1.SNEHA BHAWAN-Home for Homeless

Sir Syed College has launched an impactful social welfare initiative titled "Sneha Bhawan", aimed at providing homes for homeless individuals. This project reflects the college's strong commitment to addressing the pressing issue of homelessness within the community.

The funding for this noble cause is being mobilized through innovative activities led by NSS students. They have taken up various initiatives to raise funds, including:

- Food selling: Preparing and selling food items in local markets and college events.
- Reselling newspapers: Collecting used newspapers and reselling them for recycling purposes.
- Selling reusable materials: Engaging in the collection and sale of other recyclable and reusable items, promoting sustainability along with social responsibility.

These fundraising activities not only support the Sneha Bhawan initiative but also foster a sense of responsibility and community service among the students. The project has garnered significant support from the public, who have contributed generously, recognizing the importance of providing shelter for the homeless

Under the leadership of NSS Units 14 & 15, Sir Syed College, Thaliparamba, the Sneha Bhawan project was initiated on 2nd May 2023, as part of providing home to the homeless in the village area. The event commenced at 9 AM, with NSS Program Officer Syed delivering the welcome address. The program was inaugurated by Mahmood Alam, and the college principal Dr Ismail Olayikkara, presided over the function.

Sneha bhavan (Fund collection)

24/06/2023- 45 volunteer participated for sneha bhavan fund collection

2.Azad Sena (21/05/2023)-War Against Substance Abuse & Bike Rally

On 21st May 2023, at 10 AM, NSS Units 14 & 15 organized a public meeting titled Azad Sena at Sir Syed College, focusing on raising awareness against harmful drugs. Students from the nearer schools were participated.a bike rally conducted karimbam road. The event was inaugurated by Civil Excise Officer Mr. Dhakesh V, who also conducted an awareness class. NSS Program Officers Muhammed Sayeed and Dr Sabitha shankunni were delivered speeches at the event.Total of seventy three people were participated.

3.Zero Waste Campaign

(05/06/2023)

Sir Syed College celebrated World Environment Day with a Zero Waste Campaign on 5th June 2023. The event commenced at 9 AM with a tree-planting ceremony, aiming to raise awareness about environmental conservation and promote sustainable practices within the campus and surrounding community.

The ceremony was presided over by Principal Dr. Ismail Olayikkara, with the inauguration conducted by Manager Adv. Mahamood. As a special part of the event, Dr. Khaleel Chovva planted trees on the college campus, symbolizing the institution's commitment to environmental sustainability. The campaign was further highlighted by the participation of personalities from different political organizations, who actively joined in the tree planting, showing a united front in addressing environmental issues.

During the program, NSS volunteers took an oath for a zero-waste campus, pledging to adopt practices that minimize waste and promote recycling. As part of the initiative, the volunteers, with the support of public members from the surrounding areas, collected 20 kg of plastic waste from both the campus and nearby localities. The waste was responsibly handed over to Harita Karma Sena of the Taliparamba Municipality, ensuring its proper disposal and recycling.

The event emphasized the importance of collective action in combating environmental degradation and the role that educational institutions, along with community members, can play in creating a cleaner, greener future.

4. Swachhata Programme Taliparamba Town

On 5th August 2022, a Swachhata (cleanliness) program was organized at Taliparamba town office. The event was presided over by various officials, including the Kannur University Director of Student Services, and inaugurated by Municipal Chairperson Mrs Murshida Kongai. Volunteers were divided into groups, assigned different zones, and took part in cleaning activities throughout Taliparamba town.

Around 200 NSS volunteers from Sir Syed College, Sir Syed Institute, and K.S. Saib Training College in Thaliparamba carried out cleanup activities. The volunteers from Don Bosco College, Angadikkadavu, performed a flash mob near the bus stand.

Cleanup activities were conducted in various locations including Chiravak, the bus stand, News Corner to Nabras, the market, the Taluk Office premises, Kappalam, the post office premises, Pookkoth Nad, Thrichambaram, and Ezhammile.

The event was inaugurated by the Municipal Chairperson, Murshida Kongayi, and presided over by RDO E.P. Mercy. Other notable attendees included Municipal Vice-Chairman Kallingal Padmanabhan, Standing Committee Chairpersons P.P. Muhammad Nisar and K.P. Khadeeja, Councillors O. Saubhagya, K. Rameshan, E. Kunjiraman, K.M. Latheef, Municipal Secretary K.P. Subair, Tahsildar P. Sajeewan, K.S. Riyas, K.V. Manoharan, Dr. K. Abdul Rahman, and NSS Program Officers. The Director of Kannur University Student Services, Dr. T.P. Nafeesa Baby, delivered the welcome address, and JHI R. Fiyaz gave the vote of thanks.

5. Blood Donation Camp

Full Video available at

<https://youtube.com/shorts/HxcV7-gd-qU>

Organized by: NSS and NCC Units in collaboration with the District Blood Bank, Kannur.

On 25th September 2023, a Blood Donation Camp was organized at Sir Syed College in association with the District Blood Bank, Kannur. The camp witnessed enthusiastic participation from both NSS and NCC volunteers, along with several students who stepped forward to donate blood and contribute to this noble cause.

A total of 125 students expressed their willingness to donate blood during the camp. However, after conducting the necessary medical screenings and health checks, 43 units of blood were successfully collected. The screenings were done to ensure that only those meeting the required health standards were allowed to donate. The collected blood will be used by the District Blood Bank, Kannur, to help meet the increasing demand for blood in hospitals and emergency situations.

6.Sowing Festival (Vithidal Utsavam) Participation By NCC Cadets Along With Farmers

Date: 19th June 2023 Venue: Ezhome, Kappad

On 19th June 2023, the NCC cadets of Sir Syed College actively participated in the 'Vithidal Utsavam' (Sowing Festival) held at Ezhome, Kappad, in collaboration with local farmers. The event was organized with the aim of promoting sustainable agriculture and fostering a sense of environmental stewardship among the younger generation. This activity provided them with a unique opportunity to understand the importance of agriculture, and it strengthened the bond between the college and the farming community. Farmers shared their insights and experience in traditional farming methods, emphasizing the significance of seed sowing for a successful harvest. The cadets were able to interact with the farmers and learn about the challenges faced in agriculture, such as changing weather patterns and soil degradation. The event also highlighted the need for adopting eco-friendly practices in farming.

The participation of the cadets in Vithidal Utsavam was not only an educational experience but also a way to contribute to the preservation of local farming practices. The involvement of youth in such initiatives is vital for ensuring the sustainability of agriculture for future generations. The event concluded with the farmers and cadets sharing a meal, symbolizing the harmony between nature and humanity, and reinforcing the message of working together for a sustainable future.

7. Food distribution to the homeless people of Taliparamba bus stand on World Food Day

Date: 16th October 2022 Venue: Taliparamba

In observance of World Food Day on 16th October 2022, the NCC cadets of Sir Syed College organized a meaningful food distribution initiative for the homeless near Taliparamba. This humanitarian effort was undertaken to highlight the significance of food security and to contribute positively to the community by aiding those in need. The cadets, guided by their officers, prepared and distributed food packets to the homeless individuals residing in the vicinity. This act of kindness was aimed at spreading awareness about the global issue of hunger and poverty, while also extending a helping hand to the less fortunate.

8.Steps- Leadership Camp For Student Volundeers Of Different Colleges Under Kannur University.

Two day leadership training camp was organized at Sir Syed College for the NSS volunteers of various colleges under Kannur University during 28th and 29th of October 2023 in association with NSS of Kannur University. Formal inauguration of the camp was done by Hon. Vice Chancellor of Kannur University Prof. Gopinath Ravindran. Dr. RN Anzer (State NSS Officer), PN Santhosh (Regional Director NSS Kerala-Lakshadweep) and Dr. Nafeesa Baby (DSS Kannur University) felicitated the function. 100 student volunteers from different colleges participated in the camp.

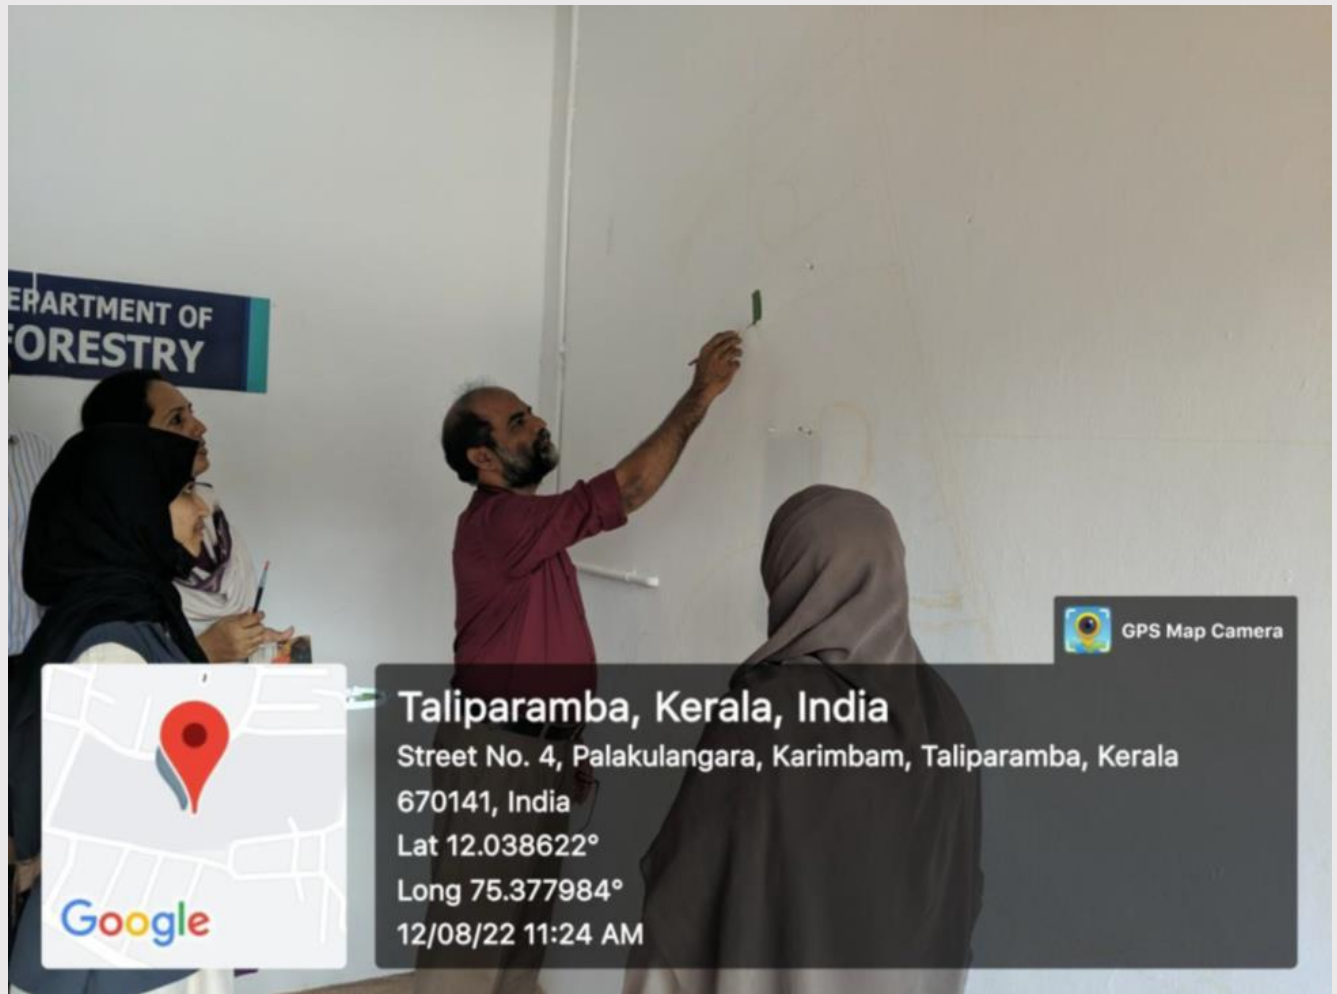

9. Azadi Ka Amrit Mahotsav-Har Gar Tiranga,Rally to Taliparamba,Cleaning Bus stand.

Date: 13th August 2022

Sir Syed College kicked off the Azadi Ka Amrit Mahotsav, a year-long program to commemorate 75 years of India's independence, on 13th August 2022. The celebration was inaugurated by Principal Dr. Ismail Olayikkara, who painted the **Freedom Wall** on campus. The Freedom Wall symbolizes the sacrifices of the nation's freedom fighters and the immense progress made over the years.

In connection with the Azadi Ka Amrit Mahotsav, the NCC units of Sir Syed College organized a rally to Taliparamba. The rally focused on spreading awareness about the significance of India's independence and promoting the values of nationalism and patriotism. The cadets marched through the streets, holding banners and chanting slogans to inspire a sense of unity and love for the country among the public.

Freedom Rally.

10. Har Ghar Tiranga Program

As part of the initiative, the college also organized the **Har Ghar Tiranga program**, distributing the national flag to homes in the neighborhoods surrounding the college. This program was intended to strengthen the bond between the citizens and the nation, encouraging pride in displaying the Tiranga. Photos were taken of participants with the national flag, capturing their enthusiasm and patriotic spirit.

Flag distribution at neighborhood houses

11. Cleaning Bus Shelter.

NCC cadets also took up a cleanliness drive, cleaning the bus waiting shelter in front of the Government Taluk Hospital. This act of public service reflected the college's dedication to contributing to a cleaner environment and promoting cleanliness as a part of national responsibility.

Cleaning of the bus waiting shelter

12. Blood Donation Drive at Sir Syed College

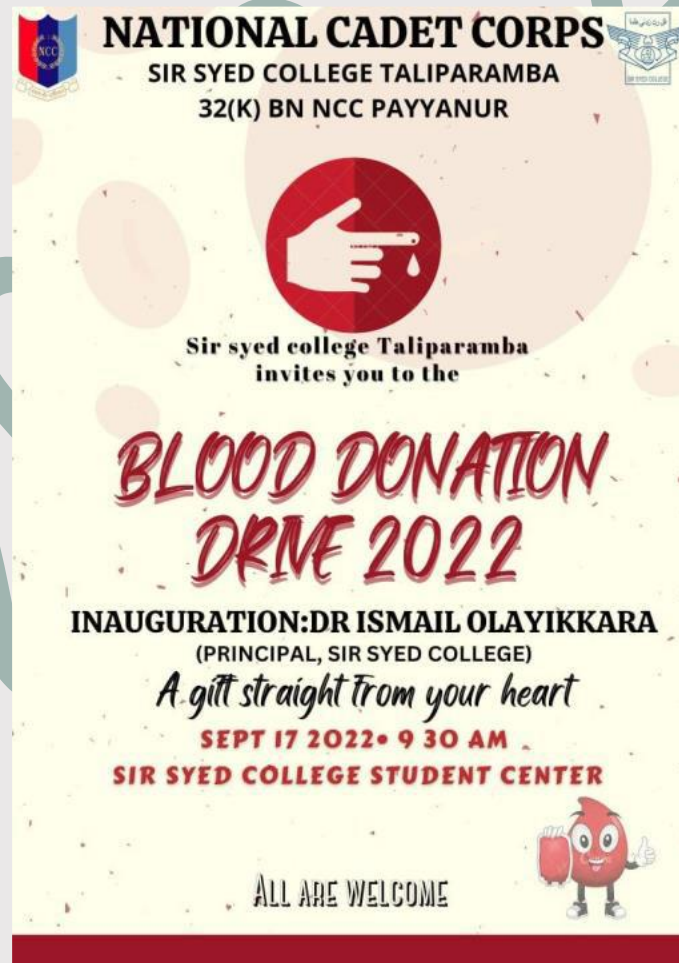

Date: 17th September 2022

Venue: Sir Syed College, Taliparamba.

On 17th September 2022, Sir Syed College organized a Blood Donation Drive in collaboration with the Blood Bank of the District Hospital, Kannur. The event was inaugurated by Principal Dr. Ismail Olayikkara, who encouraged students and staff to actively participate in this life-saving initiative.

The blood donation camp aimed to contribute to the local blood bank's reserves and address the pressing need for blood in medical emergencies. A total of 30 NCC cadets, along with 1 ANO (Associate NCC Officer) and 1 PI (Permanent Instructor) Staff, came forward to donate blood. The contribution of these volunteers exemplified their commitment to public service and their willingness to make a difference in the community.

The program was organized smoothly, with medical professionals from the District Hospital supervising the blood collection process and ensuring that all safety protocols were followed.

13. Cleaning Gandhi statues in different public localities. International Day of Non-Violence Celebration and Spreading the Principles of Mahatma Gandhi.

Date: 2nd October 2022

Occasion: International Day of Non-Violence and Birth Anniversary of Mahatma Gandhi

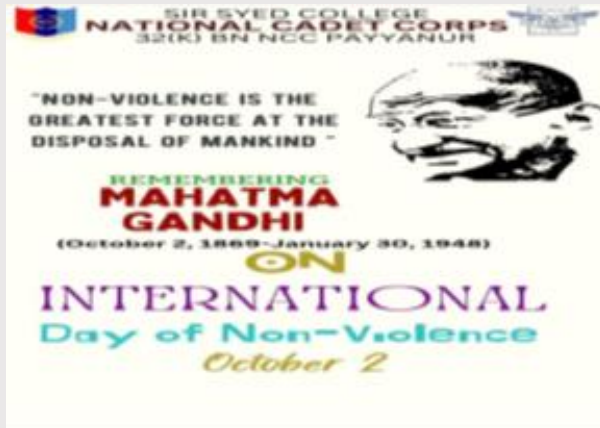

Venue: Public localities in and around Taliparamba

On 2nd October, Sir Syed College observed the International Day of Non-Violence, which also commemorates the birth anniversary of Mahatma Gandhi, by organizing various activities in public spaces. The day's program focused on promoting Gandhi's principles of non-violence and cleanliness, paying tribute to his legacy of peace and service to the community.

The event was marked by the cleaning of Gandhi statues in different public localities, a symbolic gesture of honoring the father of the nation. The initiative was carried out with the active participation of NCC cadets, police officials, and NCC officers, who joined hands in ensuring the cleanliness and upkeep of these memorials. The program emphasized the values that Mahatma Gandhi stood for, including peace, unity, and

community service. Through the cleaning drive, the college also promoted environmental cleanliness and public responsibility, echoing Gandhi's belief in the importance of a clean and sustainable society.

The celebration of the International Day of Non-Violence by Sir Syed College was a meaningful event, bringing together students, law enforcement, and the local community to honor Mahatma Gandhi's ideals.

14- Ek Bharat Shreshtha Bharat National Camp

Duration: 24th December 2022 to 2nd January 2023

Venue: Sir Syed College, Taliparamba

The Ek Bharat Shreshtha Bharat Camp was held from 24th December 2022 to 2nd January 2023, bringing together 600 cadets from various regions to promote national integration and cultural exchange. The camp aimed to foster unity in diversity and celebrate the rich cultural heritage of India.

The camp was inaugurated by Vice Chancellor Prof. Gopinath Ravindran on 25th December 2022, setting a positive tone for the activities planned over the course of the event. The participation included 150 cadets from Madhya Pradesh and Chhattisgarh Directorate and 450 cadets from Kerala and Lakshadweep Directorate.

A notable visitor, Gp Comdr Brig. E. Govind, visited the camp on 28th December 2022, showing support for the cadets and the initiative. Additionally, the camp received a visit from ADG Maj. Gen. Alok Beri on 31st December 2022, further emphasizing the importance of this event.

The camp featured a wide range of programs designed to enhance skills, promote awareness, and celebrate cultural diversity, including:

- Class on Basic Life Skills: Equipping cadets with essential life skills.
- National Integration Awareness Programme (NIAP): Promoting the values of unity and understanding among diverse cultures.
- Cultural Programmes: Showcasing the cultural richness of Kerala, Chhattisgarh, and Madhya Pradesh through performances and presentations.
- Debate and Quiz Competitions: Encouraging critical thinking and teamwork among cadets.
- Sports Competitions: Fostering camaraderie and physical fitness.
- Yoga Sessions: Promoting mental and physical well-being through yoga practices.
- Excursions: Visits to Bekal Fort, Payyambalam Beach, and Parassinikadavu, allowing cadets to explore local heritage and natural beauty.

The Ek Bharat Shreshtha Bharat Camp was a significant initiative that successfully brought together cadets from different states to promote national integration, cultural exchange, and personal development. The diverse range of activities fostered camaraderie, enriched knowledge, and celebrated India's unity in diversity, reinforcing the spirit of Ek Bharat Shreshtha Bharat.

15.Mangroove Restoration Programme at Kavvayi riverside on International Biodiversity Day Celebration by Bhumitasena club.

In connection with the International Biodiversity Day Celebration Dr. Sreeja P, Assistant Professor of Botany, Sir Syed College conducted an awareness class on mangrove restoration at Kavvayi lake, Kannur District on 22nd May 2023. The programme was inaugurated by Mrs. KV Lalitha, Chaiperson, Payyannur Municipality. Bhumitasena club members participated in the function. As the part of this programme mangroves were planted on river side of kavvayi with the involment of public adminatrimation and common people.

16. Inter battalion badminton championship NCC units of different college -NCC/32 battalion Payyannur

Date :Oct 23-24, 2022

Venue :Indoor Stadium ,Sir Syed College.

On August 23-24, 2022, Sir Syed College proudly hosted the Inter Battalion Badminton Championship, a significant extension activity aimed at promoting physical health and fitness among NCC cadets. The championship, designed to encourage sportsmanship and physical well-being, saw an enthusiastic participation of 56 cadets from 9 different battalions. The competition categories included Singles SD (Senior Division), Singles SW (Senior Wing), Doubles SD, and Doubles SW, offering a platform for cadets to showcase their skills and athleticism.

The event was graced by Mrs. M Hemalatha IPS, Commandant of the KAP IV Battalion, who served as the chief guest. In her inaugural address, she emphasized the importance of physical fitness, especially in cadet training, and the crucial role it plays in building discipline, stamina, and overall well-being. She applauded Sir Syed College for its continuous efforts in organizing such activities that contribute to the physical and mental health of students.

Other notable attendees included Col Sajeevan C, Commanding Officer, Lt. Col Jerin Martin, Administrative Officer of 32 (K) NCC Battalion, Payyanur, and Adv. Mahmood P, Manager of Sir Syed College, alongside ANOs Lt. Linu MK and Lt. Baby Shijansha KP.

The championship not only provided a competitive platform for cadets but also underscored the importance of integrating sports and physical activities into everyday routines to ensure a healthy lifestyle. The event highlighted how physical fitness contributes to the development of leadership qualities, teamwork, and endurance, essential traits for cadets and students alike

1. River Cleaning and Garden Making Activity as Part of NSS Seven-Day Residential Camp

Date: 26th December 2021

Venue: Government UP School, Payam

As part of the seven-day residential camp held at Government UP School, Payam, the NSS students of Sir Syed College actively participated in two key community service activities on 26th December 2021— River Cleaning and Garden Making. These initiatives were aimed at promoting environmental conservation, cleanliness, and sustainability in the local area.

River Cleaning Activity

The first major task of the day involved cleaning the banks of a nearby river. The students took it upon themselves to remove plastic waste and non-degradable materials that had accumulated on the riverbanks. The team worked diligently, collecting and segregating the waste, ensuring that the riverbank was restored to its natural beauty.

Garden Making Activity

After the river cleaning, the students redirected their efforts toward garden making at the Government UP School, Payam. The waste collected from the river, particularly biodegradable materials, was repurposed and used to enhance the garden. The initiative not only beautified the school premises but also served as a practical example of recycling and sustainable waste management.

The removal of non-degradable waste from the river contributed to cleaner water and a healthier environment for the local community, while the creation of a garden at the school provided an aesthetically pleasing and eco-friendly space for students and teachers to enjoy.

2. "SPARSHAM" Anti-Drug Campaign

Dates: 27th December 2021

Venues: Aralam Junction, Government UP School Payam, Tribal Colony

As part of its commitment to creating a drug-free society, the NSS unit of Sir Syed College conducted the "SPARSHAM" Anti-Drug Campaign on 27th and 28th December 2021. The campaign aimed to raise awareness about the dangers of drug abuse and encourage communities, particularly in vulnerable areas, to stay away from drugs. Several activities were carried out across different locations, engaging the public and spreading a powerful message of drug prevention.

1. Flash Mob at Aralam Junction – 27th December 2021, 10:00 AM

The campaign started with a flash mob at Aralam Junction. The energetic performance captured the attention of the public, delivering an impactful message about the consequences of drug abuse. Through dance and symbolic gestures, the flash mob highlighted the destructive effects drugs can have on individuals and communities, urging the public to stay drug-free.

Flash mob at Aralam Junction,
Date 27/12/2021, Time 10.00 am

3. Anti-Drug Pledge Taking – 27th December 2021, 10:15 AM

Immediately following the flash mob, participants took an Anti-Drug Pledge at Aralam Junction. This collective pledge was a declaration of commitment by students, NSS volunteers, and community members to stay away from drugs and work towards a drug-free society. The pledge-taking ceremony was a powerful moment of unity, reinforcing the campaign’s mission to eradicate drug abuse.

Anti drug Pledge taking, Aralam

Date 27/12/2021

4. "Vimukthi Jwala" at Government UP School, Payam – 27th December 2021, 10:00 PM

As part of the evening activities, the NSS students organized an event titled “Vimukthi Jwala” at the Government UP School, Payam. This initiative focused on educating the youth about the dangers of drug use. Various interactive sessions were held, and informative talks were given by experts, emphasizing the importance of making healthy life choices and avoiding drug-related temptations.

Date 27/12/2021, Time 10.00 PM

5. Anti-Drug Awareness Campaign at Tribal Colony – 28th December 2021

The second day of the campaign focused on reaching the tribal colony. The NSS team conducted an Anti-Drug Awareness Program aimed at educating the local tribal community about the harmful effects of drugs and the importance of staying drug-free. The team engaged with community members, especially the youth, sharing information and stories that highlighted the physical, mental, and social consequences of drug abuse.

Anti drug awareness conducted at tribal colony

Date 28/12/2021

6. Tribal Colony Visit by NSS Volunteers- Socio-Economic Survey, Class on Hygienic Practices, Cultural activities.

Date: 28th December 2021

Venue: Tribal Colony, Aralam

As part of the NSS extension activities, the NSS volunteers of Sir Syed College visited the Tribal Colony in Aralam on 28th December 2021. The visit was aimed at understanding the socio-economic conditions of the tribal community, promoting hygiene practices, and raising awareness about the dangers of drug use. Additionally, the event featured a vibrant cultural program performed by the tribal community, fostering mutual understanding and cultural exchange.

1. Socio-Economic Survey

During the visit, the NSS volunteers conducted a socio-economic survey to gather insights into the living conditions, income levels, and educational status of the tribal families. The survey aimed to identify key challenges faced by the community and areas where support could be extended. This initiative helped the volunteers understand the struggles and needs of the community, providing a foundation for future social interventions and assistance.

2. Class on Hygienic Practices

Following the survey, the volunteers conducted a class on hygienic practices. The session focused on educating the tribal residents about essential hygiene habits such as regular handwashing, proper waste disposal, and maintaining clean living environments to prevent diseases.

3. Cultural Program by Tribal Community

To conclude the visit, the tribal community performed a cultural program, showcasing their rich heritage and traditional art forms. The performances included folk songs, dances, and storytelling, offering the NSS volunteers and visitors an opportunity to experience the unique cultural expressions of the tribal community. This cultural exchange helped foster a sense of unity and respect between the volunteers and the tribal residents.

The socio-economic survey provided valuable insights into the needs of the community, while the sessions on hygiene and drug awareness helped to address critical issues. The visit also allowed for a cultural exchange, strengthening the bond between the volunteers and the tribal community. Overall, the activity was a success, contributing to the welfare and empowerment of the tribal residents.

7. A Freedom Run was organized as part of the Azadi Ka Amrut Mahotsav

18 Aug 2021.

Date: 18th August 2021

Venue: Sir Syed College, Taliparamba to Karimbam

As an extension activity under the Azadi Ka Amrut Mahotsav, Sir Syed College organized a Freedom Run on 18th August 2021. This event was aimed at celebrating India's rich history of struggle for independence while promoting physical fitness and fostering a sense of patriotism among students.

The Freedom Run was officially flagged off by the Principal of Sir Syed College, who highlighted the importance of commemorating India's freedom movement

2021-22

8. Gandhi Jayanti Celebrations- fill potholes on the road,Planting trees etc.

Date: 2nd October 2021

Venue: Sir Syed College, Taliparamba Surrounding villages.

The Gandhi Jayanti celebrations at Sir Syed College took place on 2nd October 2021, commemorating the birth anniversary of Mahatma Gandhi. The event focused on promoting the principles of non-violence and social responsibility that Gandhi stood for.

The celebrations were inaugurated by Dr. Mahesh, who initiated the event by planting a sapling on campus. This act symbolized the importance of environmental stewardship and aligned with Gandhi's vision of living harmoniously with nature. Following Dr. Mahesh's lead, ANOs, PI Staff, and cadets actively participated in the sapling plantation drive, collectively contributing to the college's green initiatives.

In addition to the plantation activity, the cadets demonstrated their commitment to social responsibility by engaging in community service. They took the initiative to fill potholes on the road in front of the college, addressing a local infrastructure issue and showcasing their dedication to improving the community's living conditions. This effort not only improved the road's safety but also reflected the cadets' sense of civic duty and their willingness to contribute positively to society.

9. Annual Training Camp at Sir Syed College for cadets of different colleges.

Date: 19th - 25th November 2021

Venue: Sir Syed College, Taliparamba

The Annual Training Camp for cadets from Sir Syed College, Cooperative Arts College, and Payyanur College was successfully held at Sir Syed College from 19th to 25th November 2021. The camp aimed to enhance the cadets' military skills and instill discipline and teamwork through rigorous training and various competitions.

The camp was commanded by Col. Y Vijaya Kumar, with Lt. Col. Jerin Martin serving as the Deputy Commander. A total of 250 cadets from the participating colleges took part in the camp, showcasing high levels of enthusiasm and commitment.

Training Highlights

The cadets underwent intensive training in several areas:

- Firing: Cadets received hands-on training in weapon handling and firing techniques, improving their accuracy and safety awareness.
- Drill: Cadets were drilled in precision marching and parade techniques, enhancing their discipline and coordination.
- Map Reading: Cadets learned essential navigation skills through map reading exercises, preparing them for fieldwork and military operations.

Weapon Training: Comprehensive weapon training was provided, focusing on the proper handling, maintenance, and use of various military weapons.

Cultural and Drill Competitions

In addition to the training sessions, the camp also featured a variety of cultural and drill competitions. These events allowed cadets to demonstrate their talents and team spirit while also fostering camaraderie among participants from different institutions.

Awards and Recognition

The Sir Syed College SW Contingent was adjudged as the Best Contingent, earning praise for their exemplary performance in both training and competitions. Their disciplined approach and outstanding teamwork set them apart as leaders during the camp.

The Annual Training Camp held at Sir Syed College was a resounding success, providing cadets with valuable skills in military training and personal development. Under the guidance of Col. Y Vijaya Kumar and Lt. Col. Jerin Martin, the cadets emerged from the camp more disciplined, skilled, and ready to take on future challenges. The recognition of Sir Syed College as the Best Contingent was a testament to the hard work and dedication of its cadets, further elevating the institution's standing in the NCC community.

10. Armed Forces Flag Day and Fund Collection Drive for families of martyred soldiers.

Date: 7th December 2021

Venue: Sir Syed College, Taliparamba

NCC cadets of Sir Syed College actively participated in the Armed Forces Flag Day initiative on 7th December 2021. The objective of this event was to honor the sacrifices made by the soldiers who laid down their lives for the nation and to extend support to their families.

On Armed Forces Flag Day, the cadets carried out a fundraising campaign within the college and the surrounding community. The funds collected during the day were specifically intended to help the families of martyred soldiers, veterans, and serving armed forces personnel in need.

The cadets visited various locations around the college to encourage students, staff, and members of the public to contribute to the cause. Through their efforts, they not only raised money but also spread awareness about the significance of Armed Forces Flag Day and the need to support the defense forces and their families.

The funds collected were handed over to the appropriate authorities to ensure they reached the families of soldiers who have made the ultimate sacrifice.

The event served as a reminder of the significance of supporting the armed forces and their families, and the cadets' participation was a testament to their sense of duty and patriotism.

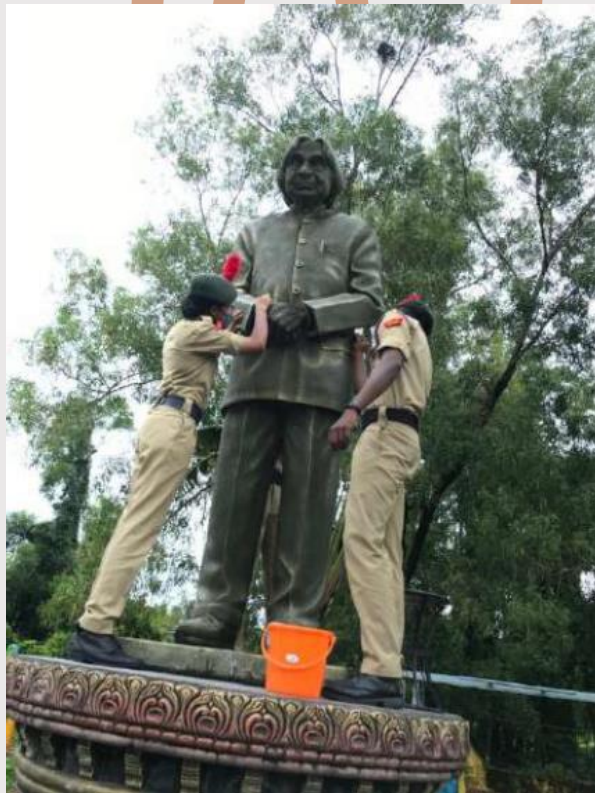

11. Statue Cleaning Activity – Dr. APJ Abdul Kalam Statue

Date: 29th January 2022

Venue -Childrens park payyannur

As part of the activities aimed at fostering community service and respect for national figures, the NCC cadets of Sir Syed College undertook the cleaning of the statue of Dr. APJ Abdul Kalam on 29th January 2022. The activity was a tribute to the late Dr. Kalam, an esteemed former President of India, renowned scientist, and a beloved role model for the youth.

The event also promoted the values of cleanliness, respect for public property, and civic responsibility, which are central to the ethos of NCC. The statue cleaning activity was a meaningful event that underscored the NCC cadets' dedication to community service and their commitment to preserving the legacy of Dr. APJ Abdul Kalam. By engaging in such initiatives, the cadets not only contribute to the upkeep of important landmarks but also inspire others to actively participate in maintaining public spaces. This act of respect and responsibility served as a fitting tribute to the "People's President" and reinforced the values that Dr. Kalam stood for—Their visible presence while cleaning the statue also attracted the attention of passersby, spreading awareness about the importance of maintaining cleanliness and honoring national heroes.

12. Locks of Love – Hair Donation Activity by NCC

Date: 24th December 2021

Venue: Sir Syed College, Taliparamba

As part of their community service initiatives, NCC cadets CQMS Anjali K and L/Cpl Jothika Vijay from Sir Syed College took part in the Locks of Love hair donation drive, contributing their hair to cancer patients in need of wigs. The event was conducted to support individuals undergoing chemotherapy and suffering from hair loss, providing them with wigs to help restore their confidence and dignity.

14.Thirty-Day Free PSC Examination Coaching Program

January 5, 2022,

The Career Guidance Cell of Sir Syed College, in association with the Kannur University Employment Information and Guidance Bureau, organized a thirty-day free coaching program for Public Service Commission (PSC) examination aspirants. The program commenced on January 5, 2022, with an inaugural function that marked the beginning of this significant initiative.

Mr. Vijin M, MLA, was the chief guest and officially inaugurated the event. In his inaugural address, he emphasized the importance of such training programs in empowering young people and helping them prepare effectively for competitive exams like the PSC. He appreciated the joint efforts of Sir Syed College and Kannur University in offering this free coaching to the public, noting that it would benefit those who might otherwise face financial constraints in accessing quality coaching.

The coaching program is designed to provide comprehensive guidance for PSC aspirants, covering various topics essential for the examination. Experienced faculty and subject experts will lead the sessions, offering in-depth knowledge and exam preparation techniques.

The event was attended by college faculty, students, and local community members, who expressed their gratitude for the initiative. The Career Guidance Cell highlighted their commitment to supporting students and the general public by offering educational and career-related opportunities.

This coaching program is expected to equip the participants with the skills and knowledge necessary to excel in PSC exams, ultimately contributing to their career growth and future success.

15.Public Service Commission Examination Registration Facility by Career Guidance Cell

06-12-2021 to 26-12-2021

The Career Guidance Cell of Sir Syed College recently initiated a registration facility for students aspiring to take the Public Service Commission examination. This initiative aimed to assist students in navigating the registration process and ensure they have the opportunity to participate in this crucial examination.

The registration facility was designed to provide comprehensive support, including guidance on eligibility criteria, required documents, and the application process. The Career Guidance Cell organized information sessions to educate students about the significance of the Public Service Commission examination and its role in securing government jobs.

1.Mask Production and Distribution by NSS Volunteers During COVID-19

During the challenging times of the COVID-19 pandemic, the NSS unit of Sir Syed College undertook a vital community service initiative aimed at combating the spread of the virus by organizing the production and distribution of face masks. This effort was carried out by students who contributed by making masks from their homes and distributing them to those in need.

Mask Production by NSS Students

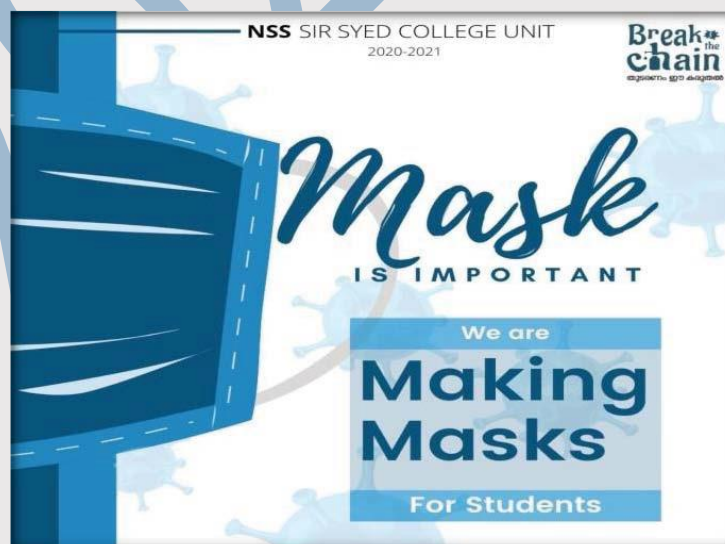

In response to the urgent demand for masks, NSS volunteers were mobilized to produce masks from the safety of their homes. Students used available resources to create handmade cloth masks, ensuring they met safety standards. The initiative empowered students to contribute actively towards pandemic relief efforts, even while following the necessary restrictions.

Distribution of Masks

The masks produced by the students were distributed to their neighbors and needy people within their local communities. The distribution was carried out following strict safety protocols to ensure the well-being of both the volunteers and recipients. This initiative helped provide much-needed protection to individuals, particularly those who could not afford or access masks during the critical phases of the pandemic.

In addition to local distribution, around 500 masks were donated to the NSS Cell of Kannur University. These masks were further distributed to students across the region, ensuring broader coverage and supporting the health and safety of the university community.

The mask production and distribution initiative carried out by the NSS unit of Sir Syed College not only addressed the immediate need for protective masks during the pandemic but also demonstrated the college's commitment to serving society in times of crisis. The students' effort in producing and distributing masks contributed significantly to the safety of their communities and helped prevent the spread of COVID-19.

Programme officer DR Mohanan VTV stitching mask from home .

The NSS Programme Officers, Dr. Mohanan VTV and Mumthas TMV, handed over 500 masks to the NSS Cell of Kannur University. The masks were received by the Registrar, EVP Muhammed.

2. MASK DONATION-by NCC

Cadets made 250 masks to fight COVID-19 and handed them over to College Principal & ANO Lt Dr Muhamed Asraf on 19 June 2020.

College PTA president and Secretary were also present.

3. NSS Volunteers' Service as COVID Volunteers.

Volunteers from the NSS unit of Sir Syed College served as COVID volunteers in hospitals and government offices during the pandemic. They provided crucial support to healthcare professionals by assisting with administrative tasks, managing patient flow, and offering comfort to those affected by the virus. Additionally, in government offices, the volunteers helped facilitate the implementation of COVID-19 protocols and provided information to the public. Their dedication and commitment to community service exemplified the vital role of youth in supporting society during challenging times.

4. Vidyasarathi Project- Enhancing the academic performance of school students

June 2020

The "Vidyaasarathi" program is an educational initiative launched at Cheruthazham Higher Secondary School aimed at enhancing the academic performance of school students, particularly in humanities subjects. This program was started as a collaborative effort between the school and the NSS unit of Sir Syed College. The primary objective is to provide study support and guidance to students who need additional academic assistance, thereby improving their overall learning experience.

The primary goals of the Vidyaasarathi program are:

- To provide targeted study assistance in humanities subjects such as history, geography, political science, and other related fields.
- To strengthen the foundation of students in these subjects and boost their performance in school exams.
- To promote peer-to-peer learning by involving NSS volunteers who act as mentors and tutors to the students.
- To eventually extend this initiative to other nearby schools in the region, broadening its impact.

5 .M-POWER – Comforting Touch-counselling programme to students and public during covid

Started-June 2020

In response to the challenges posed by the COVID-19 pandemic, the Sir Syed College Counseling Centre launched the M-Power: Comforting Touch project. This initiative aims to provide emotional and financial support to students and public struggling . The programme is available not only to students of Sir Syed College but also to students from other institutions and the general public.

The primary goal of the M-Power project is to:

Offer mental health support to students and individuals affected by the pandemic. Provide financial counseling and guidance to those experiencing economic hardships. Ensure that students continue their education with emotional resilience and practical support during the pandemic.

6.Sneehaveedu -Home For Homeless

Snehaveed Home for Homeless Program by NSS/NCC/ALUMNI Sir Syed College-Constructed 6 homes.

The Snehaveed home for homeless program, an initiative by the NSS unit of Sir Syed College, made significant strides in 2020 to support the underprivileged community in Koralayi. In collaboration with the NCC, alumni, and college staff, the NSS team successfully completed the construction of six houses for impoverished families in the area.

This initiative was driven by a commitment to providing shelter and improving the living conditions of those in need. The collective efforts of NSS volunteers, NCC cadets, alumni, and staff showcased the spirit of teamwork and community service, reflecting the college's dedication to social responsibility.

The completion of these houses not only provided a safe and secure environment for the beneficiaries but also instilled a sense of hope and dignity among the families. The Snehaveed program has become a vital part of Sir Syed College's outreach efforts, highlighting the importance of collaboration and compassion in addressing societal challenges.

7. EXIOGO-Online Orientation for higher education aspirants and their parents-by IQAC Sir Syed College

Aug 2-4 , 2020

During the challenging times of the lockdown, the Internal Quality Assurance Cell (IQAC) of Sir Syed College organized an online orientation programme for Plus Two students. The event aimed to provide guidance and support to students and their parents regarding various educational opportunities available during the pandemic.

Recognizing that many students and parents were facing mental stress due to the uncertainties brought about by the lockdown, the program was designed to alleviate concerns and offer direction. The orientation covered a range of topics, including options for higher education, vocational courses, and online learning platforms.

Experts and faculty members shared insights on how students could navigate their academic paths effectively during these unprecedented times. The interactive nature of the session allowed participants to ask questions and seek personalized advice, helping them to make informed decisions about their educational futures.

The online orientation programme was well-received, providing much-needed reassurance and clarity to students and parents alike. It successfully addressed the mental health challenges faced during the lockdown by fostering a sense of community and support. Overall, the initiative highlighted Sir Syed College’s commitment to student welfare and academic excellence, even in difficult circumstances.

8. Distribution of Clothes and Blankets to Shantideepam Differently Aabled School Children(children's day)

On November 14, 2020, Sir Syed College's NSS unit organized a heartfelt event to distribute clothes and blankets to the children of Shantideepam Differently Aabled School. This charitable initiative, held on Children's Day, was aimed at supporting the students by providing them with essential items for their comfort and well-being. NSS volunteers actively participated in the event, along with Dr. T.M.V. Mohanan, NSS Officer of Sir Syed College, who led the program. The team distributed clothes and blankets to the children, ensuring that the students, many of whom face unique challenges, felt warmth and care during the colder months.

The event not only provided material support but also fostered a sense of compassion and social responsibility among the volunteers. Dr. T.M.V. Mohanan addressed the gathering, emphasizing the importance of caring for the differently abled and highlighting the NSS's commitment to community service. He encouraged the volunteers to continue engaging in such initiatives that bring a positive impact to society.

The children and staff of Shantideepam expressed their gratitude to Sir Syed College for their generosity and support. The event concluded with a sense of fulfillment as the volunteers left with the joy of having made a meaningful contribution to the lives of these special children.

This initiative by the NSS unit of Sir Syed College stands as a testament to the college's dedication to social outreach and its commitment to making a difference in the community.

9. Honouring renowned women personalities from different fields in taliparamba-Ladies association of sir syed college.

Date-08-03-2021

March 8, 2021, in celebration of International Women's Day, a special event was organized at Sir Syed College to honor renowned women personalities from various fields in Taliparamba. The event aimed to recognize and appreciate the achievements and contributions of these women to society, setting an example for future generations. A total of 60 participants attended the event, including students, faculty, and distinguished guests. The honored women were from diverse fields such as education, healthcare, social service, business, and arts, all of whom had made significant contributions in their respective areas. The event was a tribute to their hard work, dedication, and impact on the community.

1. NSS Volunteers' Visit to Snehabhavan(Orphanage) Iritty

As Part of the Residential Camp at Don Bosco Public School, Iritty, Introduction: As part of the National Service Scheme (NSS) residential camp held at Don Bosco Public School, Iritty, NSS volunteers of Sir Syed College conducted a visit to Snehabhavan, a shelter home in Iritty. The visit was focused on community service and providing care for the residents of the orphanage. The volunteers undertook various activities during the visit, including cleaning the surroundings, serving food, and distributing clothes to the residents. This visit was in line with NSS's mission of engaging students in social service and fostering a sense of empathy and responsibility towards society. The main objectives of the visit to Snehabhavan were: To extend assistance to the orphanage by cleaning its surroundings and providing a clean, healthy environment for its residents. To serve meals to the residents of the shelter and share quality time with them. To donate clothes to the orphanage, ensuring that the basic needs of the children and residents were met. To instill a sense of social responsibility and service among NSS volunteers, encouraging them to contribute actively to the community.

2.SNEHAVEEDU-home for homeless

It is a great privilege to the Team NSS of Sir Syed College of building houses at Koralayi, an adopted village of Mayyil Panchayath of Kannur District. The cooperation and warm welcome by the authorities and common people made us to build houses at Koralayi. The College management, Principal and the whole teaching and Non-Community had given hands to make this great project. It was a great pleasure for the Volunteers to work there. It has taken only six months to finish the houses after the meeting. The team collected funds from various sources including the college community. The villagers and the social workers helped us to achieve this goal. The Governance of Mayyil Panchayath and Jilla Panchayat had given the whole hearted support to us. We had a committee of both the administrations and college. We have collected funds through coupons and other sources. The whole community of NSS and alumni Team had given all the moral and financial assistance to us. The team NSS on collection process at Taliparamba. It has made the volunteers leadership courage and worship towards the community assistance.

2020

Collection process at Taliparamba Town. Faiha and Anaswara lead the team.

3.VIDYA SARATHI - N S S Units hands to uphold the educational development and Plus Two Result of Humanities

25-10-2019

The innovative program ‘Vidya Sarathi’ started on 26th September at GHSS Cheruthazham Government Higher Secondary School, Cheruthazham, Village. It is situated at Kalliassery Constituency which is 10 kilometres away from the college. Vidya sarathi is the first Pilot Project of an N S S Units hands to uphold the educational development and Plus Two Result of Humanities. The program was inaugurated by Dr. Abdul Azeez P T, Principal, Sir Syed College at the School on 26th September 2019. The Volunteers used to visit the School on all the Saturdays and taken classes to the students of Humanities students of the school.

It was a mentoring class also. They used to be part of the Vidya Sarathi from 9.00 am to 3.30 PM The Program was decided after many serious discussion with the honourable M L A Sri. T V Rajesh and other educationalists. Dr P T Abdul Azeez was the mentor of the program who was the co-ordinator of the well known educational project, Vijayabheri, of Malappuram District earlier. Volunteers were enriched with educational and leadership quality through educational development. The Pilot Project was successfully completed. And, it was a voluntary work and the volunteers have taken classes in Covid days through online sources.

7. Production and Distribution of Sanitiser for the Students and Public by the Chemistry Department to Combat the COVID-19 Pandemic

MARCH 2020

In response to the urgent need for sanitizers during the COVID-19 pandemic, the Chemistry Department of Sir Syed College undertook an initiative to produce and distribute sanitizers that meet international standards. With the rapid spread of the virus and the overwhelming demand for hygiene products, there was a severe shortage of sanitizers in the market. Recognizing this crisis, students and staff from the department stepped forward to fill the gap, producing high-quality sanitizers to support the community's fight against the pandemic

8. Distribution Of Study Gadgets For Needy Students For Online Classes. **JUNE 2020**

In response to the challenges posed by the COVID-19 pandemic, which necessitated the transition to online classes, Sir Syed College recognized the urgent need for essential study gadgets among students. Many students faced difficulties in accessing online education due to a lack of mobile phones and internet connectivity. To address this issue, the Parent-Teacher Association (PTA),(SAFE) teachers Collective, and the management of Sir Syed College collaboratively organized a fundraising campaign to provide mobile phones to needy students, ensuring that they could participate in online classes effectively.

An umbrella preparation workshop was conducted on 22th June2019. Mr. Vishnu Kanhangad was inaugurated. Around hundred umbrellas were prepared by the volunteers and the same has sold to the staff of the college

13.FLOOD RILIEF ACTIVITIES AT ADOPTED VILLAGE- KURUMATHOOR VILAGE-

Food material Distribuation and relief work

Date:22-8-2024

Location -Kurumathoor Panjayath.

Sir Syed College's Adopted Village program conducted relief work in Kurumathur village, providing 3 quintals of rice and vegetables to support the flood-affected area. This initiative demonstrates their commitment to community welfare and disaster relief efforts.

14. Medical Camp and Cleaning Activity in Kurumathur Village Post Flood.

Date:23-8-2019,24-08-29 etc.

Location -Kurumathoor Panjayath.

As part of the Adopted Village programs initiated by Sir Syed College, a comprehensive relief effort was organized in Kurumathur village following the devastating floods. The initiative focused on both immediate and long-term recovery measures to assist the affected residents. The program was designed to address both the healthcare needs and the environmental challenges the village faced due to the floods. Key activities included a medical camp, cleaning of water sources, and health awareness campaigns. The efforts were coordinated by the National Service Scheme (NSS) volunteers, in collaboration with local health officials and active participation from the local community. A medical camp was organized to provide healthcare services to the villagers affected by the flood. Health officials conducted health check-ups for common post-flood conditions such as waterborne diseases, skin infections, and respiratory issues. Free medicines were distributed to the villagers, and those with severe conditions were referred to nearby hospitals. Health education was provided to promote hygiene and precautionary measures against diseases that typically spread after floods.

15. Workshop On The Production Of Organic Cleaning Solution.

15-08-2019

NSS sir syed college organised an workshop on production of organic cleaning solution. these product are selling through college store.

16.Nadeel Utsavam: Seedling Planting Festival

14-07-2019

On 14th July 2019, cadets from Sir Syed College, along with the Associate NCC Officer (ANO), actively participated in “Ezhome Ponkathir 2019 – Nadeel Utsavam”, a seedling planting festival organized at the Ezhome paddy fields. This unique event aimed to promote sustainable agricultural practices and strengthen the bond between the youth and the farming community. During the event, the cadets joined local farmers in planting paddy seedlings in the fields, immersing themselves in the traditional agricultural methods of the region. The collaboration between the cadets and the farmers symbolized the unity between different sections of society working towards a common goal—ensuring food security and promoting eco-friendly farming practices. This hands-on experience not only taught the cadets the significance of agriculture but also instilled in them a deep respect for the hard work and dedication of farmers. The Nadeel Utsavam was an enriching experience that reinforced the importance of preserving traditional farming techniques while encouraging the younger generation to engage in agricultural activities. The event concluded with a renewed sense of appreciation for farming and the critical role it plays in sustaining the community.

17. Plogging Activity as part of Swachhta Pakhwada

14-12-2019

On 14th December 2019, the cadets of Sir Syed College participated in a plogging activity as part of the Swachhta Pakhwada cleanliness campaign. The event focused on combining physical exercise with environmental cleanliness by collecting litter while jogging. The cadets began the plogging activity by cleaning the road in front of the college and the Sir Syed Institute for Technical Studies. Armed with gloves and garbage bags, the participants diligently picked up plastic waste, wrappers, and other litter, ensuring the surroundings were clean and hygienic. The activity not only contributed to the beautification of the area but also raised awareness about the importance of keeping public spaces clean and reducing plastic waste. The cadets' enthusiasm and commitment to the cause inspired the local community to be more conscious about environmental cleanliness.

18. Visit to Deenasevasabha, an orphanage in Pattuvam.

11-07-2019

On 17th November 2019, as part of the Pain and Palliative Care activities, the NSS team from Sir Syed College visited Deenasevasabha, an orphanage in Pattuvam. The visit aimed to offer support and service to the children residing there. During the visit, the NSS volunteers served food to the children, ensuring a nutritious meal for all. In addition to this, the team actively participated in cleaning the surroundings of the orphanage, promoting hygiene and cleanliness. These efforts helped create a healthier environment for the residents. The visit was a rewarding experience, as it not only provided essential care to the children but also strengthened the values of service and empathy among the volunteers. The NSS team left with a deep sense of fulfillment, having made a positive impact on the lives of the children at Deenasevasabha.

19. Bird Watching Camp At Aralam In Association With Forest Department.

On 4-9-2019, the NSS unit of Sir Syed College organized a Bird Watching Camp at Aralam in collaboration with the Forest Department, as part of the National Bird Day celebrations. The camp was aimed at promoting awareness of avian biodiversity and fostering a deeper connection with nature among the participants. The event provided the volunteers with the opportunity to explore the rich birdlife in the Aralam Wildlife Sanctuary. Under the guidance of forest officials and birdwatching experts, participants were able to observe a variety of bird species in their natural habitat. The camp emphasized the importance of bird conservation and highlighted the need for protecting natural ecosystems to preserve avian populations. The experience was educational and immersive, allowing the participants to develop birdwatching skills and gain insights into the role of birds in maintaining ecological balance. Overall, the camp was a successful blend of learning and hands-on experience, reinforcing the NSS commitment to Environment

20. Flash Mob Against Drug Abuse by NCC Sir Syed College

On 13th January 2020, 15 cadets from the NCC unit of Sir Syed College conducted a flash mob at Taliparamba bus stand to raise awareness against drug abuse. The event was organized in collaboration with the Excise Department, as part of a larger initiative to address the growing issue of substance abuse within the community. The program was inaugurated by Sub Collector Ilakya, who emphasized the critical role of youth in combating drug addiction and spreading awareness. The flash mob performance creatively conveyed the harmful effects of drug abuse and encouraged the public to stay away from drugs. The vibrant and energetic performance by the cadets attracted a large crowd at the busy bus stand, effectively delivering the message of the dangers associated with drug abuse. The event was a success in raising public consciousness about the issue and reinforcing the importance of a drug-free society. This initiative showcased the commitment of the NCC unit and Sir Syed College in contributing to social causes and promoting healthier communities.

21 -"Gift a Rose" Traffic Awareness Campaign by NCC Sir Syed College

13-01-2020

As part of Road Safety Week, the NCC unit of Sir Syed College conducted a unique traffic awareness campaign titled "Gift a Rose" on 13th January 2020. The initiative aimed to promote the importance of road safety and encourage responsible driving among the public. During the campaign, cadets stationed

themselves at key locations and handed out roses to individuals who were found violating traffic rules, such as not wearing helmets or seatbelts. Instead of punitive action, the violators were gently reminded of the significance of following road safety measures and were gifted a rose as a token of encouragement to practice safe driving habits. This approach fostered a positive interaction with the public and effectively spread awareness about road safety in a non-confrontational manner. The campaign was well-received, with many violators expressing gratitude for the gentle reminder and pledging to follow traffic rules in the future. The "Gift a Rose" initiative successfully highlighted the need for adherence to traffic regulations and contributed to the broader Road Safety Week mission of reducing accidents and promoting safe driving practices.

22. Palliative Care Day Rally by NSS Sir Syed College

15-01-2020

On 15th January 2020, the NSS unit of Sir Syed College, in collaboration with Taliparamba Municipality, organized a road rally to celebrate Palliative Care Day. The objective of the rally was to raise awareness about the importance of palliative care and the need for compassionate support for individuals with chronic

illnesses. The rally was inaugurated by Taliparamba Municipality Chairman, Mr. Mahmood Allamkulam, who addressed the participants and emphasized the significance of palliative care in enhancing the quality of life for patients. The rally saw active participation from NSS volunteers and community members, who marched through the streets of Taliparamba, carrying banners and placards with messages promoting the need for empathetic care and support for those suffering from terminal or long-term illnesses. The event was a meaningful initiative that not only spread awareness but also highlighted the community's role in providing palliative care. The rally successfully drew attention to the need for continuous care and emotional support for those in need, marking the day with a strong social message.

23. Cancer Awareness Rally and flash Mob- by NSS Sir Syed College

4-02-2020

As part of World Breast Cancer Awareness Month, the NSS unit of Sir Syed College, in collaboration with Malabar Cancer Society, organized a Cancer Awareness Rally and Mob Show at Taliparamba town. The event took place on [insert date], with the aim of raising public awareness about breast cancer prevention and early detection. The rally saw enthusiastic participation from NSS volunteers, who marched through the streets of Taliparamba, carrying banners and placards with messages promoting breast cancer awareness. The rally highlighted the importance of regular screenings, early detection, and leading a healthy lifestyle to reduce the risk of cancer. The event also featured a vibrant mob show, performed by NSS volunteers in a public space, drawing attention to the cause and engaging the local community. Through this creative and impactful performance, the volunteers conveyed important information about breast cancer symptoms, treatment, and the significance of timely medical intervention.

24 .Bike Rally for Road Safety Awareness.

Date :11-01-2020

On January 11, 2020, Sir Syed College, in association with the Taliparamba Traffic Police, organized a Bike Rally to raise awareness about road safety. The rally, aimed at educating the public on the importance of safe driving practices, was conducted from Taliparamba Police Station to Karimbam. A large number of NSS volunteers, college teachers, and police officials actively participated in the event, demonstrating their commitment to promoting responsible road usage. The rally was flagged off from the Taliparamba Police Station by senior police officials, and participants covered a significant distance, engaging the local community at various points along the route. The purpose of the rally was to spread crucial messages on road safety, such as the importance of wearing helmets, obeying traffic rules, avoiding reckless driving, and ensuring the safety of pedestrians. Banners and placards with safety slogans were displayed by the participants throughout the rally, drawing attention from bystanders and motorists alike. Police officials and teachers addressed the gathering at the end of the rally, emphasizing that road accidents are a leading cause of injuries and fatalities and urging everyone to follow traffic regulations strictly. They highlighted how small actions, such as adhering to speed limits and wearing seatbelts, can make a significant difference in preventing accidents. The event was highly successful in spreading awareness about road safety and reinforcing the importance of responsible driving. Sir Syed College, through this initiative, showcased its dedication to social responsibility and public safety, encouraging students and the community to actively participate in making roads safer for everyone.

1. Agricultural Support And Canal Cleaning Activity with farmers.

24-12-2018

Kurumathhor grama panchayath.

As part of their ongoing commitment to community service and environmental sustainability, the NSS volunteers of Sir Syed College recently engaged in a significant activity aimed at supporting local farmers. The initiative involved both the preparation of agricultural land for cultivation and the cleaning of a water canal, a vital resource used by farmers for irrigation purposes. This effort not only helped the farmers but also contributed to the preservation of the local water infrastructure.

2-Mangrove Restoration Program at kurumathoor river.

As part of the National Service Scheme (NSS) activities during their residential camp at Kumathur Government High School, the NSS volunteers of Sir Syed College undertook a significant environmental initiative—the Mangrove Restoration Program. This initiative aimed at enhancing the ecological balance near the Kurumathur River through the plantation of 160 mangrove saplings. The program was inaugurated by Mr. Rasakh, a ward member, and saw the active participation of volunteers, local authorities, and community members. The program emphasized the importance of mangroves in maintaining riverbank stability and promoting biodiversity.

3. Food distribution to the patients and bystanders of taluk hospital karimbam.

On 9th February 2019, a food distribution event was organized at Taluk Hospital, Karimbam, Taliparamba by NSS Sir Syed College. The initiative was aimed at providing free meals to patients and their bystanders at the hospital. The program was successfully led by Mr. Ashwak and Haritha, who, along with their team, coordinated the distribution of food to those in need. The event saw active participation from volunteers who ensured that the meals were distributed smoothly and reached all patients and their families. This act of kindness not only provided nourishment but also brought comfort and relief to the recipients, reflecting the team's commitment to social welfare.

Overall, the event was a meaningful gesture towards supporting the community and helping those facing medical challenges.

Volunteers are serving food. Mr. Ashwak and Haritha lead the team!

Volunteers serving food to bystanders of taluk hospital karimbam.

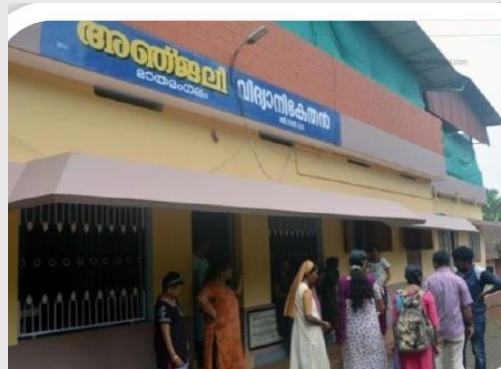

4. NSS Visit to Anjali Old Age Home, Kuttoor

On 8th September 2018, as part of the pain and palliative care activities, NSS volunteers from Sir Syed College visited Anjali, an old age home located in Kuttoor. The primary aim of the visit was to spend quality time with the elderly residents, offering them companionship and emotional support. The NSS team engaged in various activities throughout the day to ensure the elderly felt valued and cared for. Volunteers interacted with the residents, listened to their life stories, and shared moments of laughter,

bringing joy to their otherwise quiet lives. The day also included some light recreational activities aimed at uplifting the spirits of the senior citizens.

This visit was a meaningful initiative, fostering empathy and reinforcing the importance of providing care and attention to the elderly. The NSS volunteers left with a sense of fulfillment and a deeper understanding of the challenges faced by elderly people in old age homes.

The day spent at Anjali was a heartfelt reminder of the importance of human connection, particularly for those in the later stages of life, and underscored the NSS commitment to serving the community with compassion

5. NSS Visit To Ashraya, Home For The Visually Challenged.

As part of the ongoing palliative care activities, NSS volunteers from Sir Syed College visited Ashraya, a home for the visually challenged located in Mathamangalam, on 22nd February. The event was organized to bring care and support to the residents and to create an atmosphere of compassion and solidarity.

The program was graced by two special guests: Mr. Unni Puthur, State Secretary of Blood Donors Kerala, and Mr. Amar, who shared their insights on the importance of community service and the significance of supporting the visually challenged.

The event was led by Programme Officer Dr. Mohanan VTV, with NSS secretaries Ashfak and Haritha guiding the team of volunteers. Throughout the visit, the volunteers interacted with the residents, providing them with emotional support, companionship, and care. The discussions highlighted the importance of continuing such initiatives and expanding the scope of palliative care.

The visit to Ashraya was a heartwarming experience for both the volunteers and the residents, reinforcing the values of empathy and social responsibility. The NSS team left with a renewed commitment to making a positive impact in the community. Visited Ashraya, a home for visually challenged at Mathamangalam on 22nd Mr. Unni Puthur, State Secretary of Blood Donors Kerala and Mr. Amar were the guest of the program.

NSS volunteers interacting with inmates.

6. Palliative Care Activity-NSS Visit To Athani Old Age Home

On 15th June 2019, as part of the Pain and Palliative Care activities, the NSS team from Sir Syed College visited Athani, an old age home. The visit aimed to provide care and emotional support to the elderly residents, spending meaningful time with them to uplift their spirits.

The event was highlighted by a special address from Ms. Shameema Islahi, the Founder Secretary of Athani, who spoke to the gathering. In her address, she emphasized the importance of compassion and the role of youth in supporting the elderly. Her inspiring words motivated the volunteers and reinforced the significance of such initiatives in bridging the generational gap.

Throughout the day, the NSS volunteers interacted with the residents, engaging in conversations, sharing experiences, and participating in light activities. This created a warm and joyful atmosphere for the elderly, making them feel cared for and valued.

The visit to Athani was a success, strengthening the bond between the community and the senior citizens. It highlighted the NSS team's commitment to serving those in need and bringing positive change through empathy and care. The team visited Athani, the Old Age home on 15 June 2019.

Shameema Islahi founder secretary,
addressing the gatherings.

7. Blood Donation Camps And Awareness Programs

Date : 1.10.2018

There is a need for constant contribution for a healthy and reliable blood supply. When a person willingly draws his blood and it is used for transfusion it is known as blood donation. Blood bank often participates in the collection of blood. A blood donation camp was conducted in collaboration with Blood Donors Kerala. Around 100 members have donated blood on 1st Sep2018.

8. Blood Donation Camp with blood donors kerala

22-02-2019

news report in Malayala manoram, 16 2018

12. Workshop on Preparing Organic Paper Pens

Date :15-08-2018

The NSS unit of Sir Syed College organized a workshop on preparing organic paper pens, aimed at promoting sustainable practices and reducing plastic waste. The workshop took place on [insert date] and saw active participation from both college students and school students.

The highlight of the event was a special session on pen-making conducted by Mrs. K. Janaki, Vice President of Kurumathur Panchayath. During her interactive session, Mrs. Janaki demonstrated the process of making eco-friendly paper pens, encouraging the participants to adopt environmentally conscious habits. The workshop provided hands-on experience, with students learning how to craft the pens themselves.

In addition to the learning session, paper pens were distributed among the participants to further spread awareness about the benefits of using organic materials over plastic-based products. The initiative not only emphasized the importance of reducing single-use plastic but also empowered students to contribute to environmental sustainability.

Overall, the workshop was a great success, instilling a sense of responsibility towards the environment and promoting the use of organic, eco-friendly products among the younger generation.

13. Flood Relief at Mananthavadi Wayanad By NCC

Date 27-10-2018

Cadets assisted in the rehabilitation of four families at Neerattadi, Manathavady, who were severely hit by the floods on 27 August 2018. They salvaged household items of the families and helped in preparing and leveling the ground for the construction of new houses.

14- Energy Conservation Awareness Rally By NCC Sir Syed College

Date 17-12-2018

On 17th December 2018, the NCC unit of Sir Syed College organized an Energy Conservation Awareness Rally in collaboration with the Energy Management Centre. The rally, aimed at raising public awareness about the importance of energy conservation, took place in Taliparamba town. The event was inaugurated by Taliparamba Municipality Chairman, Mr. Allamkulam Mahmood, who flagged off the rally. The participants, consisting of NCC cadets and volunteers, marched through the main streets of Taliparamba, carrying placards and banners with messages promoting energy-saving habits and the importance of using sustainable energy sources. The rally attracted significant attention from the public, spreading the message of energy conservation and encouraging people to adopt eco-friendly practices in their daily lives. The event successfully highlighted the need for responsible energy usage and the benefits of reducing the carbon footprint. This awareness initiative showcased the active involvement of the NCC unit in contributing to environmental sustainability and public education, reinforcing their role in community service.

15. VIDYAPOURNAMI-vocational courses for neo-literates

Started on 05-01-2019

Equivalency programmes are organized with view to provide an alternative education that is equivalent to the existing formal system of education, be it related to formal or vocational education. This programme is targeted towards those neo-literates who aspire to continue their education and acquire certificate that would place them equal standing with others who have successfully completed their studies from the formal system of education. This programme is meant for the learners who passed the 4th standard equivalency Course. A workshop has been conducted for Vidyapournami Project (innovative program of NSS in collaboration with Taliparamba Municipality) for 7th standard equivalency examination in Taliparamba Municipality. The survey was conducted for 20 councils of Municipality were done by team NSS. The class was conducted on 5th Jan 2019. Sri. Allamkulam Mahmood, Municipal Chairman inaugurated the program. The Mrs. Yamuna, trained the volunteers. The Primary survey for Vidyapournami was conducted on 12 and 19th of January at various councils of Municipality. Volunteers went in survey of innovative program, Vidyapournami in various councils on 2, 10, 23 & 30th of March 2019.
