Respected Sir,

To

Subject: Follow-up on Recognition of BSc. Forestry and Wood Technology/ BSc Forestry Degree of Kannur University

As per the references mentioned it is evident that efforts have been made to seek recognition for the aforementioned degree. The letters addressed to the Additional Chief Secretary and the Principal Secretary, Department of General Education, highlight the persistent endeavors to establish the suitability of our degree program for the mentioned position.

Regrettably, despite these concerted efforts, it has come to our attention that no response has been received from the concerned departments to date. This lack of communication has created uncertainty for numerous students who have successfully completed the B.Sc. Forestry program at Kannur University and are eagerly awaiting the government's decision on this crucial matter.

Considering the importance of this issue for the affected students and the reputation of our institution, I kindly request your intervention in this matter. May I suggest that the College formally reaches out to the Registrar of Kannur University to seek an update on the current status of the recognition process and urge them to take the necessary actions.

I believe that your esteemed involvement in this matter will expedite the resolution of the issue and provide much-needed clarity to the concerned students. Your continued support in this regard is highly appreciated.

Thank you for your time and attention to this pressing matter.
