PRAYER

In the name of The God,
Most Gracious Most Merciful
Praise be to The God, Lord of the
Worlds:

Most Gracious, Most Merciful;
Master of the Day of Judgement
Thee alone we worship,
Thee alone we ask for help.
Guide us to the straight path.
The path of those on whom
Thou has been gracious,
Not of those who have incurred
Thy displeasure,
Nor of those who have gone astray.

-Holy Qur-an

PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well being and prosperity alone lies my happiness.

HEADING TOWARDS EXCELLENCE IN EDUCATION AND RESEARCH

Dr. P.T. Abdul Azeez (Principal)

Sir Syed College, Taliparamba was established in 1967 with a noble mission to provide the benefits of education to the socially segregated minorities and other marginalized sections of the region. The institution became successful in this mission and could carve a niche for itself by reconstructing the educational map of Kerala.

We are committed to transform this institution to a centre of excellence. Today, education means much more than mere acquisition of knowledge. This college engages the pursuit of academic and intellectual inquiry in all fields of learning through research, education and teaching. The college aims to maintain world class standards in research and education. So the college envisions an educational arena that keeps national and international standards. The new Post Graduate Research Block will provide an excellent educational environment for the next generation. This development of infrastructure is another step towards creating a generation that can excel in the world.

Brilliant students and excellent teachers are the wealth of this institution. I am extremely impressed by the commitment of the staff that works as a team. I am sure that our teachers and students can create an environment that is capable of constructing a new nation that meets world class standards in education.
