

3.2.2: Detailed Report of MoUs & Collaborations

Campus Recruitment Drive'24 **(Molecular Connections Pvt Ltd)**

The Department of Chemistry at Sir Syed College, Taliparamba, in association with Molecular Connections Bangalore, conducted a "Campus Recruitment Drive - 24" for postgraduates in Chemistry and Organic Chemistry on July 16, 2024. The program was aimed at recruiting fresh MSc graduates as Scientific Analysts. The event was inaugurated by Dr. Ismail Olayikkara, Principal of Sir Syed College, with a warm welcome from Dr. Rajeena Pathoor, the program coordinator. Mr. Muhammad Sayeed T, the Head of the Chemistry Department, presided over the function, which saw active participation from faculty members including Dr. Fasal E, Ms. Sarayu Jayadevan, and Ms. Shahabanu P.

Dr. Tajo Abraham, IQAC Coordinator, and Dr. Mumthaz TMV, Placement Cell Convener, felicitated the event. Prasath N from the HR department of Molecular Connections explained the job description and placement process, highlighting the roles and responsibilities of the candidates. The program saw enthusiastic participation from the students, who were eager to understand the opportunities awaiting them in the scientific research field. Nearly 123 candidates were registered via google form and approximately 90 candidates attended the online section.

The attendees included both faculty and students, who interacted with the company representatives to gain insights into the selection process. Following the introductory sessions, the information gathered from the applicants via a Google form was handed over to the company. Molecular Connections will now conduct interviews to select the most appropriate candidates.

The event concluded with a vote of thanks by Ms. Sarayu Jayadevan, Assistant Professor in the Chemistry Department. The recruitment drive was successful in bridging the gap between academia and industry, providing students with valuable opportunities to advance their careers.

The collaborative effort by the department and the company ensured a well-organized and informative event. The positive feedback from both students and faculty highlighted the success of the program, which set a benchmark for future recruitment drives.

DST-FIST FUNDED DEPT OF PG & RESEARCH STUDIES IN CHEMISTRY SIR SYED COLLEGE TALIPARAMBA

IN ASSOCIATION WITH **molecular connections BANGALORE**

Presents **"Campus Recruitment Drive -24"**

Designation: SCIENTIFIC ANALYST

Qualification: MSc Chemistry / Organic Chemistry - 2024 /2023

Experience: Freshers

Job Profile: Primarily involve screening & analyzing the research work published in Life sciences and contribute to building the scientific databases.

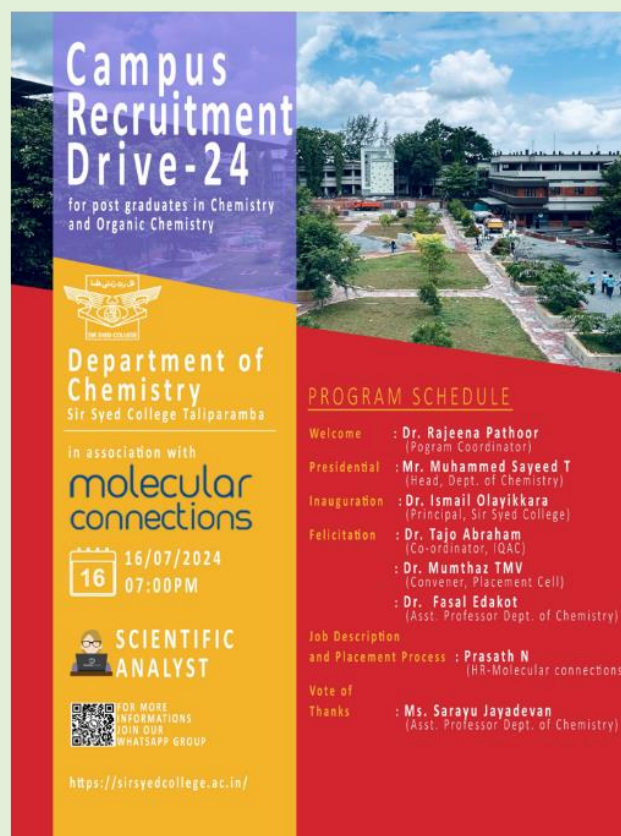

DATE: 16-07-2024
