PRAYER

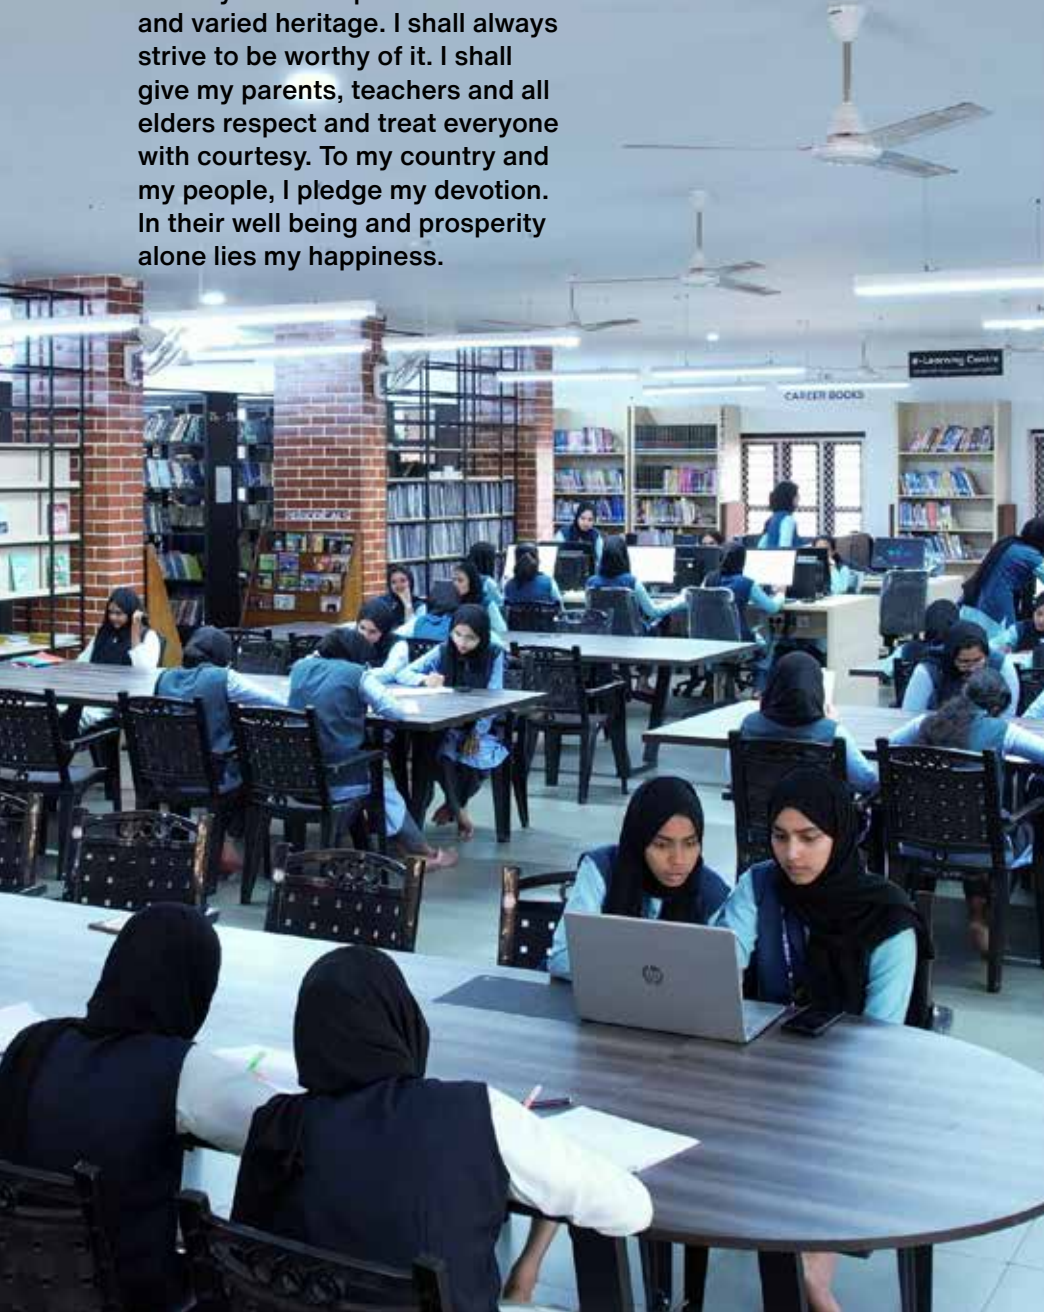

In the name of God,
Most Gracious, Most Merciful.
Praise be to God, the Cherisher and
Sustainer of the Worlds;
Most Gracious, Most Merciful;
Master of the Day of Judgement.
Thee do we worship,
And Thine aid we seek.
Show us the strait way,
The way those on whom
Thou hast bestowed Thy Grace,
Those whose (portion)
Is not wrath,
And who go not astray.

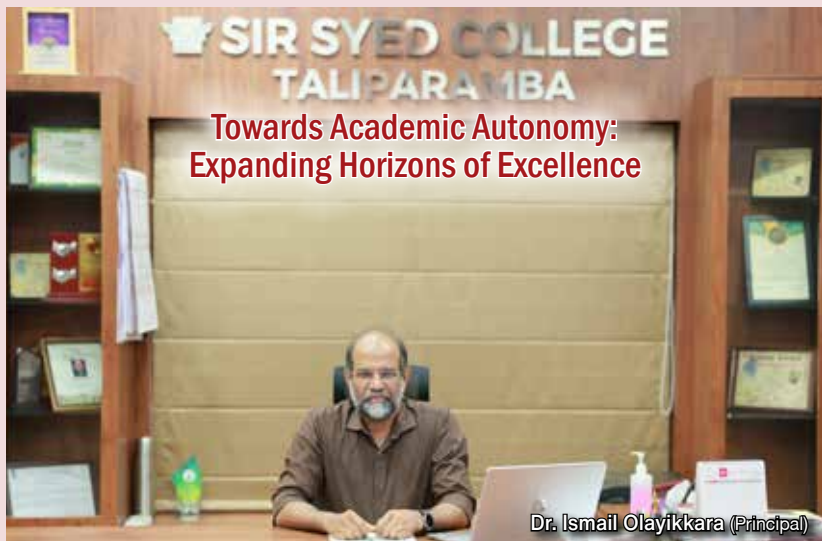

-Holy Qur-an

PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well being and prosperity alone lies my happiness.

Dear Students, Faculty Members, Staff, Alumni, Parents and Well-Wishers

It is with immense pride and optimism that I welcome you to Sir Syed College, Taliparamba, a premier institution of higher education in Northern Kerala, established in 1967, managed by the Cannanore District Muslim Educational Association (CDMEA) and affiliated with Kannur University. As we prepare to celebrate our Diamond Jubilee in the coming academic year, we proudly reflect on nearly six decades of academic excellence, social commitment and nation-building while embracing a future shaped by Artificial Intelligence (AI), the knowledge economy, innovation and globalization.

The academic culture of Sir Syed College is founded on excellence, inclusiveness, social responsibility, innovation and lifelong learning. This enduring legacy is further strengthened by the transformative vision of the National Education Policy (NEP 2020), the Four-Year Undergraduate Programme (FYUGP) of Kannur University and Outcome Based Education (OBE), which align seamlessly with our commitment to multidisciplinary education, experiential learning, research, entrepreneurship, skill development and community engagement. Complementing these national reforms, the Government of Kerala's higher education initiatives under its 100 Days Programme including industry-oriented learning initiatives, AI-enabled Smart Classrooms, the State Knowledge Network, the Kerala Higher Education Dashboard, Student Connect, Campus Student Census and the Green Campus Mission reinforce our efforts to build a digitally empowered, research-driven, industry connected and student-centred academic ecosystem.

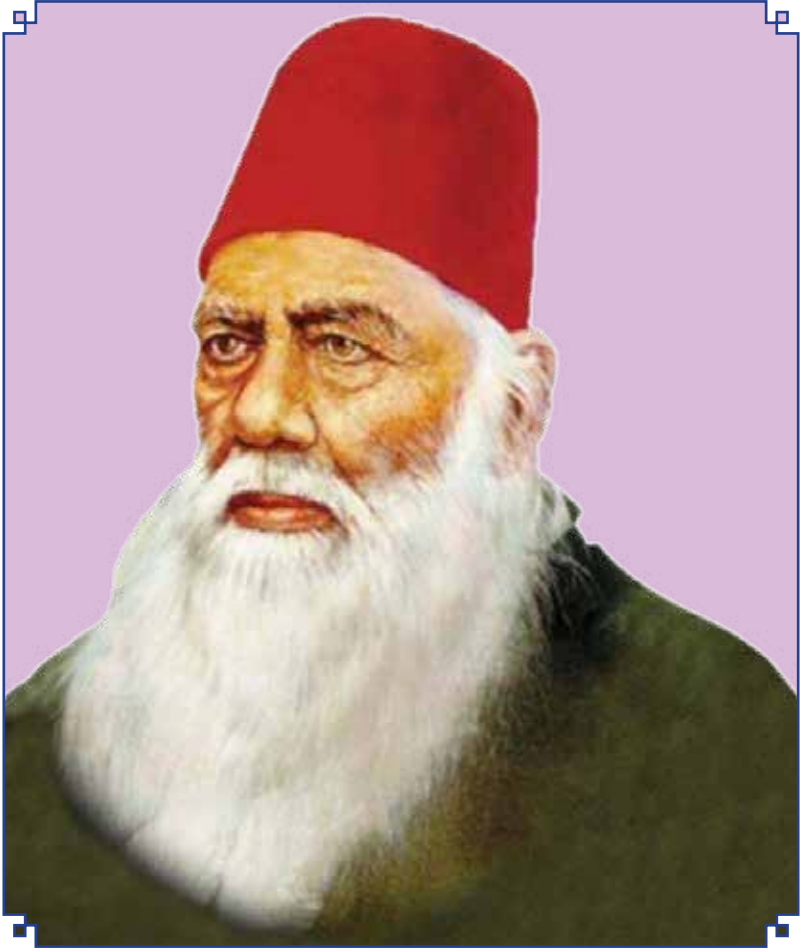

Driven by a culture of excellence and innovation, the College offers modern infrastructure, one of the finest libraries in the region, advanced learning facilities and vibrant opportunities for intellectual, cultural, research and leadership development. Our consistent University Ranks and recognition through NAAC Accreditation, NIRF, KIRF and SAAC reflects our unwavering commitment to quality and continuous improvement.

As we enter our Diamond Jubilee year, we also move confidently towards Academic Autonomy, enabling us to design globally relevant curricula, expand interdisciplinary research and international collaborations, strengthen industry partnerships and provide greater academic flexibility. Together, let us shape Sir Syed College into a globally connected, socially inclusive and future-ready centre of excellence in higher education.

COLLEGE PROFILE

Sir Syed College, was established in 1967 by a handful of educational visionaries of Kannur under CDMEA (Cannanore District Muslim Educational Association) with a vision to impart moral and liberal education to the public, especially socio politically backward minority communities of North Malabar region. The college, named after Sir Syed Ahmed Khan, the founder of Aligarh Muslim University, was started in 1967 as a junior college under the University of Kerala. It came under the University of Calicut in 1968 and under the Kannur University in 1996. The institution was re-accredited by NAAC with A grade in 2025. Today Sir Syed College is one of the biggest post graduate institutions under Kannur University. The college at present offers Under Graduate programmes in Botany, Chemistry, Forestry, Physics, Mathematics, Statistics, Zoology, Arabic, Economics, Functional English, History, Malayalam, Commerce and Journalism with Multimedia and Communication; Post Graduate Programmes in Arabic, Botany, Chemistry, Physics and Commerce. Apart from that the departments of Botany, Chemistry, Commerce and Physics are research centres as well.

The college has a strength of 1940 students, 74 Faculty Members and 29 non teaching staff. Thirty six of the Faculties are Ph.D holders and 14 have M.Phil degree. A total of 22 research guides are associated with the research departments of Chemistry, Botany, Commerce, Physics and other departments of college. In addition, faculty members from other colleges affiliated with Kannur University are also recognised as research guides under the College's Research Centres. 36 Research Scholars are working under them. 39 scholars have been awarded Ph.D from these research centres so far (25 Botany, 9 Chemistry and 5 Hindi). Many Faculties are engaged in minor and major research projects funded by various agencies. The members of the faculty have contributed extensively to literatures in their respective fields. 56 books have been published by the faculties out of which one has attained national award. About 700 research papers of faculties and students have been published in various international and national journals. The Publication division of the college publishes the

research journal, SEARCH. The college boasts of an extensive library with 44500 books, 50+ journals, e-subscriptions, e-newspapers and Magzter. The other facilities offered by the college include Sir Syed IT Centre, UGC aided Coaching Centre, Career Guidance and Counselling Cell, Photostat Centre, Gymnasium, Health Club, Sports Pavilion, Ladies Retreat room etc. There are separate hostels for men and women and an indoor stadium funded by UGC with four court. An ambitious project of the institution, the PG and Research block as GOLDEN JUBILEE BUILDING with three floors.

The students are provided ample opportunities for co-curricular and extra curricular activities through National Cadet Corps, National Service Scheme and different clubs like Language Club, Farm Club, Forestry Club, Hindi Club. ED Club, Film Club, Music Club, Tourism Club, Literary Club, Media Club Cultural Forum, Arts Forum, Science Forum etc. The Internal Quality Assurance Cell, Tutorial Scheme, Grievance Redressal Cell, Parent Teachers Association, College Co-Operative Society etc. ensure that the students get an ideal environment congenial to bring out the best in them. The college office ensures that maximum number of students get scholarships and endowments. Presently more than half of the students are enjoying the benefits of different scholarships and endowments.

Hortus Sir Syedicus, the district medicinal plants demonstration garden developed by the Garden Club and NSS with the financial aid of State Medicinal Plants Board is one of a kind under the Kannur University. Sir Syed College is a front runner in academics with the maximum number of students becoming toppers year after year. The college has also left its mark on account of its envious success, excellent performance and participation in the arts festivals and many a time students from this institution have represented the University and State at sports meets across the country.

The institution is extremely proud that in its 59 years of glorious existence it has stood true to its mission of changing the social fabric of North Malabar region. The role played by Sir Syed College is undeniable and pivotal in the cultural, political, economic and social mapping and development of the region.

OBJECTIVES

- To inspire the students to generate and disseminate new knowledge and to contribute constructively in the field of research.
- To emerge as an epic centre of ground breaking findings, with thrust given on research especially in areas of social utility.
- To motivate the students to bring out their creative potential and to nurture the spirit of critical thinking along with equipping them with the skills needed to adapt better to the changing global scenario.
- To constantly strive for a value-based holistic learning by integrating traditional and innovative learning practices to match the highest quality standards.
- To stress practical application of knowledge, attitudes and skills as well as to sensitize and engage students in issues of gender equality, human rights and ecology in order to make them socially responsible citizens.
- To ensure inclusive education by making it accessible to all sections of society.
- To develop a sense of unity in all areas of knowledge

Four Year Under Graduate Programme

UNDER GRADUATE PROGRAMME

Four Year UG Programmes (FYUGP) (2024 – 2025 Onwards)

The Four-Year Undergraduate Program (FYUGP) represents a significant shift in the higher education landscape of Kerala, aimed at enhancing the quality and relevance of undergraduate education. This initiative, endorsed by Higher Education Kerala and implemented through institutions like Kannur University, seeks to offer a more structured, holistic, and student-centered approach to undergraduate studies. In accordance with the FYUGP regulations, Sir Syed College has formed a FYUGP committee to ensure the successful execution of this program.

OBJECTIVES OF FYUGP

The FYUGP is designed with several core objectives in mind:

- Holistic Development:** To foster both academic and personal growth of students by integrating life skills, critical thinking, and practical knowledge into the curriculum.
- Flexible Learning Pathways:** To provide students with options to tailor their educational journey according to their interests and career aspirations.
- Enhanced Engagement:** To improve student engagement and retention through interactive teaching methods and diverse learning experiences.
- Alignment with Industry Needs:** To bridge the gap between academic learning and industry requirements, preparing students for the challenges of the professional world.

BOTANICAL GARDEN

HORTUS SIRSYEDICUS

Botanical Garden, *Hortus sirsyedicus* is a collection of plants that are scientifically ordered and maintained, documented and labelled for public education, research, conservation, and enjoyment. Ex situ conservation of the Rare, Endangered and Threatened (RET) medicinal plants of South India is the major thrust area of the garden. The mission of the Botanical Garden is to foster science education to the society and appreciate the importance of Flora. The Botanical Garden of the College founded 32 years ago in the lush green panoramic land of the campus has developed into an excellent centre of biodiversity and ex-situ conservation of tropical flora and exotic species. At the entrance on the northern side, the visitors are greeted by Green house comprising of different species of Ferns and ornamental plants. The Medicinal Plant Demonstration Garden (MPDG) was started in 2013 and at present it is the largest medicinal plant garden among the colleges of Kannur University. The garden is beneficial to the entire society and is an attraction to the local people. It also helps the students of schools and colleges to acquire knowledge about importance of medicinal plants available in and around the area and also their importance in medicine. More than 200 species are planted and it is arranged in the traditional Ayurveda like Thriphala, Thrigadu, Nalpamaram, Thriganda, Janmanakshathra Sasyangal, Dashapushpam, Dashamoolam. Wild Aroids in India and rare Bamboo species are conserved in the Garden. The Medicinal Plant Demonstration Garden is funded by Kerala state medicinal Plant Board (KSMPB), Trivandrum. Last year, a Model Ethnobotanical Garden was established with funding from the Kerala State Biodiversity Board (KSBB) to conserve ethnobotanically significant plant species associated with the indigenous communities of northern Kerala. The garden showcases and conserves plant species traditionally used by the Paniya, Kurichya and Kattunaikka tribes of Wayanad, the Karimpalar tribe of Kannur, and the Koraga tribe of Kasaragod, thereby safeguarding their invaluable traditional knowledge and cultural heritage. The garden is maintained by Dept. of Botany.

STUDENT WELFARE SCHEMES

A number of scholarships are awarded to students every year by various agencies. Students of the College are eligible for merit scholarships awarded by the Government of India, the University and the State Government. In addition to the above, Cannanore District Muslim Educational Association also awards a number of scholarships to the students. Many scholarships are also available from various agencies like the Wakf Board, the Rubber Board, Sir Syed College Alumni Association (Dubai chapter) etc. Students who have secured 50% marks and above in their qualifying examination are eligible for “Kerala State Scholarships for Arts and Science Courses.”. The scholarships are awarded on merit cum means, subject to the number allotted each year.
