Walk with a Scholar (WWS) is a new initiative in Higher education which proposes to arrange specialized mentoring programme for students in Under Graduate Programs in Arts, Science and Commerce and to provide guidance for their future. This scheme introduces the idea of mentoring and builds on the concept of mentor as a 'Guide' and 'Friend'. The scheme aims at giving necessary orientation to needy students, to prepare them for employment and give them necessary guidance, motivation and necessary mental support to identify appropriate areas for higher study as well as employment. The mentoring scheme should be planned to identify the opportunities available for the scholars, the areas suitable for them, the manner in which the scholar should proceed before them and evolve ways by which they can be acquired.

### **Selection Process**

1. There is a monitoring committee for the implementation of the programme and the coordinator should function in consultation with the principal and the monitoring committee
2. The monitoring committee comprised of 6 members viz, Principal, IQAC Coordinator, WWS Coordinator, SSP Coordinator and Two mentees from each batch.
3. Internal mentors are selected in consultation with the College Council and the WWS Coordinator
4. The students of first years and second years are made aware of the programme and applications are invited from the willing candidates for enrolment.
5. The number of students selected from each department is restricted to 2 or 3 based on the marks secured in higher secondary for the first year batch and last CGPA for the second years. However the intake of students from commerce department is increased to 6.
