## 1. Fund Collection Drive - 02-12-2023

A fund collection drive was organized to support Midhun Raj, a BA Economics student, for his kidney transplantation. The drive saw the active participation of 40 volunteers showcasing the solidarity and compassion of the student community.

The volunteers collaborated in a mass fund collection effort, mobilizing resources and raising awareness about Midhun Raj's medical needs. They actively participated in collecting funds from various locations, including the Taliparamba bus stand and different nearby areas, using vehicles to cover a broader range and maximize outreach.

The campaign was marked by the enthusiastic involvement of the volunteers who approached the local community with dedication and commitment. Their efforts were instrumental in garnering financial support for Midhun Raj, reflecting the collective spirit of empathy and care within the college and the surrounding areas.

The success of this fund collection drive not only provided crucial financial assistance for Midhun Raj's kidney transplantation but also highlighted the power of community action in addressing urgent medical needs. The event stands as a testament to the unity and benevolence of the students and volunteers involved.

## 2. Participation in Nava Kerala Shuchitwa Mission - 29-11-2023

On 29-11-2023, NSS Unit 14 participated in the Nava Kerala Shuchitwa Mission in association with the Kannur District Shuchitwa Mission. The event aimed at promoting cleanliness and hygiene on the college campus and raising awareness about the importance of a clean environment. Programme was inaugurated by M Krishnam president of Taliparamba Block Panjayath and presided over by Principal Dr Ismayil Olayikkara.

The volunteers actively engaged in cleaning the campus, removing litter, and ensuring that the surroundings were spotless. This hands-on activity not only improved the physical environment of the college but also instilled a sense of responsibility and environmental stewardship among the students.

To further enhance the impact of the event, the volunteers organized a flash mob. This dynamic performance was designed to capture the attention of the campus community and convey crucial messages about cleanliness and sustainability in an engaging and memorable way. The flash mob successfully drew attention and sparked conversations about the significance of maintaining a clean environment.

## 5. Anti-Drug Campaign Programme - 27-12-2023

Sir Syed NSS Unit 14 organized an anti-drug awareness programme on 27-12-2023. It is a commendable initiative by the NSS Unit 14 of Sir Syed College. Organizing an anti-drug awareness program shows a proactive approach towards addressing a pressing societal issue. Involving NSS volunteers, alumni, and members of the community demonstrates a collaborative effort to spread awareness and combat drug abuse.

Famous social worker Rafi Sir shared insights into the current scenario of drug abuse, and having individuals like Noushad and Shafal provide classes adds depth to the educational aspect of the program. Taking an oath in the presence of a lit torch symbolizes a commitment to fighting against drug abuse and promoting a drug-free society. Such events play a crucial

role in educating people and fostering a sense of responsibility towards the well-being of society.

#### 6. SEVEN DAYS RESIDENTIAL CAMP AT KOTTAKKANAM AUP SCHOOL KOOVERI-

The inauguration of the seven-day camp of the National Service Scheme (NSS) Unit 14 of Sir Syed College took place at A.U.P School, Kottakunnu. The event was inaugurated by Dr. Nafeesa Baby, the Dean of Student Services at Kannur University. The school's Headmistress, T. Hemalatha, welcomed the gathering. The 13th Ward Member of Chappurappadavu Panchayat, Mr. Raghavan, and NSS Programme Officer Bushra N. shared their thoughts. During the camp, students engaged in various social activities such as garden construction, riverbank cleaning, and a cleaning drive at Chappurappadavu Community Hall, inaugurated by Mr. Arun. They also cleaned the school premises. These activities aimed to change the students' attitudes towards the environment and society, reminding them of their duties to the community.

Throughout the seven-day camp, various sessions were organized, conducted by eminent personalities and trainers. Rameeshan Chural, a professor and trainer from BLM College of Applied Science, organized a session titled 'Samadarsanam'. Manoj K.V., a motivational speaker and life skills trainer, led a session on 'Susthira Jeevitham' (Sustainable Life). T.P. Shafeek, another motivational speaker, also conducted a class.

The closing ceremony of the seven-day camp was officiated by Ward Member Mr. Raghavan. The event was attended by the school's Headmistress, the PTA Secretary, and the NSS Programme Officer. Volunteers shared their feedback, and the camp concluded successfully.

## 6. Sneharāmam

In collaboration with Taliparamba Municipality, NSS Unit 14 of Sir Syed College initiated the creation of 'Sneharāmam' near the Karimpanam Government Taluk Hospital. This initiative is part of a statewide program aimed at transforming waste-dumped and abandoned public spaces into beautiful gardens or recreational areas. The project began with discussions with a local entrepreneur to identify a suitable location that was previously marred by plastic and other pollutants. NSS volunteers worked diligently to clean up and clear the area.

As part of the transformation efforts, waste tires were collected, painted, and repurposed as flower pots. Additionally, chili peppers were cultivated, adding to the aesthetic appeal of Sneharāmam. The inauguration ceremony was graced by Municipal Standing Council Member Shrimati Shabitha and Sir Syed College Principal Dr. Ismail Olikkara, marking the official handover of Sneharāmam to the municipality.
