## PRAYER

In the name of The God,  
Most Gracious Most Merciful  
Praise be to The God, Lord of the Worlds:  
Most Gracious, Most Merciful;  
Master of the Day of Judgement  
Thee alone we worship,  
Thee alone we ask for help.  
Guide us to the straight path.  
The path of those on whom  
Thou has been gracious,  
Not of those who have incurred  
Thy displeasure,  
Nor of those who have gone astray.

*-Holy Qur-an*

Engineering education is discipline-specific and outcome based, which involves the application of basic principles of all subjects to solve problems to innovate newer technologies for providing feasible solutions to the futuristic challenges.

It has always been our belief that every student has an unending pool of talent that needs to be fostered. A proper care and guidance will help the students to develop right attitude, values and practices that enable each individual to excel in future. The main focus of our Institution is to empower students with sound knowledge, wisdom, passion for innovation and latest know-how in cutting-edge technologies to experience and face the challenges of Industry in a highly networked global perspective. The wonderful infrastructure and good learning environment prevailing in our college help to provide an enjoyable and easy learning experience to all our students.

Artificial intelligence (AI) is becoming more attainable in every sector of the economy, and higher education is no exception. AI opens up the possibility for higher education services to become scalable at an unprecedented rate, both inside and outside the classroom.

The Ministry of Education presented the eighth edition of India Rankings for the year 2023 based on ranking parameters identified. The ranking framework evaluates institutions on five broad generic groups of parameters. ie Teaching Learning Resources (TLR), Research and Professional Practice (RP), Graduation Outcome (GO), Outreach and Inclusivity (OI) and Perception (PR). Our college continued to bag the top spot rank (101-150) in the National Institutional Ranking Framework (NIRF) 2023.

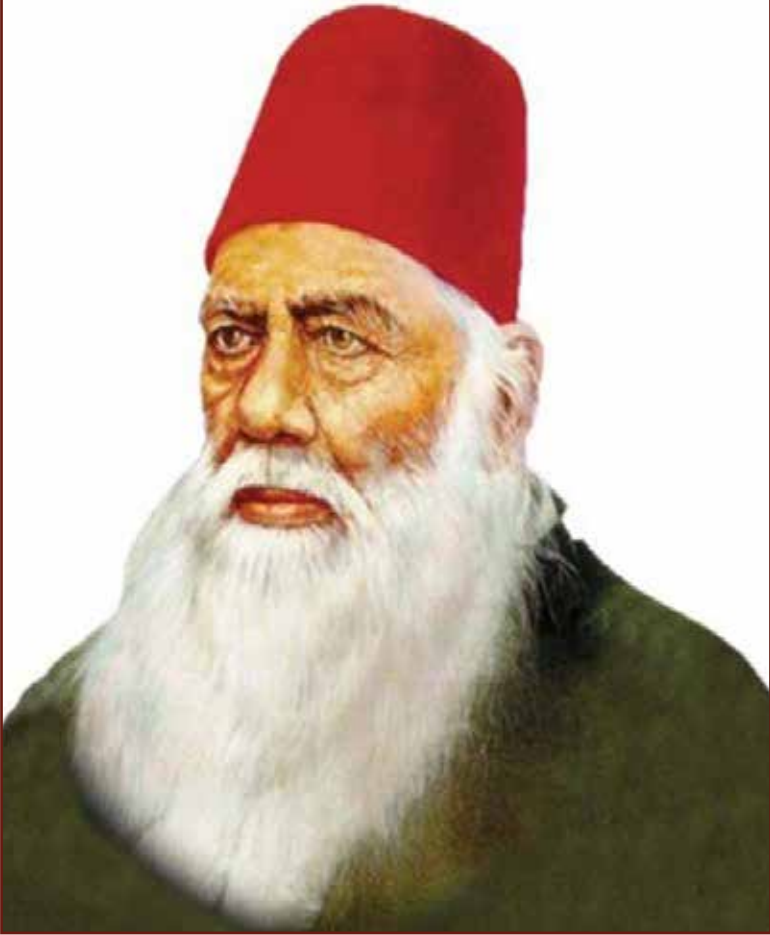

The inspiration and commitment of our Management to continuous improvement and the hard work of the faculty members towards the overall growth of our students ensures that every student passing out of our College will taste the success in any sphere of life they choose to work. I hope that their desire to contribute for the benefit of the society grows with their happiness and prosperity in life.

We are here to nurture a culture of curiosity, critical thinking, and ethical responsibility and wish to empower our students to become future leaders and trend setters.
