PRAYER

In the name of The God,
Most Gracious Most Merciful
Praise be to The God, Lord of the
Worlds:

Most Gracious, Most Merciful;
Master of the Day of Judgement
Thee alone we worship,
Thee alone we ask for help.
Guide us to the straight path.
The path of those on whom
Thou has been gracious,
Not of those who have incurred
Thy displeasure,
Nor of those who have gone astray.

-Holy Qur-an

PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well being and prosperity alone lies my happiness.

MOVE TOWARDS BLENDED LEARNING

The pandemic Covid-19 which has spread all over the world has compelled human society to maintain social distancing. It has significantly disrupted the education sector which is a critical determinant of a country's economic future. According to the UNESCO report, it affected more than 90% of the world's student population during mid April 2020 has come down to nearly 67% in June 2020. The outbreak of COVID-19 has impacted more than 120 crores of students and youths across the planet. More than 32 crores of students have been affected by the various restrictions and the nationwide lockdown.

As per the UNESCO report, around 14 crores of primary and 13 crores of secondary level students are affected which are the two most affected levels in India. Though

the outbreak of COVID-19 has created many negative impacts on education, educational institutions of India have accepted the challenges and have been trying their best to provide seamless support services to students during the pandemic. Indian education system got the opportunity for transformation from traditional system to a new era.

The following points may be considered as the positive impacts. COVID-19 has accelerated the adoption of digital technologies in education. Educational institutions moved towards blended mode of learning. It encouraged the teachers and students to become more tech - savvy. New ways of delivery and assessments of learning have opened up immense opportunities for a major transformation in the area of curriculum development and pedagogy. It also gives access to large pools of learners at a time.

COVID-19 has immensely impacted the education sector of India. Though it has created many challenges, various opportunities are have also been evolved. The Govt. of India and different stakeholders of education have explored the possibility of Open and Distance learning (ODL) by adopting different digital technologies to cope up with the present crisis. The priority should be to utilise digital technology to create an advantageous position for millions of young students in India. It is the need of the hour for the educational institutions to strengthen their knowledge and Information Technology infrastructure for facing similar situations. That might arise in future. There is an urgent need to take efforts on maximum utilisation of online platforms so that students not only complete their degree in this academic year but also well equipped for get ready for the digitally oriented learning environment.

GOLDEN JUBILEE BLOCK FOR POST GRADUATE STUDIES AND RESEARCH

Cannanore District Muslim Educational Association (CDMEA) is constructing a new block exclusively for Post Graduate Studies and Research in connection with the Golden jubilee celebration. Janab P.K. Abdu Rabb, Former Minister for Education, Govt. of Kerala has laid down the foundation stone. At present the college has five post graduate and two research departments with a commendable track record. Departments of Botany and Chemistry are the recognised research centres of Kannur University offering Ph.D. programmes.

The reputation of the college rests equally on its teaching and research. The diversity and excellence in research fields is reflected in the quality of teaching as well. The college has programmes of study and research interests that cover almost all of classical and modern subjects. To achieve its mission 'to advance learning and knowledge through teaching and research, particularly at the postgraduate level this new building is inevitable. This would bring the most talented and the best research aspirants of Northern Kerala to our college.

COLLEGE PROFILE

Sir Syed College, was established in 1967 by a handful of educational visionaries of Kannur under CDMEA (Cannanore District Muslim Educational Association) with a vision to impart moral and liberal education to the public, especially socio politically backward minority communities of North Malabar region. The college, named after Sir Syed Ahmed Khan, the founder of Aligarh Muslim University, was started in 1967 as a junior college under the University of Kerala. It came under the University of Calicut in 1968 and under the Kannur University in 1996. The institution was reaccredited by NAAC with A grade in 2017. Today Sir Syed College is one of the biggest post graduate institutions under Kannur University. The college at present offers Under Graduate programmes in Botany, Chemistry, Forestry, Physics, Mathematics, Statistics, Zoology, Arabic, Economics, Functional English, History, Malayalam and Commerce; Post Graduate programmes in Arabic, Botany, Chemistry, Physics and Commerce. Apart from that the departments of Botany and Chemistry are research centres as well.

The college has a strength of about 1858 students, 70 teaching staff and 36 non teaching staff. 15 of the teachers are Ph.D holders and 24 have M.Phil degree. There are 13 research guides attached to the research departments of Chemistry and Botany and 35 research scholars and one post doctoral fellow are working under them. 19 scholars have been awarded Ph.D from these research centres so far (14 Botany, 5 Chemistry). Many teachers are engaged in minor and major research projects funded by various agencies. The members of the faculty have contributed extensively to literatures in their respective fields. 9 books have been published by the teachers out of which one has attained national award. About 400 research papers of teachers and students have been published in various international and national journals. The Publication division of the college publishes the research journal, SEARCH. The college boasts of an extensive library with 42000 books, 86 journals and INFLIBNET facility. The other facilities offered by the college include Sir Syed IT Centre, UGC aided Coaching Centre, Career Guidance and Counselling

Cell, Photostat Centre, Gymnasium, Health Club, Sports Pavilion, Ladies Retreat room etc. There are separate hostels for men and women. An indoor stadium funded by UGC is in the final stages of construction. An ambitious project of the institution, the PG and Research block as GOLDEN JUBILEE BUILDING with four floors, is under construction.

The students are provided ample opportunities for co-curricular and extra curricular activities through National Cadet Corps, National Service Scheme and different clubs like Language Club, Farm Club, Forestry Club, Hindi Club, ED Club, Film Club, Music Club, Tourism Club, Literary Club, Media Club Cultural Forum, Arts Forum, Science Forum etc. The Internal Quality Assurance Cell, Tutorial Scheme, Grievance Redressal Cell, Parent Teachers Association, College Co-Operative Society etc. ensure that the students get an ideal environment congenial to bring out the best in them. The college office ensures that maximum number of students get scholarships and endowments. Presently more than half the strength of students are enjoying the benefits of different scholarships and endowments.

Hortus Sir Syedicus, the district medicinal plants demonstration garden developed by the Garden Club and NSS with the financial aid of State Medicinal Plants Board is one of a kind under the Kannur University. Sir Syed College is a front runner in academics with the maximum number of students becoming toppers year after year. The college has also left its mark on account of its envious success, excellent performance and participation in the arts festivals and many a time students from this institution have represented the University and state at sports meets across the country.

The institution is extremely proud that in its 52 years of glorious existence it has stood true to its mission of changing the social fabric of North Malabar region. The role played by Sir Syed College is undeniable and pivotal in the cultural, political, economic and social uprising and development of the region.

OBJECTIVES

- To inspire the students to generate and disseminate new knowledge and to contribute constructively in the field of research.
- To emerge as an epic center of ground breaking findings, with thrust given on research especially in areas of social utility.
- To motivate the students to bring out their creative potential and to nurture the spirit of critical thinking along with equipping them with the skills needed to adapt better to the changing global scenario.
- To constantly strive for a value-based holistic learning by integrating traditional and innovative learning practices to match the highest quality standards.
- To stress practical application of knowledge, attitudes and skills as well as to sensitize and engage students in issues of gender equality, human rights and ecology in order to make them socially responsible citizens.
- To ensure inclusive education by making it accessible to all sections of society.
- To develop a sense of unity in all areas of knowledge

Symptoms of Coronavirus

(COVID-19)

Know the symptoms of COVID-19, which can include the following:

Cough, shortness of breath
or difficulty breathing

Fever or chills

Muscle or body aches

Vomiting or diarrhea

New loss of
taste or smell

Symptoms can range from mild to severe illness, and appear 2-14 days after you are exposed to the virus that causes COVID-19.

Seek medical care immediately if someone has emergency warning signs of COVID-19.

- ✔ Trouble breathing
- ✔ Persistent pain or pressure in the chest
- ✔ New confusion
- ✔ Inability to wake or stay awake
- ✔ Bluish lips or face

This list is not all possible symptoms. Please call your healthcare provider for any other symptoms that are severe or concerning to you.

BOTANICAL GARDEN

HORTUS SIRSYEDICUS

Botanical Garden, *Hortus sirsyedicus* is a collection of plants that are scientifically ordered and maintained, documented and labelled for public education, research, conservation, and enjoyment. Ex situ conservation of the Rare, Endangered and Threatened (RET) medicinal plants of South India is the major thrust area of the garden. The mission of the Botanical Garden is to foster science education to the society and appreciate the importance of Flora. The Botanical Garden of the College founded 32 years ago in the lush green panoramic land of the campus has developed into an excellent centre of biodiversity and ex-situ conservation of tropical flora and exotic species. At the entrance on the northern side, the visitors are greeted by Green house comprising of different species of Ferns and ornamental plants. The Medicinal Plant Demonstration Garden (MPDG) was started in 2013 and at present it is the largest medicinal plant garden among the colleges of Kannur University. The garden is beneficial to the entire society and is an attraction to the local people. It also helps the students of schools and colleges to acquire knowledge about importance of medicinal plants available in and around the area and also their importance in medicine. More than 200 species are planted and it is arranged in the traditional Ayurveda like Triphala, Thrigadu, Nalpamaram, Thriganda, Janmanakshathra Sasyangal, Dashapushpam, Dashamoolam. Wild Aroids in India and rare Bamboo species are conserved in the Garden. The Medicinal Plant Demonstration Garden funded by Kerala state medicinal Plant Board (KSMPB), Trivandrum. The garden is maintained by Dept. of Botany.

STUDENT WELFARE SCHEMES

A number of scholarships are awarded to students every year by various agencies. Students of the College are eligible for merit scholarships awarded by the Government of India, the University and State Government.
