties and students. The exhibition provided students with a unique opportunity to explore and learn about various Khadi products, creating an enriching experience for all.

## **13. SWACHATHA Action Plan with NSS Cell: 05/08/2023**

Under the auspices of the Kannur University NSS Cell, in collaboration with the Thaliparamba Municipality, cleanliness activities were carried out in the city and surrounding areas on Saturday, May 8, 2023. Around 200 NSS volunteers from various institutions such as Sir Syed College, Sir Syed Institute, and Kayi Saib Training College participated in

the sanitation activities. Flash mobs and bus stands were organized by Don Bosco College volunteers in the surrounding areas. Sanitation activities were conducted in places such as Chiravakku, Bustan, News Corner, up to Nabras, Market, Taluk Office premises, Kappalam, Post Office premises, Pookkoth Nadu, Thrichambaram, and Seventh Mile.

The inauguration was done by Municipality Chairperson Mr. Murshid Kondhakkal. Mr. R. D. O. P. Merseys was the chief guest. Vice-Chairman of the Municipality, Mr. Kalingal Padmanabhan, and President of the Standing Committee, Mr. P. P. Mohammed Nisar, Councilors Mr. O. Saubhagyam, Mr. K. Rameshan, Mr. I. Kunniram, Mr. K. M. Latheef, Municipality Secretary Mr. K. P. Subair, Tahsildar Mr. P. Sajeevan, K. S. Riyas, K. V. Manoharan, Dr. K. Abdul Rahman, NSS officers, and officials of the NSS Program Office were also present. Dr. T. P. Nafees Bebe, Director of NSS Student Services at Kannur University, welcomed the gathering, and J. K. I. R. Fiyaz expressed gratitude.

#### 14. Field Visit

Members of Biodiversity club, Sir Syed college visited the District Agriculture Farm at Karimbam on 16<sup>th</sup> September 2023.

#### 15. Cleaning Drive

A Cleaning Drive Programme was conducted by NSS Unit (14 & 15) of Sir Syed College on 17<sup>th</sup> September 2023.

#### 16. Let's Cultivate Agriculture with Nature

In connection with Gandhi Jayanti, Sir Syed College's Zoology Department and the Biodiversity Club jointly organized an event titled "Let's Cultivate Agriculture with Nature" on October 5th. Mrs. Sreesha K., Agriculture Officer, conducted classes at the Thaliparamba

campus. Mrs. Rahmat Begum distributed vegetable seeds to children as part of the event. seed of vegetables and fruit plants are distributed during this programme.

### **17. Workshop on Biodiversity for Livelihood**

A two-day workshop on Biodiversity for Livelihood was organized by the Biodiversity club and Zoology Department of Sir Syed college during 19<sup>th</sup> and 20<sup>th</sup> of October 2023. The workshop was financially assisted by Kerala Biodiversity Board, Govt. of Kerala and focused mainly on training the students in terrarium, aquarium and bonsai making. The resource persons were Dr. Byju Padiyur, Matsyafed Project Officer and Technician, Kannur and Mr. Sulaiman Kuppam, Bonsai Enterpreniur and Hobbyst.

### **18. World Wildlife Week Celebrations 2023-Invited Lecture**

The Department of Forestry and Forestry Club of Sir Syed College organized an insightful session titled 'Battling Nipah' on 3<sup>rd</sup> October 2023 in connection with the Wildlife Week observation. This session was designed to educate students about the Nipah disease and the crucial role that bats play in

its transmission. The function was presided over by Mrs. Sneha C, HOD of Forestry. The felicitations were given by Ms. Haritha M and Mr. Azhar Ali A, esteemed faculty members of the department. It was an informative and engaging session that shed light on the vital connection between bats and the spread of Nipah disease. The class was handled by Mr. Nithin Divakar, a PhD scholar and a prominent Bat researcher. Along with this an online caption writing competition was also conducted for the students.

## 19. World Wildlife Week Celebrations 2023- 'Big Cats'

It's an initiative by the students of the Department of Forestry, Sir Syed College to introduce different wild animals and the importance of conserving them to the lower grade students. The initiative was started as part of the world wildlife Week Celebrations-2023. Mr. Sainath T (2<sup>nd</sup> Year BSc Forestry), a dedicated member of the Forestry Club, conducted an engaging session on "Big Cats" at the Mellontik Montessori House of Children in Taliparamba on 6<sup>th</sup> October 2023.

## 20. World Wildlife Week Celebrations 2023-Paper presentation competition

Biodiversity club in association with Zoology department organized various competitions to the students of various colleges in connection with the wild life week celebration on 7<sup>th</sup> October 2023. Competitions include an intercollegiate online quiz competition, a paper presentation session on the topic 'Partnership's for wildlife conservation' and an intercollegiate photography competition.

Students and faculty of the Department of Forestry, Sir Syed College in association with the Forestry club participated in a synchronized bird survey at Wayanad wildlife sanctuary. The exercise records 228 species of birds. The three-day program was organized by Wayanad Wildlife Department on 26th January 2024.

### 31. Power Quiz

Students of Sir Syed College won the District level power quiz competition organized by the KSEB Officers association. Christy Jills (BSc Physics) and Muhammed Sabith (BSc Zoology) receiving the awards from the KSEB officers.

**32. എൻ്റെ**

In the presence of the Principal Dr. Ismayil Olaiyikkara of Sir Syed College NSS Unit, Ward Councilor Mr. K Shabeeth inaugurated the Sneharaghavanam Park, constructed in front of the Thaliparamba Taluk Hospital

### **33. Inauguration of Centre for Mangrove Studies and Satellite Nursery**

Dr. KV Sankaran, Former Director of KFRI and Coordinator of Asian Pacific Forest Invasive species Network (APFISN) inaugurated the Centre for Mangrove Studies and Satellite Nursery structured in the Botanical Garden of Sir Syed College on 7<sup>th</sup> February, 2024. Dr. Sujanapal P, Principal Scientist, Silviculture Division, KFRI delivered an invited lecture on the topic “Restoration of Mangrove Ecosystem”. The programme was financially supported by Wildlife Trust of India, Kannur Kandal project, Payyannur and SBI foundation.

### **34. Nutrimizala-Mushroom**

#### **Harvesting Ceremony**

The Department of Botany, Sir Syed College started a new initiative on Mushroom Cultivation to upskill students as successful *entrepreneurs as part of the add on course. The first harvest of the mushroom was done by Prof. Ismail Olayikkara, Principal of Sir Syed College and was marketed in the name "Nutrimizala".*

### **35. Malabar Manual - Journey 3**

As part of the environmental-cultural study trip, students of the Malayalam department visited locations such as Kanthagad Beach, Pallikara, and the

seaside. They also participated as contributors in the Kanhagad Kavyotsavam, an excursion program conducted under the name "Saptabhasha Sangama Bhoomi".

### **36. Forestry Field Experience (FFE-2024)**

Venturing beyond Goa's famed beaches, forestry students embarked on a transformative journey in Mollem. Guided by Jiss K. Varkey IFS, they explored biodiversity at a vibrant park, witnessing the delicate balance of

ecosystems firsthand. Immersed in the intricacies of conservation, they gained valuable insights into sustainable practices, from medicinal gardens to bamboo's versatile applications. The medical garden showcased plants' therapeutic properties, underscoring the vital link between biodiversity and human well-being. Meanwhile, the bambusetum served as a living classroom, highlighting bamboo's potential for sustainable forestry. From construction to artisanal crafts, students learned to appreciate the importance of eco-conscious choices in preserving Goa's natural heritage for generations to come.

### **37. Plastic waste management- awareness**

The inauguration of a year-long project aimed at collecting plastic waste dumped into the sea, as well as providing guidelines to reduce their usage, termed as plastic waste management and awareness, jointly organized by the Department of Botany of WWF Sir Syed College and the Earth Watch Club, was inaugurated. Mr. Shivakumar, the Chief Guest, is the Kerala Research Officer of WWF."

### **38. INTERNATIONAL WATER DAY**

On International Water Day, the College Biodiversity Club, in collaboration with the Zoology Department, organized an online quiz competition for college students, under the joint leadership of the Club and the Department

### 39. INTERNATIONAL FOREST DAY

On International Forest Day, the College Biodiversity Club, in collaboration with the Zoology Department, organized an online quiz competition for college students, under the joint leadership of the Club and the Department. Navin M. K. from Ponnani MES College, Muhammad Sinan from the Government Arts and Science College, Manakkadavu, and Imthiyas Ahmad from the Geography Department, Kannur University, secured the first three positions.

#### **40. Participated in Annual Bird Count at Aralam Wildlife sanctuary**

Department of Forestry in association with Forestry club of this college participated in Annual bird count at Aralam Wildlife sanctuary during 08-10, 2024. The survey was organized by the Sanctuary management and Aranyam Nature Foundation. The 19th edition of the bird survey in Aralam Wildlife Sanctuary spotted two new species of birds. The new species spotted were Woolly-necked stork and White-bellied drongo. Both are dry-land species, and with this the total number of species spotted in the protected area so far has touched 246.

#### **41. Earth Hour Awareness Campaign**

Department of Forestry, Sir Syed College in association with Nature Club organized an awareness campaign on the importance of observing Earth Hour raising the slogan "give an hour for earth". Faculties of the department along with Nature Club members took part in campaign and made awareness among students about the

importance of switching off every electrical equipments for one hour for the revival of our mother nature. The campaign was initiated by World Wildlife Fund for nature, India.

#### **42. International Day of Forests Observation**

Department of Forestry, Sir Syed College organized different programs in connection with the observation of International Day of Forests, on 21<sup>st</sup> March 2024. Students from various colleges across Kerala participated in events such as Quizzes, poster making competition, cartoon competition and caption writing competition. All the competitions were based on theme related to Forest and it's conservation. Members of the nature club of this college also joined hand in organizing the events.

#### **43. Observation of World Water Day and Unveiling of the Thematic Poster**

Department of Forestry, Sir Syed College organized an informative session as part of the World Water Day Observations on 22<sup>nd</sup> March 2024. Ms. Senha C, Head of the Department, lead the session on the topic 'water for peace'. The poster showing the theme was also unveiled during the event.

#### **44. World Sparrow Day Celebration**

Department of Forestry in association with Forestry club of Sir Syed college took part in the world Sparrow Day Celebrations. 'I love sparrows' was the theme for World Sparrow Day 2024 emphasizing the special connection between humans and sparrows. As part of the event Water pots were placed at different corners of the college for the

birds to thrive the summer heat.

#### **45. Nutrifarm**

Department of Botany, Sir Syed College has started a new initiative entitled “Nutrifarm” to raise the saplings of various medicinal, aromatic and crop plants with the help of students as part of the add on course. This year Mentha plants were propagated and the harvest ceremony was inaugurated by Prof. Ismail Olayikkara, Principal of Sir Syed College.

# National Cadet Corps Report 2023-24: Fostering Leadership and Social Responsibility

## Promoting Sustainability and Awareness:

- **International Yoga Day (June 21st, 2023):** Cadets participated in celebrating the benefits of yoga for physical and mental well-being.
- **"Seeds of Change " Initiative (June 23rd, 2023):** Collaborating with farmers at Ezhom Kaipad fields, cadets learned sustainable farming practices and contributed to local agricultural efforts.
- **Moon Day & Chandrayan Quiz (July 7th, 2023):** Engaging in a quiz competition, cadets enhanced their knowledge of space exploration and India's achievements in it.

## Enhancing Skills and Knowledge:

- **Inter Collegiate Badminton Competition (August 18th, 2023):** This event fostered a spirit of healthy competition and sportsmanship among participating cadets.
- **G20 Summit Awareness Seminar (September 23rd, 2023):** Dr. Shareefa Noufina provided insights into the significance of the G20 and its global impact.

## Empowering and Serving the Community:

- **Menstrual Hygiene Awareness Session (October 2nd, 2023):** Major Neethu Nash Theophilus conducted an informative session for girl cadets, promoting menstrual hygiene management practices.
- **World Food Day Food Distribution (October 6th, 2023):** Demonstrating compassion, cadets distributed food packets to underprivileged members of the community on World Food Day.
- **Pol-App Launch and Training (December 7th, 2023):** Participating in the launch of the Pol-App, cadets gained valuable information about Kerala Police's new initiative.
- **Flag Day Commemoration (December 12th, 2023):** The NCC paid tribute to fallen soldiers, honoring their sacrifice for the nation.

## Building National Unity and Recognition:

- **Ek Bharat Shreshtha Bharat Camp (December 23rd, 2023 - January 3rd, 2024):** This 12-day camp fostered cultural exchange and national integration between 150 cadets from Gujarat and 450 cadets from Kerala & Lakshadweep.

- **Under Officer Yadukrishna Jilesh in Republic Day Parade (January 26th, 2024):** Yadukrishna Jilesh's participation in the prestigious Republic Day parade brought immense pride to the NCC unit.

#### **Environmental Responsibility and Public Health:**

- **Mangrove Planting (January 13th, 2024):** Partnering with the Department of Botany, cadets actively contributed to environmental conservation by planting mangroves at Narath.
- **Blood Donation Drive (February 16th, 2024):** In collaboration with the District Hospital Blood Bank, the NCC organized a successful blood donation drive, collecting 60 units of blood.
- **Free Eye Check-Up Camp (February 22nd, 2024):** Partnering with Netrajothi Eye Hospital, the NCC facilitated a free eye check-up camp, benefitting 396 individuals.

NATIONAL CADET CORPS  
REPORT 2023-24

- International Yoga Day was celebrated on 21 June 2023.
- Cadets sowed seeds along with the farmers at Ezhom Kaippad fields on 23 June 2023. They were given a master class on Kaippad farming by Dr. Vanaja, Professor & Scientist, Kerala Agricultural University.

- Cadets participated in mangrove planting at Narath in association with the Department of Botany on 13 Jan 2024.
- A reception was held to felicitate the achievement of Yadukrishna Jilesh on 12 Feb 2024.
- Blood donation drive conducted in association with Blood Bank, District Hospital, Kannur on 16 Feb 2024. 60 units of blood were collected.
- Free Eye Check-Up Camp was conducted in association with Netrajothi Eye Hospital on 22 Feb 2024. 396 people benefitted from the camp.

## NSS UNIT 14 -Annual Report 2023-24

**BUSHRA N**

Assistant Professor

Department of Zoology

Sir Syed College

Taken charge of NSS Programme Office on 15-11-2023.

### 1. Fund Collection Drive - 02-12-2023

A fund collection drive was organized to support Midhun Raj, a BA Economics student, for his kidney transplantation. The drive saw the active participation of 40 volunteers showcasing the solidarity and compassion of the student community.

The volunteers collaborated in a mass fund collection effort, mobilizing resources and raising awareness about Midhun Raj's medical needs. They actively participated in collecting funds from various locations, including the Taliparamba bus stand and different nearby areas, using vehicles to cover a broader range and maximize outreach.

The campaign was marked by the enthusiastic involvement of the volunteers who approached the local community with dedication and commitment. Their efforts were instrumental in garnering financial support for Midhun Raj, reflecting the collective spirit of empathy and care within the college and the surrounding areas.

The success of this fund collection drive not only provided crucial financial assistance for Midhun Raj's kidney transplantation but also highlighted the power of community action in addressing urgent medical needs. The event stands as a testament to the unity and benevolence of the students and volunteers involved.

## 2. Participation in Nava Kerala Shuchitwa Mission - 29-11-2023

On 29-11-2023, NSS Unit 14 participated in the Nava Kerala Shuchitwa Mission in association with the Kannur District Shuchitwa Mission. The event aimed at promoting cleanliness and hygiene on the college campus and raising awareness about the importance of a clean environment. Programme was inaugurated by M Krishnam president of Taliparamba Block Panjayath and presided over by Principal Dr Ismayil Olayikkara.

The volunteers actively engaged in cleaning the campus, removing litter, and ensuring that the surroundings were spotless. This hands-on activity not only improved the physical environment of the college but also instilled a sense of responsibility and environmental stewardship among the students.

To further enhance the impact of the event, the volunteers organized a flash mob. This dynamic performance was designed to capture the attention of the campus community and convey crucial messages about cleanliness and sustainability in an engaging and memorable way. The flash mob successfully drew attention and sparked conversations about the significance of maintaining a clean environment.

### 3. Orange the World Campaign - Demonstration of POLL App - 07-12-2023

In association with the Kannur Rural District Police and the Women and Child Welfare Department, Sir Syed NSS Unit 14 organized a mock drill and demonstration of the POLL app as part of the 'Orange the World' campaign at Taliparamba Bus Stand. The program aimed to provide essential knowledge about the POLL app, a public safety application, and its usage to prevent threats or attacks in public and personal spaces.

The demonstration included practical exercises and classes to familiarize participants with the features and functionalities of the POLL app, emphasizing its role in enhancing public safety. This initiative underscores the commitment to empowering individuals with tools to safeguard themselves and their communities against potential risks and emergencies.

---

#### 4. NSS Orientation Programme for Volunteers - 14-12-2023

On December 14, 2023, NSS Unit 14 organized the NSS Orientation Programme - Season 1 for its volunteers. The event was held at the Seminar Hall of Sir Syed College where Mr. Stenil George, Assistant Professor and HOD of BLM College of Applied Science, renowned as an NSS trainer and award winner, conducted a session for the volunteers. The programme was presided over by NSS Programme Officer Bushra N.

Dr. Abdussalam, Principal in Charge of the college, along with NCC Officer Dr. Linu and Dr. Sreeja, delivered talks covering various relevant topics during the event. The orientation aimed to equip NSS volunteers with essential skills, knowledge, and motivation to actively participate in community service activities. It served as a platform to inspire and prepare volunteers to contribute effectively to social welfare and development initiatives, reflecting the NSS's commitment to fostering responsible citizenship and community engagement.

## 5. Anti-Drug Campaign Programme - 27-12-2023

Sir Syed NSS Unit 14 organized an anti-drug awareness programme on 27-12-2023. It is a commendable initiative by the NSS Unit 14 of Sir Syed College. Organizing an anti-drug awareness program shows a proactive approach towards addressing a pressing societal issue. Involving NSS volunteers, alumni, and members of the community demonstrates a collaborative effort to spread awareness and combat drug abuse.

Famous social worker Rafi Sir shared insights into the current scenario of drug abuse, and having individuals like Noushad and Shafal provide classes adds depth to the educational aspect of the program. Taking an oath in the presence of a lit torch symbolizes a commitment to fighting against drug abuse and promoting a drug-free society. Such events play a crucial

role in educating people and fostering a sense of responsibility towards the well-being of society.

#### 6. SEVEN DAYS RESIDENTIAL CAMP AT KOTTAKKANAM AUP SCHOOL KOOVERI-

The inauguration of the seven-day camp of the National Service Scheme (NSS) Unit 14 of Sir Syed College took place at A.U.P School, Kottakunnu. The event was inaugurated by Dr. Nafeesa Baby, the Dean of Student Services at Kannur University. The school's Headmistress, T. Hemalatha, welcomed the gathering. The 13th Ward Member of Chappurappadavu Panchayat, Mr. Raghavan, and NSS Programme Officer Bushra N. shared their thoughts. During the camp, students engaged in various social activities such as garden construction, riverbank cleaning, and a cleaning drive at Chappurappadavu Community Hall, inaugurated by Mr. Arun. They also cleaned the school premises. These activities aimed to change the students' attitudes towards the environment and society, reminding them of their duties to the community.

Throughout the seven-day camp, various sessions were organized, conducted by eminent personalities and trainers. Rameeshan Chural, a professor and trainer from BLM College of Applied Science, organized a session titled 'Samadarsanam'. Manoj K.V., a motivational speaker and life skills trainer, led a session on 'Susthira Jeevitham' (Sustainable Life). T.P. Shafeek, another motivational speaker, also conducted a class.

The closing ceremony of the seven-day camp was officiated by Ward Member Mr. Raghavan. The event was attended by the school's Headmistress, the PTA Secretary, and the NSS Programme Officer. Volunteers shared their feedback, and the camp concluded successfully.

## 6. Sneharāmam

In collaboration with Taliparamba Municipality, NSS Unit 14 of Sir Syed College initiated the creation of 'Sneharāmam' near the Karimpanam Government Taluk Hospital. This initiative is part of a statewide program aimed at transforming waste-dumped and abandoned public spaces into beautiful gardens or recreational areas. The project began with discussions with a local entrepreneur to identify a suitable location that was previously marred by plastic and other pollutants. NSS volunteers worked diligently to clean up and clear the area.

As part of the transformation efforts, waste tires were collected, painted, and repurposed as flower pots. Additionally, chili peppers were cultivated, adding to the aesthetic appeal of Sneharāmam. The inauguration ceremony was graced by Municipal Standing Council Member Shrimati Shabitha and Sir Syed College Principal Dr. Ismail Olikkara, marking the official handover of Sneharāmam to the municipality.

സർ സയ്യിദ് കോളേജ് എൻ.എസ്.എസ് താലൂക്ക് ആശുപത്രിക്ക് മുന്നിൽ നിർമ്മിച്ച  
സ്നേഹാരാമം ഉദ്ഘാടനം വാർഡ് കൗൺസിലർ എം.കെ.ഷബീത നിർവഹിക്കുന്നു

## 7. Snehaveed

NSS Unit 14 took the initiative to construct a home for a homeless mother and her two children. For NSS Unit 14 of Sir Syed College, this is a significant social work that emphasizes humanity. It is a great sign that Sir Syed College is deeply involved in the socioeconomic development and improvement of the society surrounding the college. The beneficiary of this project is Sameera V. The project cost is estimated to be around ₹600,000. We received financial support of ₹400,000 from the Chittilapillai Foundation and the remaining ₹200,000 was raised by NSS volunteers of Unit 14 through various activities. The work is ongoing and is estimated to be completed within two months.

---

## 8. Campus Cleaning - Plastic Waste Removal - 03-02-2024

NSS Unit 14 organized a cleaning drive on the campus, removing all the plastic waste throughout the area.

---

## 9. Second Orientation Programme for NSS Volunteers

A second orientation programme was organised for NSS unit 14 student volunteers on 24-02-2024.

**Inspirational speaker and life trainer Shafeek T P was the resource person.** The event saw the participation of forty-five enthusiastic students eager to learn and contribute to society through the National Service Scheme. NSS Program Officer Bushra N presided over the function, providing guidance and motivation to the volunteers. Her presence underscored the importance of leadership and dedication in driving the objectives of NSS.

Aishwarya expressed the vote of thanks, acknowledging the contributions of the speaker, the organizing team, and all participants. She highlighted the importance of such orientation programs in fostering a spirit of service and commitment among the volunteers. The event concluded on a positive note with participants feeling more connected to the mission and vision of NSS.

## 10. Blood Donation Camp - 16-02-2024

A blood donation camp was organized in association with Blood Donors Trikaripoor NCC and NSS of Sir Syed College on 16-02-2024. The event aimed to encourage the noble act of blood donation among students and the college community. Principal Dr. Ismayil Olayikkara inaugurated the function, emphasizing the importance of blood donation in saving lives and promoting community health.

The camp saw enthusiastic participation, with more than 50 students stepping forward to donate blood. This significant turnout highlighted the spirit of compassion and social responsibility among the students. The event was meticulously coordinated by the volunteers from NCC and NSS, ensuring a smooth and efficient process for all donors.

Medical professionals from Blood Donors Trikaripoor were present to oversee the blood donation process, ensuring the safety and well-being of the donors. The camp not only collected valuable blood units but also raised awareness about the critical need for regular blood donations.

## Awareness Program on Bharatiya Nyaya Sanhita

On 17th July 2024, the Ladies Association of Sir Syed (LASS), in collaboration with the Women and Child Welfare Department, Kannur, organized an awareness session on the Bharatiya Nyaya Sanhita under the project Sankalp: Hub for Empowerment of Women. The session took place at 2 PM in the seminar hall. The event commenced with a welcome speech by Haseena K.P., Secretary of LASS, followed by the presidential address delivered by Hamsa C.K., Principal in charge. Adv. Noushad Vazhavalappil provided the keynote address, emphasizing critical legal aspects and the importance of the Protection of Children from Sexual Offenses (POCSO) Act. Dr. Tajo Abraham, Coordinator IQAC, Dr. Mumthaz T.M.V., Vice President of LASS, and Mr. Arun K. Thampan, Gender Specialist from the Women and Child Development Office, Kannur, delivered felicitations. The session concluded with a vote of thanks from Dr. Fazila M.P., Treasurer of LASS. The guest speakers highlighted the significance of legal awareness and the pivotal role of laws in safeguarding women's and children's rights.

# SIRSYED COLLEGE TALIPARAMBA

## **Researchreis – International Workshop on Research Methodology**

The International Workshop for Beginners of Research, "Researchreis," organized by the PG and Research Department of Commerce in collaboration with the Research Forum, was held on February 1-2, 2024, at the seminar hall. The event, aimed at professional development for students, commenced with a welcome address by Suhra Kovvammal, followed by the inauguration by Prof. (Dr.) Joby K. Jose, with Principal Ismail Olayikkara presiding. Notable attendees included Adv. P. Mahamood, Mr. Mahmood Allamkulam, Dr. Tajo Abraham, Dr. Shanavas S.M., Muhammed Salih C., Haseena K.P., Ramseena Azeez, and Shameel K. Sessions covered essential research topics such as scientific research ethics, research paper writing, literature review, citation, paraphrasing, and formulating research problems, led by experts like Dr. Jayamohan M.K., Dr. Siddiq K.P., and Dr. Siraj P.P. The workshop concluded with a valedictory session where participants received certificates and provided feedback, marking the successful end of the event.

## **Two Day National Workshop on Data Analytics and Computerized Accounting**

The Post Graduate and Research Department of Commerce, in association with the ED Club and IEDC, organized a two-day National Workshop on Data Analytics and Computerized Accounting on January 18 and 19, 2024. The workshop focused on Data Analytics using MS Excel and Computerized Accounting using Tally. The resource persons for the event were Ms. Anagha Govindan, a Tally instructor and accountancy trainer, and Mr. Arun Kumar K P, an expert trainer in advanced Excel and business analytics, and a former inventory specialist at PepsiCo. Students from various disciplines participated in the workshop, which included hand on training sessions.

## **INSPIRACION- Soft skill development programme**

The PG & Research Department of Commerce conducted a soft skill development program on August 8th, 2023, in the seminar hall. The resource person for the event was Dr. Umar Farookh S.L.P., a psychologist, motivational speaker, writer, and former Kannur district CWC member. Dr. Farookh delivered a session on the importance of soft skills, incorporating games and interactive activities that energized and enthused the students. Faculty members Suhra Kovvammal, Haseena K.P., Shameel K., and Ramseena Azeez attended the program alongside the students, contributing to its success and engagement.

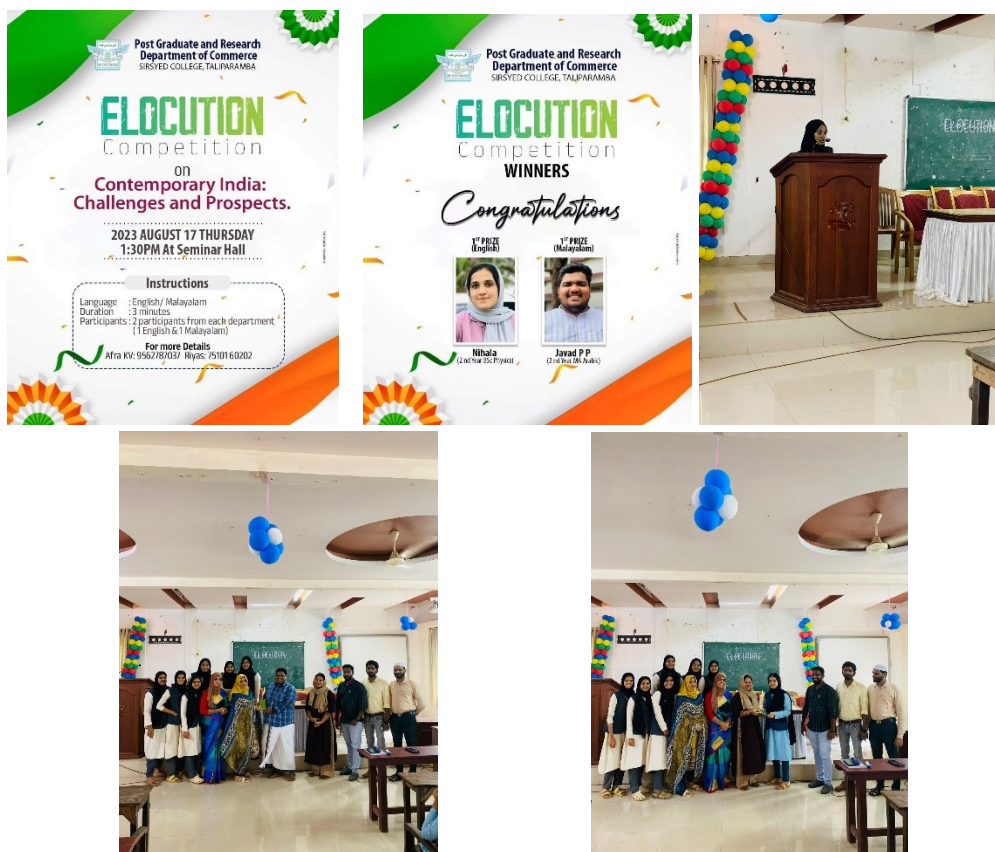

## **Elocution competition- contemporary India: Challenges and Prospects**

The PG & Research Department of Commerce conducted an elocution competition related to Independence Day on the topic "Contemporary India: Challenges and Prospects" on August 17th, 2023, in the seminar hall. Students from various departments participated in the competition. Nihala Parveen of 2nd B.Sc. Physics won the 1st prize, and Javad P.P. of 2nd M.A. Arabic won the 2nd prize.

Navas Mannan from the Department of Malayalam and Jaseera K. from the Department of English acted as judges for the evaluation. Faculty members from the Department of Commerce and students participated as the audience. Suhra Kovvammal, Head of the Department of Commerce, distributed the prizes to the winners.

### **UGC NET/JRF Crash Course**

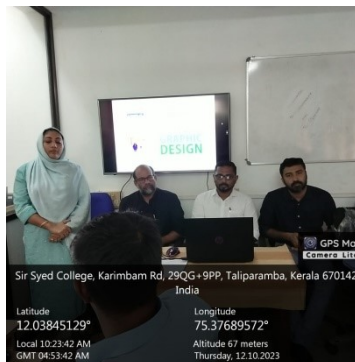

In December 2023, the Post Graduate Department of Commerce conducted a free five-day crash course for UGC NET/JRF aspirants. The program, which ran from December 2 to

December 6, was open to all and featured classes taught by expert faculty members. The initial three days, from December 2 to December 4, focused on coaching for the general paper, while the last two days, December 4 and 5, were dedicated to the commerce paper. This initiative aimed to provide comprehensive support to students preparing for the UGC NET/JRF exams without any cost.

### **Workshop on Graphic Design**

The Post Graduate and Research Department of Commerce, in association with IEDC, conducted a workshop on graphic design for beginners aspiring to become professional designers. Held on October 12, 2023, at the IT Center, the workshop covered various elements including logo creation, brochure design, flyer design, business card design, and social media poster design. Abdul Nafih TP served as the resource person, guiding the participants through the sessions. The workshop was inaugurated by Principal Ismail Olayikkara, with Dr. Shanavas SM, Haseena KP, and Ramseena Azeez offering their felicitations. The event saw enthusiastic participation from interested students.

## Cooperative week celebration

The Post Graduate and Research Department of Commerce celebrated Cooperative Week on November 21, 2023, at the seminar hall. The event featured Mr. Manoj Kumar Kooveri, Vice President of the Kerala Bank Employees Congress State Committee, who delivered an insightful lecture on "Prospects & Challenges in the Cooperative Sector." Additionally, Mr. Ratheesh TV, Inspector at the Assistant Registrar General Office in Taliparamba, conducted a career talk on "Opportunities in the Cooperative Sector." The sessions were followed by a panel discussion that provided further depth to the topics discussed. The program saw active participation from the principal, faculty members, and B.Com students.

### **Festivista 3.0**

Festivista 3.0, an exciting event featuring food stalls, fun spots, games, and art & craft, was held on February 14, 2024. The event was inaugurated by Muhammed Rinash, Managing Partner of Sony Electronics Taliparamba, with renowned food vloggers Muhammed Rishad, Fathima Sharbath, Hasna Sameer, and Farhad Sayeed as the chief guests. Dr. Ismail Olayikkara felicitated the program, which saw active participation from the Head of the Department and faculty members. Students from various departments set up stalls and organized an exhibition cum sale that included food stalls, crafts, mehndi design, painting, face painting, and games. The event provided a fantastic experience for the students, offering them the opportunity to engage in selling and showcase their entrepreneurial skills.

### **Workshop on Stock Market Investment and Trading**

A workshop on stock market investment and trading was held on February 5, 2024, in the Seminar Hall. The resource person for the session was Ahmad Junaid, a stock market analyst and mentor at Marketex. The workshop focused on live trading and Demat account opening, providing practical insights into the stock market. Dr. Shanavas S.M. introduced the session, emphasizing the importance of capital market investment. The event attracted interested students who actively participated, gaining valuable knowledge and skills in stock market investment and trading..

### **Stock trading – hands on trading 20 march**

PG and Research Department of Commerce hosted a Stock Trading: Hands-On Trading for Beginners of Stock Market Trading session on March 20, 2024 (Wednesday) at 1:30 PM, at the Centre for Commerce and Entrepreneurial Excellence. The session was opened by Dr. Ismail Olayikkara, Principal of Sir Syed College. Antony Joseph, Regional Manager at Jeojit Financial Services Limited (Calicut Region), led the stock trading session. Faculty members from several fields and students were involved.

### **UGC NET/JRF Coaching- 2023 December and 2024 June**

The PG and Research Department of Commerce in association with NET coaching Center, Sir Syed College organized UGC NET/JRF coaching for aspirants, with the December 2023 batch classes starting from October 1, 2023. The June 2024 batch of UGC NET/JRF coaching was conducted from May 15 to May 31, 2024. The session was inaugurated by Dr. Mumthaz T.M.V., Convener of the Career Guidance and Counseling Centre.

This intensive coaching program aimed to prepare aspirants for their upcoming exams. The coaching sessions covered both the general paper and commerce subject, and were conducted on Saturdays, Sundays, and holidays from 9:30 AM to 3:30 PM. Expert faculty members handled the sessions, providing comprehensive guidance and support to the participants. The initiative aimed to help students prepare effectively for their UGC NET/JRF exams.

**Subject:** Installation of 75.24 on grid solar power system and 75kW Grid Tied Solar Inverter at the premises **New Building of Sir Syed College, Karimbam, Thaliparamba, Kannur** - Sanction for energisation orders issued - regarding.

**Reference:**

1. Scheme Approval No. B1-06400/22/EIN dated 15.11.2022
2. Completion report submitted by Sri. Chnadran M., M/s. Elite Enterprices(CB-3491), Kannur received on 18.11.2022
3. Inspection conducted on 28.11.2022
4. Non conformity report dated 30.11.2022
5. Compliance report submitted by Sri. Chnadran M., M/s. Elite Enterprices(CB-3491), Kannur received on 08.12.2022

**Order No: B1-06400/22/EIN Dated 17-12-2022**

Sanction is hereby accorded under section 54 of The Electricity Act, 2003 and Regulation 32 of the Central Electricity Authority (Measures relating to safety and electric supply) Regulations, 2010 for the energisation of the installations covered under completion report read as (2) above and installed at the premises of **New Building of Sir Syed College, Karimbam, Thaliparamba, Kannur** subject to following conditions and as detailed in the annexure appended

1. Date of energization shall be intimated.
2. Operation and maintenance of electrical installation shall be done only by authorized persons.
3. All the maintenance works shall be recorded in the maintenance register.
4. Addition/alteration in the existing installation shall be carried out only with prior approval from the electrical inspectorate.
5. Sanction from any other Agency/Authority/Individual, required if any shall be obtained before energisation.
6. There should not be any violation of Kerala Electricity Supply Code, 2014, The Electricity Act 2003, Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010 and related Bureau of Indian Standards and National Electric code etc.
7. The whole installation should be operated and maintained in a condition free from danger and as recommended by the manufacture or by the relevant codes of practice of the Bureau of Indian Standards and Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010.
8. This order is subject to any future modifications to the Electricity Act 2003, Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010 and related Bureau of Indian Standards, National Electric Code etc. or any related order from the Honorable courts of law or Appropriate Government.
9. The whole installation should be in conformity with Central Electricity Authority (Technical Standards for connectivity of the distributed generation resources) Regulation, 2013 and Kerala State Electricity Regulatory Commission (Grid interactive distributed solar energy system) Regulation, 2014
10. Total harmonic distortion of the solar inverter shall be less than 3 % of power injected into the grid.

**SFE Reg SI No : 367/2022-23**

**As-fitted Scheme : 02nos (Drawing Nos from 358/01/02/2022-23 to 358/02/02/2022-23)**

### **1. 50kW Solar Inverter:**

Make	: GOODWE
Model Name	: GW 50KN-MT
Configuration	: Grid Tied
Sr No	: 9050KMTN202W0045
Rating	: 50kW, 400V, 80A
Anti-islanding	: Provided, Working in good condition for phases

### **2. 25kW Solar Inverter:**

Make	: GOODWE
Model Name	: GW 25K-DT
Configuration	: Grid Tied
Sr No	: 9025KDTN201W0037
Rating	: 25kW, 400V, 37A
Anti-islanding	: Provided, Working in good condition

### **"Sachh Bharath, Sacch Sir Syed: A Cleanliness Drive Transforming Sir Syed College"**

In 2022, Sir Syed College embarked on a transformative journey towards cleanliness and environmental stewardship with the initiation of the "Sachh Bharath, Sacch Sir Syed" cleaning drive. This pioneering program was conceived with a multifaceted aim aimed at supporting the nationwide Swachhata (Cleanliness) movement, making a positive contribution to the environment, and fostering a culture of sustainable practices within the college community.

The primary objective of this initiative is to not only enhance the aesthetic appeal of the college premises but also to instill a sense of responsibility towards environmental preservation among students, faculty, and staff. By monitoring the environmental performance of the college, the program seeks to identify areas for improvement and implement effective strategies to mitigate pollution and waste generation.

At the heart of "Sachh Bharath, Sacch Sir Syed" lies the commitment to formulate and implement a comprehensive green protocol encompassing students, staff, and the entire campus. This protocol serves as a guiding framework for adopting eco-friendly practices in daily activities, waste management, energy conservation, and biodiversity preservation.

Central to the program's execution are regular cleaning drives and mass cleaning activities conducted both within the college premises and in surrounding areas. These initiatives extend beyond the campus boundaries, reaching out to bus stands, hospitals, schools, and other publically significant locations. By engaging with the broader community, the program aims to foster a culture of civic responsibility and collective action towards maintaining cleanliness and hygiene in shared spaces.

Through "Sachh Bharath, Sacch Sir Syed," Sir Syed College not only aims to create a clean and sustainable environment but also strives to nurture a generation of socially conscious individuals committed to the well-being of society and the planet. This initiative stands as a

testament to the college's dedication to holistic education, emphasizing the importance of environmental stewardship alongside academic excellence.

### **OUTREACH ACTIVITIES**

Expanding cleaning initiatives beyond the campus grounds to encompass outreach to various places is a fantastic way to extend the impact of these efforts and contribute positively to the broader community.

**Community Service:** Engaging in cleaning activities outside the campus demonstrates a commitment to community service. It allows students to give back to the surrounding neighborhoods and areas in need, fostering goodwill and strengthening community bonds.

**Addressing Local Needs:** By reaching out to various places such as parks, beaches, riversides, or urban areas, cleaning initiatives can address specific local needs. For example, cleaning up litter along water bodies helps prevent pollution and protects aquatic ecosystems, while tidying public spaces improves the quality of life for residents.

**Educational Opportunities:** Outreach cleaning programs offer valuable educational opportunities beyond the campus boundaries. Participants learn about the environmental challenges facing different communities and gain insights into how individual actions can make a difference. These experiences can inspire greater environmental consciousness and civic engagement.

**Collaborative Partnerships:** Collaborating with local authorities, nonprofit organizations, or community groups strengthens partnerships and enhances the effectiveness of cleaning initiatives. By pooling resources and expertise, stakeholders can work together to tackle larger-scale cleaning projects and address systemic issues related to waste management and environmental sustainability.

**Promoting Environmental Stewardship:** Outreach cleaning drives serve as powerful platforms for promoting environmental stewardship and raising awareness about pressing environmental issues. Through hands-on participation, volunteers become advocates for environmental conservation, inspiring others to adopt eco-friendly behaviors and practices.

**Creating Lasting Impact:** Beyond immediate cleanup efforts, outreach programs can create lasting impact by sparking ongoing community involvement and encouraging sustainable practices. By empowering residents to take ownership of their surroundings, these initiatives contribute to the long-term improvement of local environments and quality of life.

*Swachh Bharat, Swachh Sir Syed  
Clean Sir Syed, Green Sir Syed*

**Noval initiative of the Sir Syed Campus to institutionalise cleanliness as an integral part of its functioning.  
The step taken by College Management and IQAC.**

**Aim & Objectives:**

- To support the Swachhta Movement in the Country
- To contribute positively to the environmental consistency
- To campaign for good health, wellbeing, clean water, sanitation and clean energy
- To monitor the environmental performance of the college
- To formulate and implement a green protocol for students, staff and campus level.

# MASS CLEANING DAY

**28.02.22 Monday- 1.30 PM**

*All are Invited*

Regular cleaning activities have been conducted to maintain the cleanliness and hygiene of campus facilities. Through organized efforts, including campus-wide clean-up drives and routine classroom cleaning, the committee ensures that the campus remains a conducive environment for learning and recreation.

## **1. Mass campus cleaning on 28-02-2022**

## **2. Cleaning statue of Mahathma Gandhi at Velapuram taliparamba on 30-09-2022**

The cleaning of the Mahatma Gandhi statue at Velapuram, Taliparamba, on September 30, 2022, was likely a significant community initiative aimed at preserving and honoring the legacy of Mahatma Gandhi. Mahatma Gandhi's statue holds immense symbolic significance as a representation of his principles of truth, nonviolence, and social justice. Cleaning the statue serves as a gesture of respect and reverence for Gandhi's contributions to India's freedom struggle and his advocacy for peace and equality. Student volunteers worked side by side, fostering a sense of unity, pride, and shared responsibility for maintaining public monuments and spaces.

## **3. Mass campus cleaning on 18-11-2022**

# MASS CLEANING DAY

**02.08.23 Monday- 1.30 PM**

*All are Invited*

Mass cleaning drives at campuses are excellent initiatives for fostering a sense of community responsibility, promoting cleanliness, and instilling environmental awareness among students. These drives typically involve organizing large-scale efforts where students, faculty, and staff come together to clean up the campus premises.

#### **4. Mass campus cleaning on 02-08-2023**

## 5. SWACHATHA Action Plan with NSS Cell: 05/08/2023

Under the auspices of the Kannur University NSS Cell, in collaboration with the Thaliparamba Municipality, cleanliness activities were carried out in the city and surrounding areas on Saturday, May 8, 2023. Around 200 NSS volunteers from various institutions such as Sir Syed College, Sir Syed Institute, and Kayi Saib Training College participated in the sanitation activities. Flash mobs and bus stands were organized by Don Bosco College volunteers in the surrounding areas. Sanitation activities were conducted in places such as Chiravakku, Bustan, News Corner, up to Nabras, Market, Taluk Office premises, Kappalam, Post Office premises, Pookkoth Nadu, Thrichambaram, and Seventh Mile.

The inauguration was done by Municipality Chairperson Mr. Murshid Kondhakkal. Mr. R. D. O. P. Merseys was the chief guest. Vice-Chairman of the Municipality, Mr. Kalingal Padmanabhan, and President of the Standing Committee, Mr. P. P. Mohammed Nisar, Councilors Mr. O. Saubhagyam, Mr. K. Rameshan, Mr. I. Kunniram, Mr. K. M. Latheef, Municipality Secretary Mr. K. P. Subair, Tahsildar Mr. P. Sajeevan, K. S. Riyas, K. V. Manoharan, Dr. K. Abdul Rahman, NSS officers, and officials of the NSS Program Office were also present. Dr. T. P. Nafees Bebe, Director of NSS Student Services at Kannur University, welcomed the gathering, and J. K. I. R. Fiyaz expressed gratitude.

#### 6. Karimbam bus stop cleaning 15-08-2023

The Karimbam bus stop cleaning event on August 15, 2023, as part of the Azadi Ka Amruth Mahotsav (Celebration of the 75th Anniversary of India's Independence), likely served as a symbolic gesture of community service and patriotism.

## 7. Cleaning of public places at Talipramba -02-10-2023

The participation of NCC cadets in a cleanliness drive in houses and public places near Sir Syed College demonstrates a proactive effort to promote cleanliness, hygiene, and community engagement. Volunteers would have divided into teams and dispersed to different locations to carry out cleaning activities. Tasks may have included sweeping streets and sidewalks, picking up litter, cleaning public amenities like benches and bus stops, and assisting with household cleaning if requested.

## 8. Organized a cleanliness awareness class.

Sir Syed College NSS, in collaboration with Clean Campus Forum, participated in the cleanliness drive of the local self-government and the Kannur district cleanliness mission, as part of the Navakerala project. They organized a cleanliness awareness class and flash mob. The current event was chaired by Principal Dr. Ismayil Olaiyikkara. The inauguration was done by Mr. Krishnan, the president of Thaliparamba block panchayat (29/11/2023). NSS Program Officer Ms. Bushra expressed vote of thanks.

## 9. College campus cleaning 22-12-2023

The college campus cleaning event on December 22, 2023, with the involvement of students NSS and NCC cadets, highlights a collaborative effort to maintain cleanliness and foster a sense of responsibility among the college community. The involvement of NSS and NCC cadets adds a structured and disciplined approach to the cleaning event. Cadets, trained in teamwork and leadership, would have played a crucial role in organizing volunteers, ensuring adherence to safety protocols, and maintaining discipline during the cleanup activities.

#### **10. School cleaning at Kottakkanam AUP school.23-12-2023**

The school cleaning event at Kottakkanam AUP School was likely a significant initiative aimed at improving the cleanliness and hygiene standards of the school premises.

### 11. Chapparapadavu health centre cleaning 26-12-2023

The cleaning event at the Chapparapadavu Health Centre on December 26, 2023, was indeed a significant initiative aimed at enhancing the cleanliness and hygiene standards of the healthcare facility.

## 12. Taliparamba –Karimbam Bustop cleaning 06-01-2024

The "Taliparamba – Karimbam Bus Stop Cleaning" event on January 6, 2024, organized by Sir Syed College students, showcases the proactive involvement of young individuals in community service and environmental stewardship. The volunteers, led by the student organizers, actively engaged in cleaning tasks such as picking up litter, sweeping sidewalks, and scrubbing surfaces. Working together, they transformed the bus stop area into a cleaner and more welcoming space for commuters and residents alike.

### **13. Cleaning and Gardening near Karimbam Bustop on 06-01-2024 in association with Taliparamba Municipality.**

The cleaning and gardening initiative near Karimbam Bus Stop on January 6, 2024, in association with Taliparamba Municipality and led by students of Sir Syed College, exemplifies a commendable effort to enhance the aesthetics and cleanliness of a public space. The event would have engaged not only students but also members of the local community. Residents living near Karimbam Bus Stop may have joined the effort, contributing their time and energy to cleaning and beautifying the area they frequent daily. In addition to cleaning, students may have engaged in gardening activities to enhance the aesthetic appeal of the surroundings. This could involve planting flowers, shrubs, or small trees, as well as maintaining existing greenery to create a more vibrant and welcoming atmosphere.

**14. Mass campus cleaning on 18-11-2024**

## **Vyazhavattam (വ്യാഴവട്ടം) : A Literary Hub at Sir Syed College, Taliparamba**

Every Thursday, students at Sir Syed College, Taliparamba, come together for Vyazhavattom, a lively literary gathering that brings literature to life. This event offers a welcoming space where books are celebrated, creativity unleashes, and deep conversations happen. We have done 31 discussions so far.

### **Exploring Great Books**

In Vyazhavattam, students delve into the works of famous authors. They read, discuss, and share their thoughts about classic books. Vyazhavattom encourages thoughtful exploration of these literary masterpieces.

### **Nurturing Creative Minds**

Students showcase their own poems and stories, nurturing their creative talents. Whether you enjoy writing poetry or dreaming up stories, Vyazhavattam provides a supportive community where you can freely share your ideas and receive constructive feedback. It's a place where emerging writers find their voice and grow.

### **Discovering New Books**

The event introduces students to new books and authors, from debut writers to established names. It's an opportunity to broaden your reading horizons and explore fresh ideas and themes in contemporary literature.

### **Explored Great Authors**

We had read and talked about stories and books by famous authors like Vaikom Mohammed Basheer, Zakariya, Anand, M. Mukundan, Kalpetta Narayanan, Manoj, Jathavedar, Santhosh Echikaanam, and Ashraf Adoor. We discussed the interesting characters they created in their writings.

### **Met Senior Writers**

Vyazhavattom welcomed esteemed senior writers like E.M. Hashim, Poet S. Kalesh, and young writer R. Thushara, who shared their insights and experiences with us. Their wisdom enriched the understanding of literature.

### **Enjoyed Poetry**

We also took time to enjoy beautiful poems by poets like Rafeeq Ahammed. Their words touched our hearts and inspired our own creativity.

### **Honored Literary Heroes**

We celebrated the achievements of Damodaram Kulapparam, a writer and publisher, by giving him a special award for his contributions to literature.

### **Encouraged Reading**

We believe that reading is essential, so we encouraged students and teachers to buy more books and spend time reading. It's a simple way to explore new worlds and learn new things.

In conclusion, Vyazhavattom is more than just a literary event, it's a vibrant gathering that brought the world of literature to life. It allows students to explore the classics, nurture their own creativity, and stay updated on the latest literary treasures. Vyazhavattom serves as a reminder of the lasting power of words and the joy of coming together to celebrate the world of books.

## **SIR SYED COLLEGE TALIPARAMBA**

### **GENDER EQUALITY CELL REPORT 2023-24**

Sir Syed College's gender equality cell organized an awareness talk on 'Laws fostering gender justice' on 15.03.2024 at the college seminar hall. Adv. Prasanna Manikandan(Legal counselor, Sasthra SPC) inaugurated the program and delivered the talk. The talk emphasized laws on dowry, domestic violence, POCSO Act, etc. The students greatly benefitted from the program. Gender equality cell convenor Ms. Sarayu Jayadevan welcomed the gathering. The program was presided over by the principal Dr. Ismail Olayikkara. IQAC coordinator Dr. Tajo Abraham also addressed the audience. Ms. Sneha C (member, GEC) proposed the vote of thanks.
