

## **REPORT OF THREE DAY INTERNATIONAL SEMINAR ON FAUNAL DIVERSITY-CLIMATE I GLOBAL WARMING I HUMAN INTERFERENCE**

A three day international seminar on Faunal Diversity-Climate/ Global Warming /Human Interference was organized by Department of Zoology, Sir Syed College, Taliparamba in association with IQAC, Sir Syed College, Zoological Survey of India, WGRC, Kozhikode and Department of Zoology, Mananthavady Campus, Kannur University from 10<sup>th</sup> to 12<sup>th</sup> March 2022 under the sponsorship of IDis-21, Sir Syed College. Dr. Mumthaz TMV, HoD & Asst. Professor Dept. of Zoology gave welcome address for inaugural ceremony. The function was presided over by the college Principal, Dr. Ismayil Olayikkara. The programme was inaugurated by an eminent Scientist, Dr TV Sajejev, Senior Principle scientist, Kerala Forest Research Institute on 10<sup>th</sup> March. Adv. P Mahmood, Manager, Sir Syed College, Taliparamaba, Sri Mahmood Allamkulam, CDMEA Secretary, Dr. Khaleel K M, Principal, Sir Syed Institute for Technical Studies, Taliparamba, Dr. Tajo Ebrahim, IQAC Coordinator, Head, PG Department of Botany, Dr. Abdussalam A K, Convener, IDis-21, Dr. Fazal. E, Secretary, Staff Association and Mr. Muhsin K, Rep. Non-Teaching staff offered felicitations. Mrs. Bushra N, Faculty, Department of Zoology proposed vote of thanks.

**Inaugural Ceremony of Three Day International Seminar**

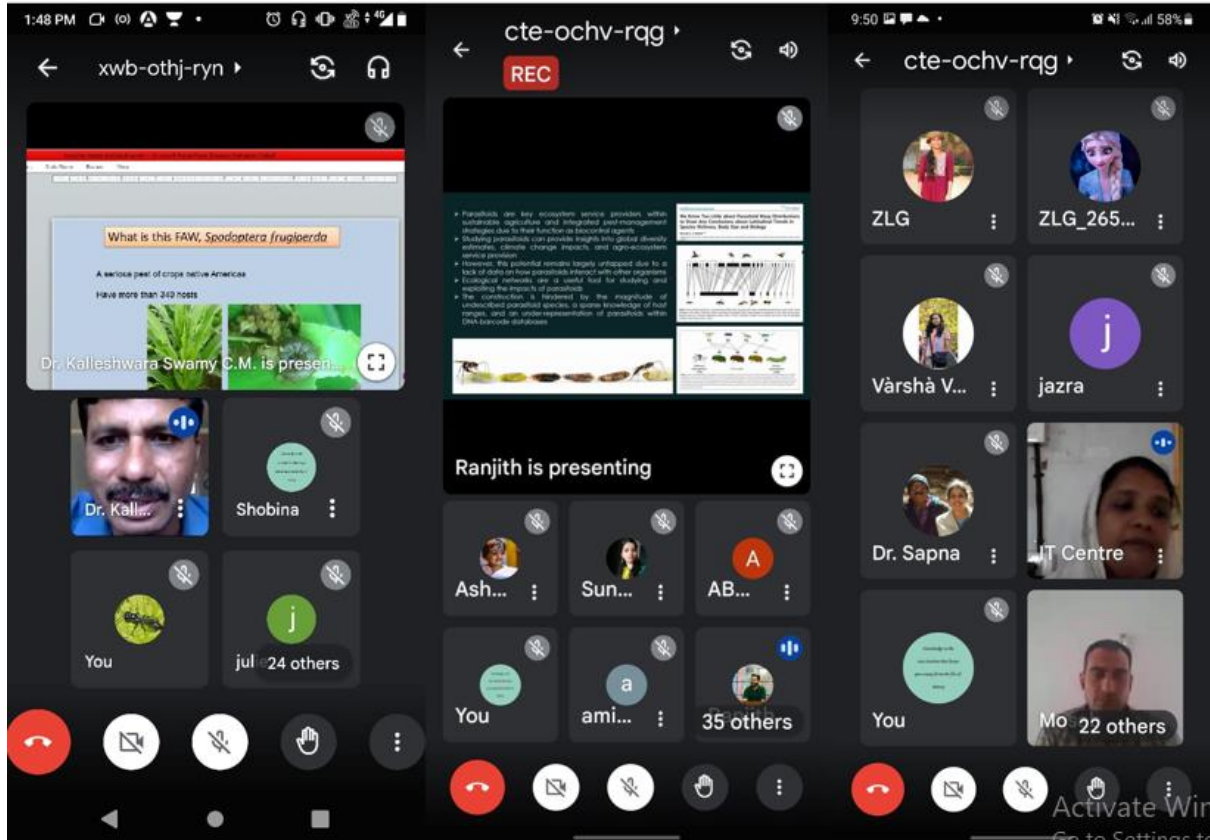

The inaugural ceremony was followed by technical sessions. Within the three days schedules, the seminar was organized in total 6 sessions including 150 participants from different states, among them 49 participants were presented their research work and 4 invited speakers to present their recent works in the area of faunal diversity. Session I was started with the talk of Dr. T V Sajeev on the topic “How to live with biodiversity? The case of human wildlife conflicts”. It was a wonderful and very informative talk. As the inaugurator and as the resource person, Dr TV Sajeev succeeded in encapsulating even the finer details on his topic. The earnest delivery of the well-organised content in a nut shell by Dr TV Sajeev was truly enthralling and the whole the session was timely and overwhelmingly rewarding. This session was moderated by Dr. Tajo Ebrahim, IQAC Coordinator, Head, PG Department of Botany and concluded with proposing vote of thanks by Dr. Amina Poovoli, Faculty, Department of Zoology.

The second technical session was handled by the Resource person Dr. Kallehwara Swamy, Asst. Professor of Entomology, College of Agriculture, Shivamoga, Karnataka, on the topic Invasive Insects and Threats to Biodiversity. The session was chaired by Dr. Amina Poovoli, Faculty, Department of Zoology and delivered vote of thanks by Mrs. Shobina K P, Faculty, Department of Zoology. The third session was on the paper presentation by participants including students, Research Scholars and Faculties from different colleges and research Institutes on different theme. In this session, 14 participants were presented their research work in offline mode and the session was moderated and evaluated by Dr. Abdussalam AK and Dr. Gayathri.

The second day of the programme was started with technical session IV at 9.30 am with resource person Dr. Mosab Ali Alzahabi, Asst. Lecturer of Marine Biology and Fisheries, Al-Azhar University, Egypt on the topic Diversity and Reproductive Biology of Wrasses (*Perciformes: Labridae*) of South West Coast of India. It was also a very interesting and informative one. The session was chaired by Dr. Mumthaz TMV, Head, Department of Zoology and delivered vote of thanks by Mrs Shobina KP.

Technical session V was chaired by Mrs Bushra, Faculty, Department of Zoology and Dr. Ranjith, Research Associate, Insect Systematics and Conservation Laboratory, ATREE, Bengaluru was the resource person of that session, the topic he talked was on very minute insect group “Parasitic Hymenoptera: The neglected beauties” and Mrs Shobina KP delivered

vote of thanks. The VI<sup>th</sup> session was the continuing of paper presentation in online mode by 25 participants. This session was evaluated by Dr. Gayathri and Dr. Shakira, Faculty Department of Botany.

### Keynote address by Keynote speakers

The third day of the seminar was started with continuing of the paper presentation in online mode by 10 participants and is evaluated by same judges of the second day. This session was followed by Valedictory session. Dr. Mumthaz TMV, HoD & Asst. Professor Dept. of Zoology gave welcome address for Valedictory ceremony. This is followed by the announcement of the winner of paper presentation competition in offline mode by Dr. Gayathri and online mode by Dr. Shakira. Ms. Surya, Research Scholar, Zoological Survey of India, WGRC, Kozhikode secured best presentation award in offline presentation and Ms. Abitha, Research Scholar, Zoological Survey of India HQ, Kolkata got best presentation award in online presentation. The three day seminar was concluded on 12<sup>th</sup> March by proposing vote of thanks with concluding remarks by Dr. Amina Poovoli, Faculty,

Department

of

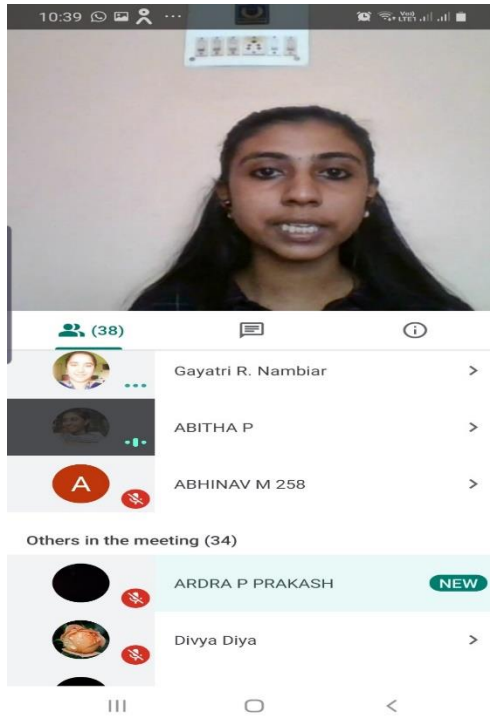

Zoology.

**Paper presentation competition by participants (offline and Online)**

**Surya K S -Winner of Best presentation (offline)**

**Abitha-Winner of Best Presentation (online)**
