TOGETHER FOR TOGETHERNESS

Dr. Ismail Olayikkara (Principal)

Welcome to Sir Syed College, a premier Institution which bagged high position in recently released NIRF ranking and re accredited by NAAC with A grade. The institution rests on solid academic foundation, blended with a contemporary approach that seeks to mould young men and women into successful role models. Our country is primed for take-off to claim her piece of the sky and at Sir Syed we believe that only knowledge can give you wings. As you step into the portals of this college, you will be engulfed by our ethos of competence, discipline and character. Covid-19 pandemic has been one of the biggest disruptions that have posed a challenges for human existence. The challenge is to maintain the continuity of teaching-learning, effective utilization of resources, management of anxiety level among the young minds and nurturing their enthusiasm.

The change in educational institutions from a window of knowledge to a window to labour market is all the rage now. The National Education Policy underscores the need for such a transformation. The pandemic should be seen as a catalyst for a large scale changes. Many things labelled as oddball reforms before Covid-19 may have become a necessity now. For example, the use of mobile phones during class hours would have annoyed teachers in the pre-Covid period. And the open book examination system will become part of the quotidian practices. The irresistible influx of digital technology into education will take place; in a sense, education will become a digital colony in the post-Covid period. Therefore, locating knowledge with digital tools can become as important as the intellectual ability to learn and analyse content and approach learning critically. While there will be a spate of micro-level changes, we need to anticipate the ones likely to affect the system at large.

In today's times, where the learner and teacher both have to tackle the challenges of time and distance and ever changing demands to upgrade knowledge and skills, the learning and teaching both have become very dynamic. The role of the teacher is transformed into that of a virtual educator which is much wider and constantly evolving than that of a teacher and the virtual world. The experience of lockdown has reflected upon the requirements to adapt the meaningful leafling and connect the minds for new understanding. We at Sir Syed College provide the student the experience of life skills, social values, knowledge and holistic personality development with the proximity of faculty members during working hours as well as extended hours through the offline mode as well as online mode. Talents are honed through an amalgam of classroom learning as well as sports, games, cultural and other allied activities. This 360-degree approach of grooming their personality is the cornerstone of education imparted at Sir Syed College. Sir Syed culture stands for being sure-footed in knowledge, showcasing the confidence to take the world in its stride and yet always be grounded in the values and traditions of our motherland. We believe that you gain more knowledge, reach greater heights and accountability and meritocracy only with self-confidence, a quality that is omnipresent in Sir Syedans. We welcome all aspiring young minds to join this enthusiastic family of Sir Syedans in pursuing knowledge to serve the country and the world at large.

COLLEGE PROFILE

Sir Syed College, was established in 1967 by a handful of educational visionaries of Kannur under CDMEA (Cannanore District Muslim Educational Association) with a vision to impart moral and liberal education to the public, especially socio politically backward minority communities of North Malabar region. The college, named after Sir Syed Ahmed Khan, the founder of Aligarh Muslim University, was started in 1967 as a junior college under the University of Kerala. It came under the University of Calicut in 1968 and under the Kannur University in 1996. The institution was re-accredited by NAAC with A grade in 2017. Today Sir Syed College is one of the biggest post graduate institutions under Kannur University. The college at present offers Under Graduate programmes in Botany, Chemistry, Forestry, Physics, Mathematics, Statistics, Zoology, Arabic, Economics, Functional English, History, Malayalam, Commerce and Multimedia and Communication; Post Graduate Programmes in Arabic, Botany, Chemistry, Physics and Commerce. Apart from that the departments of Botany and Chemistry are research centres as well.

The college has a strength of 2161 students, 76 Faculty Members and 36 non teaching staff. 15 of the Faculties are Ph.D holders and 24 have M.Phil degree. There are 13 research guides attached to the research departments of Chemistry and Botany and 34 Research Scholars and one post doctoral fellow are working under them. Thirty scholars have been awarded Ph.D from these research centres so far (19 Botany, 7 Chemistry and 4 Hindi). Many Faculties are engaged in minor and major research projects funded by various agencies. The members of the faculty have contributed extensively to literatures in their respective fields. 9 books have been published by the faculties out of which one has attained national award. About 400 research papers of faculties and students have been published in various international and national journals. The Publication division of the college publishes the research journal, SEARCH. The college boasts of an extensive library with 42000 books, 86 journals and INFLIBNET facility. The other facilities offered

by the college include Sir Syed IT Centre, UGC aided Coaching Centre, Career Guidance and Counseling Cell, Photostat Centre, Gymnasium, Health Club, Sports Pavilion, Ladies Retreat room etc. There are separate hostels for men and women. An indoor stadium funded by UGC with four court. An ambitious project of the institution, the PG and Research block as GOLDEN JUBILEE BUILDING with four floors, is under construction.

The students are provided ample opportunities for co-curricular and extra curricular activities through National Cadet Corps, National Service Scheme and different clubs like Language Club, Farm Club, Forestry Club, Hindi Club, ED Club, Film Club, Music Club, Tourism Club, Literary Club, Media Club Cultural Forum, Arts Forum, Science Forum etc. The Internal Quality Assurance Cell, Tutorial Scheme, Grievance Redressal Cell, Parent Teachers Association, College Co-Operative Society etc. ensure that the students get an ideal environment congenial to bring out the best in them. The college office ensures that maximum number of students get scholarships and endowments. Presently more than half the strength of students are enjoying the benefits of different scholarships and endowments.

Hortus Sir Syedicus, the district medicinal plants demonstration garden developed by the Garden Club and NSS with the financial aid of State Medicinal Plants Board is one of a kind under the Kannur University. Sir Syed College is a front runner in academics with the maximum number of students becoming toppers year after year. The college has also left its mark on account of its envious success, excellent performance and participation in the arts festivals and many a time students from this institution have represented the University and state at sports meets across the country.

The institution is extremely proud that in its 55 years of glorious existence it has stood true to its mission of changing the social fabric of North Malabar region. The role played by Sir Syed College is undeniable and pivotal in the cultural, political, economic and social mapping and development of the region.

OBJECTIVES

- To inspire the students to generate and disseminate new knowledge and to contribute constructively in the field of research.
- To emerge as an epic centre of ground breaking findings, with thrust given on research especially in areas of social utility.
- To motivate the students to bring out their creative potential and to nurture the spirit of critical thinking along with equipping them with the skills needed to adapt better to the changing global scenario.
- To constantly strive for a value-based holistic learning by integrating traditional and innovative learning practices to match the highest quality standards.
- To stress practical application of knowledge, attitudes and skills as well as to sensitize and engage students in issues of gender equality, human rights and ecology in order to make them socially responsible citizens.
- To ensure inclusive education by making it accessible to all sections of society.
- To develop a sense of unity in all areas of knowledge

BOTANICAL GARDEN

HORTUS SIRSYEDICUS

Botanical Garden, *Hortus sirsyedicus* is a collection of plants that are scientifically ordered and maintained, documented and labelled for public education, research, conservation, and enjoyment. Ex situ conservation of the Rare, Endangered and Threatened (RET) medicinal plants of South India is the major thrust area of the garden. The mission of the Botanical Garden is to foster science education to the society and appreciate the importance of Flora. The Botanical Garden of the College founded 32 years ago in the lush green panoramic land of the campus has developed into an excellent centre of biodiversity and ex-situ conservation of tropical flora and exotic species. At the entrance on the northern side, the visitors are greeted by Green house comprising of different species of Ferns and ornamental plants. The Medicinal Plant Demonstration Garden (MPDG) was started in 2013 and at present it is the largest medicinal plant garden among the colleges of Kannur University. The garden is beneficial to the entire society and is an attraction to the local people. It also helps the students of schools and colleges to acquire knowledge about importance of medicinal plants available in and around the area and also their importance in medicine. More than 200 species are planted and it is arranged in the traditional Ayurveda like Triphala, Thrigadu, Nalpamaram, Thriganda, Janmanakshathra Sasyangal, Dashapushpam, Dashamoolam. Wild Aroids in India and rare Bamboo species are conserved in the Garden. The Medicinal Plant Demonstration Garden funded by Kerala state medicinal Plant Board (KSMPB), Trivandrum. The garden is maintained by Dept. of Botany.

STUDENT WELFARE SCHEMES
