PRAYER

In the name of God,
Most Gracious, Most Merciful.
Praise be to God, the Cherisher and
Sustainer of the Worlds;
Most Gracious, Most Merciful;
Master of the Day of Judgement.
Thee do we worship,
And Thine aid we seek.
Show us the strait way,
The way those on whom
Thou hast bestowed Thy Grace,
Those whose (portion)
Is not wrath,
And who go not astray.

-Holy Qur-an

PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well being and prosperity alone lies my happiness.

ENVISIONING A META-TRANSFORMATION FOR AN IDEAL HIGHER EDUCATION LEARNING ECOSYSTEM

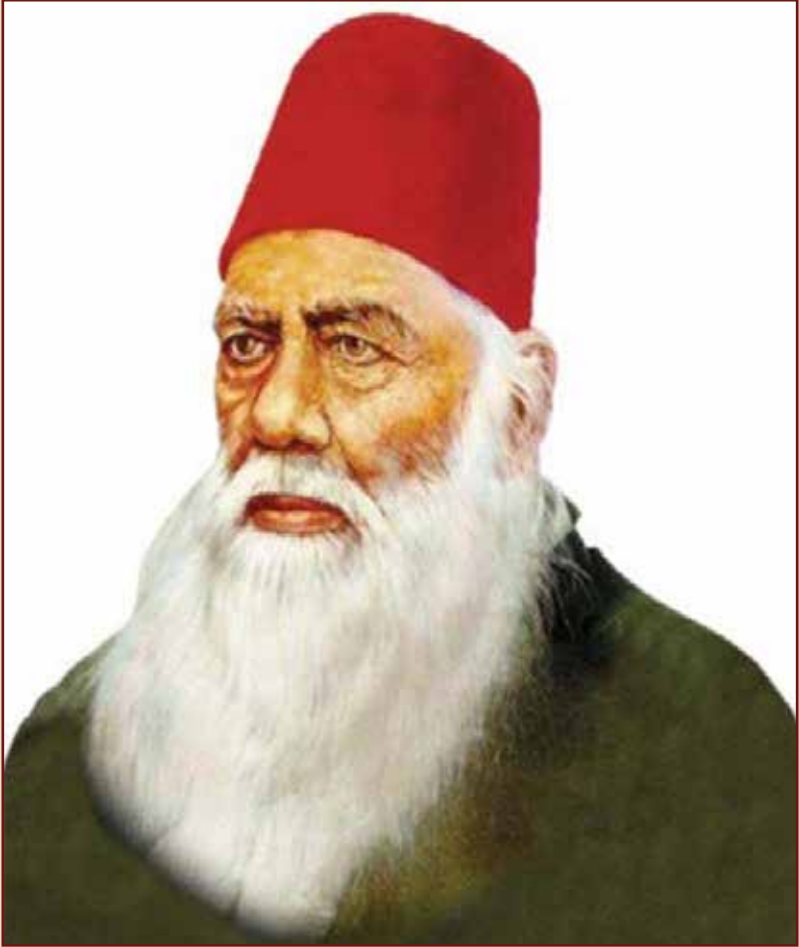

It is observed that, educational field is the second most affected section due to COVID 19 pandemic, very next to the health sector. Two years of pandemic experience has rightly affirmed a kind of conviction that there will not be a recap to the teaching learning landscape in the very same contour and corridors as it existed in the pre covid era. Inevitable and irrecoverable changes have come. Results of the recent World Economic Forum survey reflects that seven out of ten adults worldwide (70%) perceive that, in the five years, higher education will be done online at least as much as offline. Twenty-Three Percent believe that in five years, higher education in their country will be carried out entirely or mostly, in the virtual mode. The other 49% opt for both online and on-site. Empirical study and the analysis of available literatures vividly highlight the need for a shift in priorities. Subtle changes would come like; a shift from offline system to virtually opening the doors of education to sustain a more vibrant online ecosystem through a process of survival of the fittest and fastest. Its reflections, no doubt will be there at all facets of curricular existence from designing to evaluation. The canvas of the blended culture will be the sole canvas of education facilitating borderless education and catalysing anytime, anywhere learning. In such a pragmatic arena there is a meticulous demand for a transformation- a decoding which totally transcribe and translate the metamorphosis of the future of the digital natives with a real pace setting for the democratic dividend of the youth.

In this osmotic system due to covid -19, institutions like Sir Syed has to play the role of a flagship species. This reimagining should be corollary with the aspirations of the future generations without mutilating the umbilical cord of visionary leaderships. Even the institutional spatial designing and professional voyage has to be reimagined taking the fast-moving technological trajectory. A sustained way of constructive dissatisfaction related to the courses, course design, transaction and evaluation is inevitable. The implications are far reaching and even questioning the existence of conventional ritualistic pedagogic impositions. Really it will be a kaleidoscopic one as the learner sets the pace of the educational race by his/her finger tip, seeking for the best avenues choosing from the plethora of paths. A professional transformation is the only solution for this expected complicated dynamism. There should be a real reflection on the role of the faculty of higher education and need for a research rigour by learning from the past and hoping for the future. As the youth is highly calibrated, the faculty members have to redefine their niche to act as catalyst of that calibration without any intellectual and emotional damage equipping them with the requisite skills and abilities in a post globalised – post-covid technology driven society. The age-old tools and techniques may not last forever. Hence, we have to design new transformative methodologies applying practical wisdom and taking global and digital metamorphosis into consideration. There is no time to waste as at each moment the landscape of education is witnessing new trends. As the reflective practitioners of education what is needed and what is expected from the institutions and facilitators are collaborative professionalism!

COLLEGE PROFILE

Sir Syed College, was established in 1967 by a handful of educational visionaries of Kannur under CDMEA (Cannanore District Muslim Educational Association) with a vision to impart moral and liberal education to the public, especially socio politically backward minority communities of North Malabar region. The college, named after Sir Syed Ahmed Khan, the founder of Aligarh Muslim University, was started in 1967 as a junior college under the University of Kerala. It came under the University of Calicut in 1968 and under the Kannur University in 1996. The institution was re-accredited by NAAC with A grade in 2017. Today Sir Syed College is one of the biggest post graduate institutions under Kannur University. The college at present offers Under Graduate programmes in Botany, Chemistry, Forestry, Physics, Mathematics, Statistics, Zoology, Arabic, Economics, Functional English, History, Malayalam, Commerce and BMMC; Post Graduate programmes in Arabic, Botany, Chemistry, Physics and Commerce. Apart from that the departments of Botany and Chemistry are research centres as well.

The college has a strength of about 1858 students, 70 teaching staff and 36 non teaching staff. 15 of the teachers are Ph.D holders and 24 have M.Phil degree. There are 13 research guides attached to the research departments of Chemistry and Botany and 33 research scholars and one post doctoral fellow are working under them. 26 scholars have been awarded Ph.D from these research centres so far (19 Botany, 5 Chemistry and 2 Hindi). Many teachers are engaged in minor and major research projects funded by various agencies. The members of the faculty have contributed extensively to literatures in their respective fields. 9 books have been published by the teachers out of which one has attained national award. About 400 research papers of teachers and students have been published in various international and national journals. The Publication division of the college publishes the research journal, SEARCH. The college boasts of an extensive library with 42000 books, 86 journals and INFLIBNET facility. The other facilities offered by the college include Sir Syed IT Centre, UGC aided Coaching Centre, Career

Guidance and Counselling Cell, Photostat Centre, Gymnasium, Health Club, Sports Pavilion, Ladies Retreat room etc. There are separate hostels for men and women. An indoor stadium funded by UGC with four court. An ambitious project of the institution, the PG and Research block as GOLDEN JUBILEE BUILDING with four floors, is under construction.

The students are provided ample opportunities for co-curricular and extra curricular activities through National Cadet Corps, National Service Scheme and different clubs like Language Club, Farm Club, Forestry Club, Hindi Club, ED Club, Film Club, Music Club, Tourism Club, Literary Club, Media Club Cultural Forum, Arts Forum, Science Forum etc. The Internal Quality Assurance Cell, Tutorial Scheme, Grievance Redressal Cell, Parent Teachers Association, College Co-Operative Society etc. ensure that the students get an ideal environment congenial to bring out the best in them. The college office ensures that maximum number of students get scholarships and endowments. Presently more than half the strength of students are enjoying the benefits of different scholarships and endowments.

Hortus Sir Syedicus, the district medicinal plants demonstration garden developed by the Garden Club and NSS with the financial aid of State Medicinal Plants Board is one of a kind under the Kannur University. Sir Syed College is a front runner in academics with the maximum number of students becoming toppers year after year. The college has also left its mark on account of its envious success, excellent performance and participation in the arts festivals and many a time students from this institution have represented the University and state at sports meets across the country.

The institution is extremely proud that in its 54 years of glorious existence it has stood true to its mission of changing the social fabric of North Malabar region. The role played by Sir Syed College is undeniable and pivotal in the cultural, political, economic and social uprising and development of the region.

OBJECTIVES

- To inspire the students to generate and disseminate new knowledge and to contribute constructively in the field of research.
- To emerge as an epic centre of ground breaking findings, with thrust given on research especially in areas of social utility.
- To motivate the students to bring out their creative potential and to nurture the spirit of critical thinking along with equipping them with the skills needed to adapt better to the changing global scenario.
- To constantly strive for a value-based holistic learning by integrating traditional and innovative learning practices to match the highest quality standards.
- To stress practical application of knowledge, attitudes and skills as well as to sensitize and engage students in issues of gender equality, human rights and ecology in order to make them socially responsible citizens.
- To ensure inclusive education by making it accessible to all sections of society.
- To develop a sense of unity in all areas of knowledge

Sir Syed College IT Centre and Network Resource Centre in the Library are well equipped with computers exclusively set aside for browsing. To promote the use of Internet for academic purpose, students are allowed WI-Fi access to Internet in their laptop or tablet free of cost. Internet can be accessed on the campus from 9.00 A.M. to 5.00 P.M. on all days except Sundays and holidays. Students can also avail Internet facility from Library & respective Department at free of cost.

TOTAL CAMPUS SOLUTION (TCS)

The college administration is completely automated through TCS (Total Campus Solution), an Online software which provides facilities like office administration, attendance recording and study material uploading and downloading etc. Teachers, office staff, students and parents can login to the site by using their user name and password.

PLACEMENT CELL

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, expert from many reputed industries visit the institute to conduct interviews. The Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors.

REMEDIAL COACHING

Remedial classes are also conducted for English core and complementary subjects as per needs. The classes are conducted at free of cost. The selection of the students for remedial classes is made on the basis of a test conducted immediately after their admission. The Centre offers remedial coaching for SC/ST/OBC (excluding creamy layer) and minorities.

COACHING CENTRE FOR NET/SET

BOTANICAL GARDEN

HORTUS SIRSYEDICUS

Botanical Garden, *Hortus sirsyedicus* is a collection of plants that are scientifically ordered and maintained, documented and labelled for public education, research, conservation, and enjoyment. Ex situ conservation of the Rare, Endangered and Threatened (RET) medicinal plants of South India is the major thrust area of the garden. The mission of the Botanical Garden is to foster science education to the society and appreciate the importance of Flora. The Botanical Garden of the College founded 32 years ago in the lush green panoramic land of the campus has developed into an excellent centre of biodiversity and ex-situ conservation of tropical flora and exotic species. At the entrance on the northern side, the visitors are greeted by Green house comprising of different species of Ferns and ornamental plants. The Medicinal Plant Demonstration Garden (MPDG) was started in 2013 and at present it is the largest medicinal plant garden among the colleges of Kannur University. The garden is beneficial to the entire society and is an attraction to the local people. It also helps the students of schools and colleges to acquire knowledge about importance of medicinal plants available in and around the area and also their importance in medicine. More than 200 species are planted and it is arranged in the traditional Ayurveda like Triphala, Thrigadu, Nalpamaram, Thriganda, Janmanakshathra Sasyangal, Dashapushpam, Dashamoolam. Wild Aroids in India and rare Bamboo species are conserved in the Garden. The Medicinal Plant Demonstration Garden funded by Kerala state medicinal Plant Board (KSMPB), Trivandrum. The garden is maintained by Dept. of Botany.

STUDENT WELFARE SCHEMES

A number of scholarships are awarded to students every year by various agencies. Students of the College are eligible for merit scholarships awarded by the Government of India, the University and State Government. In addition to the above, Cannanore District Muslim Educational Association also awards a number of scholarships to the students. Many scholarships are also available from various agencies like the Wakf Board, the Rubber Board, Sir Syed College Alumni Association (Dubai chapter) etc. Students are eligible for “Kerala State Scholarships for Arts and Science Courses” provided they have secured 50% marks and above in their qualifying examinations. The scholarships are awarded on merit cum means, subject to the number allotted each year.

STUDENTS’ AID FUND

Students’ Aid Fund is constituted with the contribution collected from the students. A committee constituted for the purpose distributes this amount among deserving students.

SIR SYED COLLEGE TEACHERS ASSOCIATION FOR THE FINANCIAL EMPOWERMENT OF STUDENTS (SAFE)

This is an association, initiated by teachers to help economically backward students for their educational, social and health related needs and bring them in to the mainstream of the society.
