## PRAYER

In the name of God,  
Most Gracious, Most Merciful.  
Praise be to God, the Cherisher and  
Sustainer of the Worlds;  
Most Gracious, Most Merciful;  
Master of the Day of Judgement.  
Thee do we worship,  
And Thine aid we seek.  
Show us the strait way,  
The way those on whom  
Thou hast bestowed Thy Grace,  
Those whose (portion)  
Is not wrath,  
And who go not astray.

*-Holy Qur-an*

## PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well being and prosperity alone lies my happiness.

## Embracing the Future with FYUGP Programme

Dear Students, Faculties and Staffs,

As we embark on another transformative academic year, I am excited to introduce and emphasize the significance of our newly launched Four-Year Undergraduate Programme (FYUGP). This initiative marks a pivotal evolution in our educational landscape, designed to enhance academic rigor, foster comprehensive personal development, and better align our curriculum with the dynamic demands of the global workforce.

The FYUGP programme is not merely a change in structure; it is a commitment to a holistic and forward-thinking educational approach. Over the next four years, students will engage in a meticulously curated curriculum that combines core academic disciplines with interdisciplinary explorations, practical experiences, and research opportunities. This structure is designed to equip you with not only deep subject knowledge but also critical thinking skills, creativity, and adaptability qualities that are increasingly valuable in our rapidly evolving world. Our goal with the FYUGP is to prepare students to thrive in a complex and interconnected world. The extended duration of the programme allows for a more immersive learning experience, providing ample opportunities for internships, study abroad programs, and collaborative projects. These experiences are integral to your development, offering real-world insights and hands-on skills that enhance both academic learning and career readiness.

Motivation is the cornerstone of success in higher education. As you embark on this new journey, I encourage you to embrace curiosity and pursue excellence with vigour. The FYUGP is designed to challenge and inspire you, pushing boundaries and encouraging innovative thinking. Approach your studies with passion, engage actively in all learning opportunities, and take full advantage of the resources available to you. Remember that education is not merely a pursuit of knowledge but a transformative journey that shapes your future and empowers you to make meaningful contributions to society.

Faculty and staff are here to support and guide you every step of the way. We are committed to creating a nurturing environment where academic excellence is complemented by personal growth and well-being. Your success is our success, and we are dedicated to providing the tools, mentorship, and encouragement needed to help you achieve your full potential.

As we embrace the FYUGP, let us all commit to a shared vision of educational excellence and personal growth. Together, we will build a learning community that not only adapts to change but also leads it with confidence and creativity. I am excited to see the remarkable achievements and contributions that will emerge from this programme and look forward to celebrating your successes along the way.

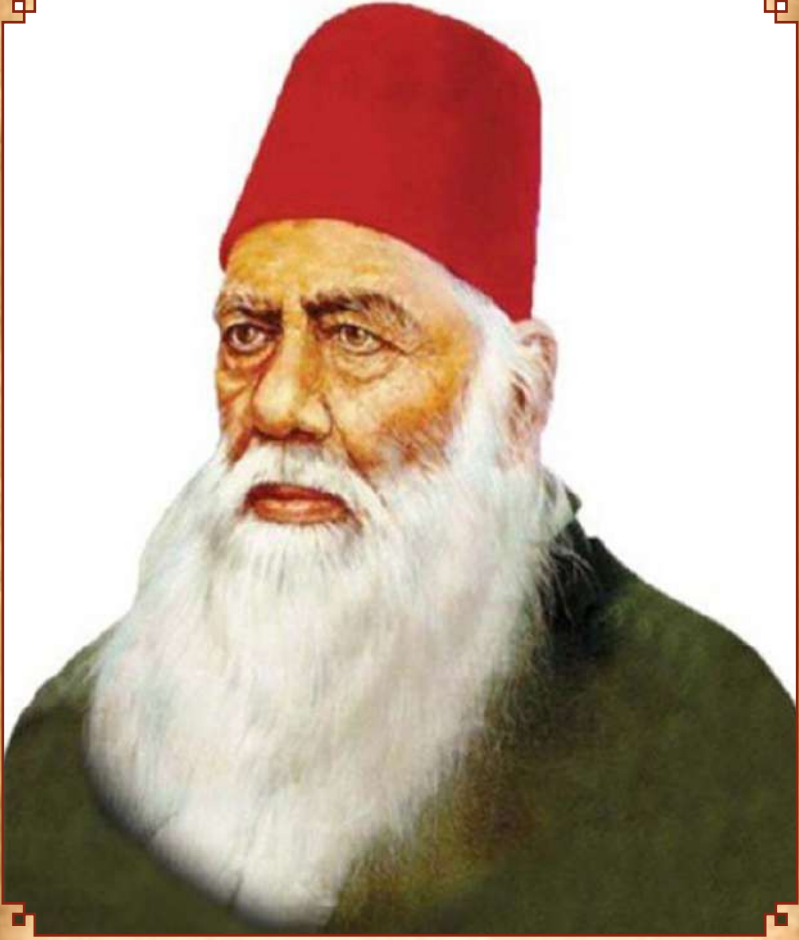

Welcome to this new chapter of academic and personal exploration. Let us make the most of it with enthusiasm, resilience, and a shared commitment to excellence.

# COLLEGE PROFILE

Sir Syed College, was established in 1967 by a handful of educational visionaries of Kannur under CDMEA (Cannanore District Muslim Educational Association) with a vision to impart moral and liberal education to the public, especially socio politically backward minority communities of North Malabar region. The college, named after Sir Syed Ahmed Khan, the founder of Aligarh Muslim University, was started in 1967 as a junior college under the University of Kerala. It came under the University of Calicut in 1968 and under the Kannur University in 1996. The institution was re-accredited by NAAC with A grade in 2017. Today Sir Syed College is one of the biggest post graduate institutions under Kannur University. The college at present offers Under Graduate programmes in Botany, Chemistry, Forestry, Physics, Mathematics, Statistics, Zoology, Arabic, Economics, Functional English, History, Malayalam, Commerce and Journalism with Multimedia and Communication; Post Graduate Programmes in Arabic, Botany, Chemistry, Physics and Commerce. Apart from that the departments of Botany, Chemistry, Commerce and Physics are research centres as well.

The college has a strength of 2282 students, 76 Faculty Members and 36 non teaching staff. Twenty nine of the Faculties are Ph.D holders and 15 have M.Phil degree. There are 19 research guides attached to the research departments of Chemistry and Botany and 29 Research Scholars are working under them. 34 scholars have been awarded Ph.D from these research centres so far (20 Botany, 8 Chemistry and 4 Hindi). Many Faculties are engaged in minor and major research projects funded by various agencies. The members of the faculty have contributed extensively to literatures in their respective fields. 56 books have been published by the faculties out of which one has attained national award. About 600 research papers of faculties and students have been published in various international and national journals. The Publication division of the college publishes the research journal, SEARCH. The college boasts of an extensive library with 42781 books, 80 journals and INFLIBNET facility. The other facilities offered by the college

include Sir Syed IT Centre, UGC aided Coaching Centre, Career Guidance and Counselling Cell, Photostat Centre, Gymnasium, Health Club, Sports Pavilion, Ladies Retreat room etc. There are separate hostels for men and women and an indoor stadium funded by UGC with four court. An ambitious project of the institution, the PG and Research block as GOLDEN JUBILEE BUILDING with three floors.

The students are provided ample opportunities for co-curricular and extra curricular activities through National Cadet Corps, National Service Scheme and different clubs like Language Club, Farm Club, Forestry Club, Hindi Club, ED Club, Film Club, Music Club, Tourism Club, Literary Club, Media Club Cultural Forum, Arts Forum, Science Forum etc. The Internal Quality Assurance Cell, Tutorial Scheme, Grievance Redressal Cell, Parent Teachers Association, College Co-Operative Society etc. ensure that the students get an ideal environment congenial to bring out the best in them. The college office ensures that maximum number of students get scholarships and endowments. Presently more than half of the students are enjoying the benefits of different scholarships and endowments.

*Hortus Sir Syedicus*, the district medicinal plants demonstration garden developed by the Garden Club and NSS with the financial aid of State Medicinal Plants Board is one of a kind under the Kannur University. Sir Syed College is a front runner in academics with the maximum number of students becoming toppers year after year. The college has also left its mark on account of its envious success, excellent performance and participation in the arts festivals and many a time students from this institution have represented the University and State at sports meets across the country.

The institution is extremely proud that in its 57 years of glorious existence it has stood true to its mission of changing the social fabric of North Malabar region. The role played by Sir Syed College is undeniable and pivotal in the cultural, political, economic and social mapping and development of the region.

# OBJECTIVES

- To inspire the students to generate and disseminate new knowledge and to contribute constructively in the field of research.
- To emerge as an epic centre of ground breaking findings, with thrust given on research especially in areas of social utility.
- To motivate the students to bring out their creative potential and to nurture the spirit of critical thinking along with equipping them with the skills needed to adapt better to the changing global scenario.
- To constantly strive for a value-based holistic learning by integrating traditional and innovative learning practices to match the highest quality standards.
- To stress practical application of knowledge, attitudes and skills as well as to sensitize and engage students in issues of gender equality, human rights and ecology in order to make them socially responsible citizens.
- To ensure inclusive education by making it accessible to all sections of society.
- To develop a sense of unity in all areas of knowledge

## Four Year Under Graduate Programme

# UNDER GRADUATE PROGRAMME

Four Year UG Programmes (FYUGP) (2024 – 2025 Onwards)

The Four Year Undergraduate Program (FYUGP) represents a significant shift in the higher education landscape of Kerala, aimed at enhancing the quality and relevance of undergraduate education. This initiative, endorsed by Higher Education Kerala and implemented through institutions like Kannur University, seeks to offer a more structured, holistic, and student-centered approach to the undergraduate studies. In accordance with the FYUGP regulations, Sir Syed College has formed a FYUGP committee to ensure the successful execution of this program.

## OBJECTIVES OF FYUGP

The FYUGP is designed with several core objectives in mind:

- Holistic Development:** To foster both academic and personal growth of students by integrating life skills, critical thinking, and practical knowledge into the curriculum.
- Flexible Learning Pathways:** To provide students with options to tailor their educational journey according to their interests and career aspirations.
- Enhanced Engagement:** To improve student engagement and retention through interactive teaching methods and diverse learning experiences.
- Alignment with Industry Needs:** To bridge the gap between academic learning and industry requirements, preparing students for the challenges of the professional world.

# CLIMATE RISKS: 1.5°C VS 2°C GLOBAL WARMING

## EXTREME WEATHER

100% increase in flood risk. | 170% increase in flood risk.

## SPECIES

6% of insects, 8% of plants and 4% of vertebrates will be affected. | 18% of insects, 16% of plants and 8% of vertebrates will be affected.

## WATER AVAILABILITY

350 million urban residents exposed to severe drought by 2100. | 410 million urban residents exposed to severe drought by 2100.

## ARCTIC SEA ICE

Ice-free summers in the Arctic at least once every 100 years. | Ice-free summers in the Arctic at least once every 10 years.

## PEOPLE

9% of the world's population (700 million people) will be exposed to extreme heat waves at least once every 20 years. | 28% of the world's population (2 billion people) will be exposed to extreme heat waves at least once every 20 years.

## SEA-LEVEL RISE

46 million people impacted by sea-level rise of 48cm by 2100. | 49 million people impacted by sea-level rise of 56cm by 2100.

## OCEANS

Lower risks to marine biodiversity, ecosystems and their ecological functions and services at 1.5°C compared to 2°C.

## CORAL BLEACHING

70% of world's coral reefs are lost by 2100. | Virtually all coral reefs are lost by 2100.

## COSTS

Lower economic growth at 2°C than at 1.5°C for many countries, particularly low-income countries.

## FOOD

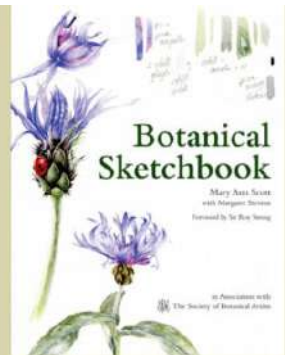

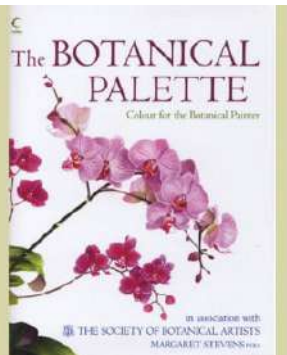

Every half degree warming will consistently lead to lower yields and lower nutritional content in tropical regions.

# BOTANICAL GARDEN

## ***HORTUS SIRSYEDICUS***

Botanical Garden, Hortus sirsyedicus is a collection of plants that are scientifically ordered and maintained, documented and labelled for public education, research, conservation, and enjoyment. Ex situ conservation of the Rare, Endangered and Threatened (RET) medicinal plants of South India is the major thrust area of the garden. The mission of the Botanical Garden is to foster science education to the society and appreciate the importance of Flora. The Botanical Garden of the College founded 32 years ago in the lush green panoramic land of the campus has developed into an excellent centre of biodiversity and ex-situ conservation of tropical flora and exotic species. At the entrance on the northern side, the visitors are greeted by Green house comprising of different species of Ferns and ornamental plants. The Medicinal Plant Demonstration Garden (MPDG) was started in 2013 and at present it is the largest medicinal plant garden among the colleges of Kannur University. The garden is beneficial to the entire society and is an attraction to the local people. It also helps the students of schools and colleges to acquire knowledge about importance of medicinal plants available in and around the area and also their importance in medicine. More than 200 species are planted and it is arranged in the traditional Ayurveda like Thriphala, Thrigadu, Nalpamaram, Thriganda, Janmanakshathra Sasyangal, Dashapushpam, Dashamoolam. Wild Aroids in India and rare Bamboo species are conserved in the Garden. The Medicinal Plant Demonstration Garden is funded by Kerala state medicinal Plant Board (KSMPB), Trivandrum. The garden is maintained by Dept. of Botany.

# STUDENT WELFARE SCHEMES

A number of scholarships are awarded to students every year by various agencies. Students of the College are eligible for merit scholarships awarded by the Government of India, the University and the State Government. In addition to the above, Cannanore District Muslim Educational Association also awards a number of scholarships to the students. Many scholarships are also available from various agencies like the Wakf Board, the Rubber Board, Sir Syed College Alumni Association (Dubai chapter) etc. Students who have secured 50% marks and above in their qualifying examination are eligible for “Kerala State Scholarships for Arts and Science Courses.”. The scholarships are awarded on merit cum means, subject to the number allotted each year.

## STUDENTS’ AID FUND

Students’ Aid Fund is constituted with the contribution collected from the students. A committee is constituted for the purpose of distributing this amount to the deserving students.

## SIR SYED COLLEGE TEACHERS ASSOCIATION FOR THE FINANCIAL EMPOWERMENT OF STUDENTS (SAFE)

Sir Syed college teacher collectives had launched the SAFE in 2015. It gives a unique opportunity for economically backward students enrolled in UG and PG courses. Such students are provided financial help in pursuing their studies. The fund for financial aid is collected from the faculties of college who voluntarily contribute the amount monthly. SAFE committee is formed by selecting one member from each Dept. The beneficiaries of the scheme are selected by the committee on the recommendation of tutors. It is one of the best practices of the college.
